Course design

The Bachelor of Business degree allows you to be flexible in your chosen field of studies to suit your own needs and career aspirations. The three distinct components within the degree give you many combinations of majors and specialisations.

Students commencing the Bachelor of Business must complete 24 units of equal weighting totalling 288 credit points, comprised of:

(a) eight Business School Core units  
(b) one block of eight Major Core units  
(c) choice of one block of:  
  - six Second Major units and two option (elective) units or  
  - eight option (elective) units or  
  - two Minors (four units each) (university or Business School or extension) or  
  - one Minor (four units) (university or Business School or extension) and four option (elective) units.

Enrolment and advanced standing

You may wish to apply for advanced standing (also known as credit or exemption) for prior completed studies and other assessable learning outcomes. See more on Advanced Standing.

Gardens Point campus students: The first year program and all Business study areas are available at Gardens Point. Students commencing this course at Gardens Point campus must enrol online by nominating their primary major and then enrol in units according to that major. You are required to only nominate your first major to satisfy enrolment procedures. The second area of study, i.e. Second Major/Extension/Minor may be nominated at a later date. Students who have been granted advanced standing (academic credit) should nominate their second area of study (i.e. Second Major/Extension/Minor) in order to determine their enrolment program.

Caboolture campus students: The Business School Core units and the Accountancy, Management and Marketing majors are available at this campus. Students must choose first year Business School Core units at Caboolture campus but may choose units from majors from other Business disciplines at Gardens Point to complete the rest of their degree. When enrolling for the first time, students will be required to select either Accountancy, Management or Marketing as their major. After their first year, students will be able to change their major. Students may choose majors offered at Gardens Point or continue their studies at Caboolture. Business core unit availability will vary each semester. Students who wish to complete their degree in full-time mode should consult their Discipline School for specific course progression and enrolment advice. Queries regarding unit availabilities and progression can be directed to Business Student Services on bus@qut.edu.au or the Caboolture Student Centre on caboolture@qut.edu.au.

Special requirements

- For your course structure and enrolment advice see Course Checklist and follow the instructions.
- A full-time student may only enrol in units contained in the normal course program for semesters 1 and 2 in the first...
Bachelor of Business

year of study unless in exceptional circumstances and with the approval of the Course Coordinator.
• A part-time student may only select units from those listed for years 1 and 2 in the first two years of study.
• Students must take Business School Core units at first attempt, in the semester outlined in the structure of their chosen major.
• A student must enrol in more than one unit in any semester, unless they have the approval of the Course Coordinator.

International students
International students must maintain a full-time study load to meet student visa requirements. International students are only permitted to enrol in units at Gardens Point campus. International students should consult the International Student Office on Level 2, B Block for advice.

Professional recognition
Professional Recognition can be found in the individual majors of the Bachelor of Business (BS05).

Degree plus Masters option
You can also expand your career options with a Master of Business in a complementary study area.

Bachelor of Business (Honours) year option
Refer to (BS63) for details.

Important information
QUT Business School rules and procedures are outlined in the Business Undergraduate Guidelines booklet. Other useful information can be found on the Student Services website.

Your degree at a glance
Year 1
Academically, you will build a base of broad business knowledge through the core units, covering all areas of business from finance and economics through to marketing and electronic business. Generic skills in all areas will enhance your understanding of how businesses operate within the commercial and legal environment.

Year 2
You will learn how to interpret financial information and reports and gain skills in using this information for business decision making. Practical experience in using software such as MYOB and Accounting Information Systems Cycles will complement your theoretical knowledge in corporate reporting and product costing. You can start to build your professional networks and find out more about the corporate world that awaits you at boardroom seminars. You’ll also start to shape your career with the selection of a second study area.

Year 3
You will draw on the knowledge gained through your major to solve real-world accounting problems such as preparing a tax return or analysing the financial statements of a client business. You’ll also investigate how auditors report on the financial statements of companies, individuals and trusts. For the best chance of a top job to launch your career, attend graduate recruitment events on campus or take a work placement with one of our industry partners.

