NSB500 Health Alterations 3	NSB025 Nursing Practice in Context 5 #
NSB332 Clinical Practice 4	NSB015 Clinical Practice 5
NSB503 Promoting Health in the Community * (learning outcomes achieved in the following proposed units NSB025, NSB026)	
	NSB026 Nursing Practice Capstone
NSB333 Clinical Practice 5 (24cp)	NSB016 Clinical Practice Capstone (24cp)
Elective	Elective

No equivalent new unit, learning outcomes achieved in new units as specified  
 New unit, no unit with equivalent learning outcomes in previous curricula

# Additional learning experiences will be included in units for semester 2, 2012 to ensure ANMC competencies standards are met and continuing students experience a smooth transition to the new curricula.

\* This unit will be offered for semester 2, 2012 to accommodate the transition needs of selected cohorts:

- final semester graduate entry students
- 2012 cohort of NS50 Bachelor of Nursing/ Bachelor of Midwifery
- 'out of usual pattern' students.
