Enterprise Leadership:
Systems Thinking for Leaders

Gain a whole new perspective on the problems and opportunities of the world by grasping the mindset and toolkit of thinking in systems.

Leaders and managers deal with complex problems whose resolution requires holistic approaches and sophisticated thinking that embraces multiple perspectives.

Through challenging, case-based learning leaders and managers can develop the mindsets and toolkit to understand and act on the multi-faceted business problems of today and tomorrow.

This module is part of the Enterprise Leadership series. Learn more

Evolve with QUTeX

By participating in Systems Thinking for Leaders you will approach your role in problem solving and change equipped with new perspectives and models that will help you deliver effective and sustainable strategies for multi-dimensional business problems.

Who should participate?

This program will help leaders and managers who deal with complex problems whose resolution requires holistic thinking and working with a diverse set of needs and interests. This could include:

- Business Managers and Leaders
- Public sector policy professionals and program leaders
- Not-for-profit leaders who work with government and industry on complex policy and service delivery

As part of QUT's Enterprise Leadership series, this course aligns to the Leadership competencies for Queensland. Call our team on 07 3138 6573 to learn more, or download the competency map.

Core concepts

This course will immerse you in real-world situations to guide your understanding of:

- The systems thinking mindset for seeing your problems and opportunities through a set of powerful lenses
- Systems inquiry: Tools for gaining a broader understanding of a problem or issue by asking 'what is, why so and who says?'
- Systems intervention: thoughtful responses to change that accommodate diverse interests and avoid unintended consequences.

Graduate Certificate in Business (Enterprise Leadership)

Did you know that you can transform your leadership development into a postgraduate qualification?

This Enterprise Leadership module can be completed with an additional (optional) Credential unit. This provides you with the accreditation needed to go towards the completion of a Graduate Certificate in Business (Enterprise Leadership), an MBA, or an Executive MBA.

To attain this qualification, you will need to complete two core Enterprise Leadership modules (Leading Self and Others and Actioning Strategic Innovation) plus any two electives from the available Enterprise Leadership modules.

Enterprise Leadership Professional Development Module

Duration: Two Days

Certificate of Attendance

Cost: From $1,950