Professional recognition
Graduates who complete the Accountancy major and the Professional Accounting extension meet the academic component of requirements for membership of CPA Australia, the Institute of Chartered Accountants in Australia, the Institute of Public Accountants, and enrolment in their respective professional programs. Graduates are also eligible for exemptions in the qualifying program for membership of the Association of Chartered Certified Accountants.

In addition we have also been accredited with RG146. Therefore students who complete the Superannuation and Wealth Management Minor in conjunction with an Accountancy Major will meet the Australian Securities and Investments Commission (ASIC) RG146 agreed competency and skill requirements for Tier 1 financial advisers.

The Professional Accounting Extension is offered at Gardens Point campus.

Real world focus
In third year some students will have the opportunity to undertake an organised work experience placement with an accounting firm or in an organisation in the media, community, banking or government sector. Demonstrating your ability to apply your knowledge in a real workplace is another way you can stand out from the crowd to future employers.

You can even get a taste of what life is like as a researcher during your studies, with paid research work opportunities within the School, working with academic supervisors on real-world research projects, or as part of a Summer Semester Research scholarship. You might discover your potential for research work or an academic career.
Accountancy at Caboolture Campus

Students who study Accountancy at Caboolture campus can complete their primary major in Accountancy with a second major in Marketing or Management, all at Caboolture campus. There are detailed course structures provided to ensure students can meet the requisite requirements. Students are encouraged to contact the Caboolture Business Academic Coordinator if they need to deviate from the course structure.

If you wish to undertake the Professional Accounting extension and the Superannuation and Wealth Management Minor you will need to travel to Gardens Point campus occasionally in your final semesters of study.

Other majors

Your degree at a glance

Year 1
You will build a base of broad business knowledge through the core units, covering all areas of business from finance, accounting and economics through to international and electronic business. With generic skills in all areas, you’ll have an understanding of how businesses operate within the commercial and legal environment. Your advertising major starts in second semester with the question of why consumers choose the products they buy. You’ll also learn how advertising agencies relate to both the media, suppliers and the companies that hire them.

Year 2
You will build your skills in creating advertising, including practical writing and concept development workshops. You’ll learn to solve advertising problems by analysing the consumer and the product, and how to create cost effective media schedules. You can start to build your professional portfolio and gain the attention of national and international agencies by entering competitions specifically for advertising students. You’ll also have the opportunity to personalise your degree with the selection of your second study area.

Year 3
You will round out your major by formulating an advertising campaign from a real-world client’s brief. Working as a team, you’ll research your client’s advertising problem and identify strategies to solve it. You’ll then develop creative ideas, match them to innovative media solutions and deliver a boardroom pitch to the client. Your client could be a Queensland icon such as Queensland Day, the Ekka or the Brisbane Lions, a charity such as Muscular Dystrophy, or a national consumer goods or pharmaceutical company.

Professional recognition
Graduates may be eligible for membership of a number of professional bodies depending on choice of major and units.

Advertising first and second major – Students will meet requirements for membership to the Advertising Federation of Australia, the Australian Association of National Advertisers, Media Federation of Australia and the Australian Direct Marketing Association.

Our reputation
QUT was the first university to offer a degree level program in advertising - a decade before anyone else in Australia. This course remains a unique advertising degree taught within a business school, giving QUT advertising graduates a strategic and commercial edge.

Your degree at a glance
Year 1
You will build a base of broad business knowledge through the core units, from finance and accounting through to marketing and international business. With generic skills in all areas, you will have an understanding of how businesses operate within the commercial and legal environment. Your economics major begins in second semester, when you’ll cover consumer behaviour, business cycles and policy, and the significance of the international economy. You will build skills in interpreting financial and economic data and reports, and use this information for business decision making.

Year 2
Delving further into your major, you will learn more about production, the economics of market structures, the workings of the national economy, and the roles of fiscal and monetary policy. You will contemplate the interplay between government, private firms and consumers, and analyse the increasing globalisation of world trade and investment. You will also shape your future career options through the consideration of a second study area.

