

Tips for Grant Success

Prepare your grant-seeking organisation for success with the latest industry knowledge.

This is a comprehensive introduction to help you develop skills and knowledge in writing more successful grant applications.

You will also learn how you can ensure that your organisation is grant ready, and what to do when an application is successful or unsuccessful, plus effective reporting, acquittal and stewardship strategies.

Duration: ½ day

Certificate of Completion

Cost: From \$250

Evolve with QUTeX

Enhance your knowledge and skills to achieve greater success in your grant-seeking strategy.

This is a comprehensive introduction or refresher course to help you in seeking philanthropic grants, covering organisational readiness, strategy, relationships, writing tips and world-class execution.

It also includes the latest intelligence from grant-making bodies and practical steps from Australia's leading practitioners on philanthropic grant strategy and execution.

Core concepts

The half day workshop covers:

- An overview of the grants landscape
- Steps to ensuring your organisation is 'grant ready'
- Advice on project packaging, developing grant-ready project plans, and setting up internal processes to succeed
- Feedback from funders on why applications do or don't succeed
- Tips on relationship building
- How to write a great grant application
- Next steps when an application is successful or unsuccessful, and effective reporting, acquittal and stewardship strategies

Who should participate?

The course is suitable for leaders and practitioners from not-for-profit organisations seeking greater success and cut-through with their grant-seeking program. It is suitable for those seeking a comprehensive introduction to this area, as well as experienced operators who want to enhance their skills and capability.

Your expert facilitator

Alicia Edwards

As Grants Strategist at Strategic Grants, Alicia works closely with organisations large, medium and small to develop effective grants strategies. Alicia works with a diverse range of non-profit organisations across the sector including in health, social welfare, universities, disability and the environment.

Throughout her career, Alicia has been instrumental in building funder relationships and sourcing millions in philanthropic funding for a range of causes. Her first fundraising role at Surf Life Saving Foundation saw her managing significant fundraising appeals and community fundraising initiatives. She has since worked with Medical Research teams and educational institutions to develop their relationships with funders, community organisations, boards and major philanthropic donors.
