** Business units are charged at the Special 1 rate.

*** Clinical units in podiatry, optometry, nutrition and dietetics are charged at the Special 6 rate. Course information includes an indicative cost per semester. This is calculated as an average over the whole course using the most common units in which students enrol.

Table C: International Students

You are an international student if you are not:

- an Australian citizen
- a New Zealand citizen
- the holder of an Australian permanent resident visa or permanent humanitarian visa.

Generally international tuition fees are based on the units you study, taking into account the principal subject matter of the unit and the level of study.

Special course-based fees apply to QUT's International College courses and international study abroad students.

Table L: Student Services and Amenities Fee

Fee rates

QUT charges domestic undergraduate (including honours) and postgraduate coursework students a Student Services and Amenities Fee based on the number of enrolled credit points. Students are charged the fee on a pro-rata basis which is capped at the maximum fee rate for that year. International, higher degree research, corporate award, and non-award students and external units are exempt from the fee.

For 2013 the charge is \$2.83 per credit point. This table shows example charges per unit: Table L shows example charges per unit:

Credit point value	Charge
6 credit points	\$17.00
12 credit points	\$34.00
24 credit points	\$68.00
48 credit points	\$136.00

The maximum charge for the half-year period 1 January 2013 to 31 December 2013 is \$272. The fee will be indexed annually.

Payment of the fee

Eligible students will be able to defer the fee through a loan scheme called SA-HELP.