Year 3
Projects and research assignments will build your practical skills. You will apply economic theories learned so far to topics of current interest, such as the federal budget, Australia’s ageing population or global warming. You will learn how to locate the data for your analysis, decide on the relevant economic theories and models, and distil this into possible solutions. This analysis will help you advise the best way forward, and give you a practical introduction to the real-world applications of economic theory.

Professional Recognition
Graduates may be eligible for membership of a number of professional bodies depending on choice of major and units.

Study area
Economics major – You will meet the academic requirements for professional membership to the Economic Society of Australia.

Second study area
Finance second major – Students will meet the educational requirements for Associate Membership of the Financial Services Institute of Australasia (FINSIA).

All second majors – Students will meet the academic requirements for enrolment in the Graduate Diploma of Applied Corporate Governance at Chartered Secretaries Australia (CSA). On completion of the Graduate Diploma of Applied Corporate Governance, students will meet the academic requirement for professional membership of Chartered Secretaries Australia and also membership of the international association, Institute of Chartered Secretaries and Administrators (ICSA) of which CSA is the Australian division. Membership of ICSA entitles members to use the post nominals of ACIS or Fellow of Chartered Institute of Secretaries (FCIS). Ordinary Membership of the Economics Society of Australia only requires students have an interest in the area of Economics. Academic requirements for Professional Membership of the Economics Society of Australia (Qld) requires that students have held an Ordinary Membership of the...
Economics Society of Australia for one year and have completed a Bachelor of Business majoring in Economics.

Your degree at a glance

Year 1

You will build a base of broad business knowledge through the core units, covering all areas of business from accounting and economics through to marketing and international business. You will gain generic skills in all areas and an understanding of how businesses operate within the commercial and legal environment. You will begin your major with skills in interpreting economic data for business decision making. Business cycles, foreign exchange markets, terms of trade and the significance of the international economy will also be covered.

Year 2

You will build a deeper understanding of the fundamental concepts of finance – the time value of money and the effect of interest rates, diversification and its role in forming an investment portfolio, and the relationship between risk and return. The types of financial markets and instruments traded, such as shares, bonds and futures, will also be introduced. You will also choose a second study area, such as accounting, economics, or further finance studies, which will help to shape your career.

Year 3

Project work and research assignments will hone your practical skills and prepare you for the workplace. You will develop valuation skills relevant to shares and derivatives. You can also act as a corporate treasurer for a semester, using data facilities in the Securities Dealing Room to gain experience in raising funds and managing the risk and cost of borrowing these funds in the face of unfolding economic scenarios.

Professional recognition

By choosing appropriate units in this course, you will meet the Australian financial professional training standard RG146 Tier 1 compliance, as administered by the Australian Securities and Investments Commission. Graduates of the finance major meet the academic requirements for Associate Membership of the Financial Services Institute of Australasia.

Second study area

Economics second major – Students will meet the educational requirements for Associate Membership of the Financial Services Institute of Australasia. Ordinary Membership of the Economics Society of Australia only requires that students have an interest in the area of Economics. Professional Membership of the Economics Society of Australia (Qld) requires students have held an Ordinary Membership of the Economics Society of Australia for one year and have completed a Bachelor of Business majoring in Economics.

All second majors – Students will meet the educational requirements for Associate Membership of the Financial Services Institute of Australasia.

Students will also meet the academic requirements for enrolment in the Graduate Diploma in Applied Corporate Governance at the Chartered Secretaries Australia. On completion of the Graduate Diploma in Applied Corporate Governance, students will meet the academic requirement for Professional Membership of the Chartered Secretaries Australia.
Bachelor of Business (Finance)

Financial Services extension – Completion of some units in this extension will enable students to partially meet ASIC RG146 Tier 1 compliance. Refer to ASIC for more details.

