

Enterprise Leadership: Leader as Coach

With the right tools and support, almost anybody can become a better coach.

This module lays the foundational theories and practices of leadership through coaching. The aim of this module is to provide you with the theories, models and practices that will provide a solid foundation for exploring and extending your knowledge and application of leadership through coaching in complex organisational contexts.

You will develop a systems perspective of leadership development and organisational life, and understand the role of reflective practice and action learning in promoting growth and learning at an individual, group and organisational level.

This module is part of the Enterprise Leadership series. [Learn more](#)

Evolve with QUTeX

You will be introduced to the best of contemporary coaching conversational practices drawn primarily from the field of executive coaching, which itself draws on multidisciplinary practice. There will be a focus on coaching methodologies, complexity leadership, organisational systems and cultures, cultural intelligence, positive psychology and human flourishing.

QUTeX's Enterprise Leadership (ELP) expert facilitator will guide you on implementing innovation in your workplace. Be ready for tomorrow's challenges by learning skills in design thinking, strategy, and innovation implementation to future proof your organisation.

Who should participate?

Leader as Coach is a powerful skillset for all leaders and managers whether in industry, government or the not-for-profit sector. Participants should have some line management responsibility, whether as team leader, middle manager or senior leader.

As part of QUT's Enterprise Leadership series, this course aligns to the [Leadership competencies for Queensland](#). Call our team on 07 3138 7733 to learn more, or [download the competency map](#).

Graduate Certificate in Business (Enterprise Leadership)

Did you know that you can transform your leadership development into a postgraduate qualification?

This Enterprise Leadership module can be completed with an additional (optional) Credential unit. This provides you with the accreditation needed to go towards the completion of a Graduate Certificate in Business (Enterprise Leadership), an MBA, or an Executive MBA.

To attain this qualification, you will need to complete two core Enterprise Leadership modules (Leading Self and Others and Actioning Strategic Innovation) plus any two electives from the available Enterprise Leadership modules.
