

**Faculty of Health  
School of Nursing and Midwifery**

The tables below for standard, graduate and enrolled entry students give details of unit substitutions that have been introduced since 2002 into the undergraduate nursing courses. **Note:** if you have successfully completed the unit in the left-hand column in your course it will count towards your graduation. If you have not successfully completed a unit or units listed in the left hand column then you will need to complete the substitute unit listed in the right hand column.

**1. Unit Transition Tables for NS40 NS45, NS50, HL40, HL46, HL47, HL49 from 2002 – 2009.**

(Note: students who commenced the course prior to 2002 must seek course progression advice by emailing [nursing.enquiries@qut.edu.au](mailto:nursing.enquiries@qut.edu.au) or attending an in-person academic advice session as advertised by the School.