Funds Management extension – Completion of some units in this extension will enable students to partially meet ASIC RG146 Tier 1 compliance. Refer to ASIC for more details.

Securities Dealing Room
QUT pioneered the use of real financial data in Queensland universities. Our Securities Dealing Room gives you access to data from Bloomberg, providers of financial data to many of the world’s financial institutions. This comprehensive set of data on companies, commodities and economics will be useful in your final year project work, and allow you to apply the theory you learn to conduct real-world financial analysis.

Industry links
Our finance lecturers have a wealth of real-world experience, including consulting with Queensland Treasury, Brisbane City Council, QR, Queensland Transport and Ergon Energy, and guest lecturing with industry bodies such as the Financial Services Institute of Australasia (FINSIA) and CPA Australia.

Practical teaching
Final year project work and research assignment will hone your practical skills and prepare you for the workplace. You will act as a corporate treasurer for a semester, using data facilities in the Securities Dealing Room to gain experience in raising funds and managing the risk and cost of borrowing these funds in the face of unfolding economic scenarios.

Your degree at a glance

Year 1
You will build a base of broad business knowledge through the core units, covering all areas of business from finance, accounting and economics through to marketing and electronic business. With generic skills in all areas, you will have an understanding of how businesses operate within the commercial and legal environment. Your focus on human resources begins with a broad introduction to many of the human resource management functions and how these functions complement the strategic direction of businesses and help organisations maintain competitive advantage.

Year 2
You will build your foundation knowledge of business and human resource management, through developing a deeper understanding of individuals and groups. You will also investigate how the structure and organisation of human resources impact on organisations and their activities. You will develop skills in the implementation of human resource activities through practical work examples and case studies. You will also have the opportunity to personalise your degree with the selection of a second study area.

Year 3
In your final year you will extend and integrate your knowledge of business and human resource management using critical thinking and decision making skills to analyse, diagnose and provide recommendations for implementing organisational change, work force planning, and human resource development. You will explore and critique real-world cases and projects, applying your theoretical knowledge to develop practical strategic policy suggestions for organisations.

Professional recognition
This program enables you to join the Australian Institute of Management and the Australian Institute of Training and Development.

### Your degree at a glance

**Year 1**

You will build a base of broad business knowledge through the core units, covering all areas of business from finance, accounting and economics through to marketing and management. You will develop generic skills in all areas, and gain an understanding of how businesses operate within the commercial and legal environment. You will begin your studies in international business with specific emphasis on international marketing and market entry strategies.

**Year 2**

You will tackle import and export management, and investigate the challenges involved in producing goods to distribute overseas. You will begin to personalise your degree with an understanding of the history, culture and business environments of countries in either Asia or Europe as your international region of expertise. Your choice of second business study area will further direct your future career options.

**Year 3**

You will be encouraged to immerse yourself in another culture through further regional studies, or through international exchanges. Take the opportunity to gain practical skills in cross-cultural communication and negotiation, logistics, and contemporary business strategies for Asia or Europe. Gain an overview of strategic issues facing global firms, including the different company structures that provide an advantage over competitors in the global marketplace.

### Languages option

The course structure for both full-time and part-time International Business students varies depending on whether languages are selected as an option. Alternative course structures are included: one outlines the course structure if no languages are taken, the other outlines the structure for those who wish to undertake a language specialisation. If languages are taken as a specialisation, language units must normally be taken in the same language. International students must take a language that is not their native tongue.

### Professional recognition

Students are eligible for membership of the Australian Institute of Export, the Chartered Institute of Purchasing and Logistics Association of Australia and the Chartered Institute of Purchasing depending on units chosen.

## Your degree at a glance

### Year 1
You will build a base of broad business knowledge through the core units, covering all areas of business from finance, accounting and economics through to marketing and data analysis. You will develop generic skills in all areas, and gain an understanding of how businesses operate within the commercial and legal environment. Your focus on management begins in your second semester, when you'll start to develop skills in strategy, leadership and internationalisation.

