For the Bachelor of Human Services, Bachelor of Social Work and Bachelor of Nutrition Science, students will receive advanced standing for some units from the diploma. However the overall course duration of the bachelor will not be reduced. Refer to www.qut.edu.au for course duration and start dates.

Students are required to undertake a summer semester in order to complete the Bachelor of Nursing in two years.

Note: If you have already met the academic requirements for your degree program, but have not met the English requirements, you may take the EAP pathway. See: www.qut.edu.au/international/english-language-programs