### Year 2
Building upon your broader business knowledge, you'll learn how critical analysis and strategic thinking assists management in challenging old viewpoints. You will learn about the importance of sustainability and change in organisations operating within complex environments. Opportunities will be provided to investigate the functional role of operations management designed to add value in productivity through allocating all the resources needed to produce a product. You will also be introduced to innovative and entrepreneurial thinking to enhance your business planning capabilities. The choice of a second business study area or an extended major in management will begin to steer your future career direction.

### Year 3
In the third year you both integrate and further expand your knowledge into strategic management and operations management through the project approach to management. You will investigate how companies seek advantages over their industry competitors. You will consolidate your learning and extend yourself, developing analytical-thinking and decision-making skills. Working as individuals and in groups, you will develop a project management plan, fusing your knowledge of technical and social-cultural aspects of the organisation developed throughout the major. Defining the project, addressing the challenges of time, costs and risk you will decide the ways and means to effectively and efficiently use human and non human resources to reach the project’s goals and those of the organisation.

### Professional recognition
Graduates may be eligible for membership of a number of professional bodies depending on choice of major and units.

Management major, second major and extension – Students will meet the requirements for membership of the Australian Institute of Management.

### Choice of campus
You may choose to complete your business degree at Gardens Point or Caboolture campus, majoring in Management.

### Studying Management at Caboolture
Students who study Management at Caboolture campus from 2013 can complete their primary major in Management with a second major in Accountancy or Marketing, all at Caboolture campus. There are detailed course structures provided to ensure students can meet the requisite requirements. Students are encouraged to contact the Caboolture Business Academic Coordinator if they need to deviate from the course structure.

Your degree at a glance
Year 1
You will build a base of broad business knowledge through the core units, covering all areas of business from finance, accounting and economics through to international and electronic business. With generic skills in all areas, you will gain an understanding of how businesses operate within the commercial and legal environment. Your marketing major will commence in second semester, investigating why consumers buy products and how they make purchase decisions.

Year 2
Building your knowledge of consumer behaviour, you will gain skills in conducting consumer and audience research and learn how market research informs corporate and strategic decision making. You will investigate the part technology has to play in developing new products for consumers, and learn how e-marketing can help companies compete in a global market. You will also have the opportunity to personalise your degree with the selection of a second study area.

Year 3
You will round out your major by finding out how marketing decisions contribute to the strategic success of any business. Opportunities to apply your knowledge to real-world scenarios include producing a marketing plan in a simulated environment which allows you to apply your marketing decision making skills and assess the results. You may also have the opportunity to complete an industry placement to gain valuable work experience.

Campus options
You may choose to complete your business degree at Gardens Point or Caboolture campus, majoring in Marketing.

Studying Marketing at Caboolture Campus
Students who study Marketing at Caboolture campus from 2013 can complete their primary major in Marketing with a second major in Accountancy or Management, all at Caboolture campus. There are detailed course structures provided to ensure students can meet the requisite requirements. Students are encouraged to contact the Caboolture Business Academic Coordinator if they need to deviate from the course structure.

Professional recognition
Graduates may be eligible for membership of a number of professional bodies depending on choice of major and units.

Marketing first and second major and extension – Students may meet the requirements for membership of the Australian Marketing Institute, the Marketing Research Society of Australia, the Australian Institute of Management, the American Marketing Association and the Australian Institute of Export.

Deferment
Domestic students can defer their offer in this course for one year. In exceptional circumstances up to 12 months of additional deferment may be granted.

Your degree at a glance

Year 1
You will build a base of broad business knowledge through the core units, covering all areas of business from finance, accounting and economics through to marketing and global business. With generic skills in all areas, you will gain an understanding of how businesses operate within the commercial and social environment. You will begin your studies in public relations in the second semester, with an introduction to founding principles, an overview of the profession, and an insight into the future of public relations practice in contemporary organisations.

Year 2
You will build knowledge and skills in public relations techniques, learning how to write and prepare public relations tactics and tools such as media releases, social media programs, and events for real-world clients. In doing so, you will develop a portfolio of public relations materials to show potential employers. You will also build skills in public relations planning, allowing you to identify the best practices of public relations by analysing successful public relations campaigns from Australia and around the world. You will also have the opportunity to personalise your degree with the selection of a second study area.

Year 3
Acting as an internal adviser, you will explore corporate communication issues for organisations and track contemporary issues through case studies. You will also take the role of a public relations consultant, advising a real-world client on their problem or opportunity. Working in partnership with other students to form a consulting team, you will prepare a campaign plan to present to your client. Your writing skills will be further developed through your campaign portfolio. Work placements are also available to match your interests in consultancies, government, corporate settings and community groups.

Professional recognition
This course is accredited by the industry’s peak professional body, the Public Relations Institute of Australia (PRIA), providing graduates access to professional education and career opportunities. QUT maintains strong links with this body, in which a number of our teaching staff hold executive positions.

Practical teaching
The practical nature of this major means that you will graduate with a portfolio of work to demonstrate your skills to potential employers.

Third year project work is imperative to demonstrating the depth and breadth of skills you have accumulated throughout the course. This hands-on experience will give your career a vital kick start by bringing together the design, strategic planning and tactical preparation that underpins a real world public relations campaign.

**Languages Option**
The course structure for both full-time and part-time International Business students varies depending on whether languages are selected as an option. Alternative course structures are included: one outlines the course structure if no languages are taken, the other outlines the structure for those who wish to undertake a language specialisation. If languages are taken as a specialisation, language units should commence in the first semester of the first year to maintain continuity from earlier pre-QUT language studies. All language units must normally be taken in the same language. International students must take a language that is not their native tongue.

Information for Continuing students
Gardens Point students should note that from Semester 2, 2008 this course has been recoded to BS05 Bachelor of Business, therefore, there will be no further intake at Gardens Point into this course. However, students who are currently enrolled are able to remain enrolled until the end of 2012. Students currently enrolled in this course may elect to transfer to the BS05 Bachelor of Business to complete their course. Students who elect to transfer to the new course will be required to undertake an 8 unit major (Study Area A) and one of the following options (Study Area B): a maximum of 8 elective units; or a 6 unit second major and 2 electives; or 2 minors (university and QUT Business School approved minors); or 1 minor and 4 elective units. For more information on the course, see the entry for BS05. After Semester 1 2013, students may be enrolled in the new program.

Course Design
Students commencing the Bachelor of Business campus must complete 24 units of equal weighting totalling 288 credit points, comprised of:
- (a) eight QUT Business School Core units (refer to A below)
- (b) one block of six Major Core units (refer to B below)
- (c) one of the following:
  - Double Major (six units); or
  - Extended Major (six units); or
  - Specialisation (six units).
- (d) plus four Elective units.

The course structures, listed by Primary Major, outline a sequence of unit study and ensure that prerequisite requirements of a unit are satisfied. Students who require advice on the requirements to complete should contact their discipline school for advice.

Special Requirements
A full-time student may only enrol in units selected from those contained in the normal course program for semesters 1 and 2 in the first year of study unless in exceptional circumstances, and with the approval of the Director of Studies. Similarly, a part-time student may only select units from those listed for years 1 and 2 in the first two years of study.

A student must enrol for more than one unit in any semester, unless they have the approval of the Director of Studies. Copies of the Undergraduate Guidelines outlining the QUT Business School rules and procedures are available from any QUT Business School Student Enquiries Centre.

Professional Recognition
Professional Recognition can be found in the individual majors of the BS05.

International Students
International Students must maintain a full-time study load to maintain student visa requirements. International students are only permitted to enrol in units at Gardens Point campus. International students should consult the International Student Office on Level 2, B Block for advice.

Honour Year (Optional)
Refer to BS63 for details.

Professional Recognition
Depending on the choice of majors, graduates of the Bachelor of Mass Communication may satisfy the academic requirements for membership of the Advertising Institute of Australia (AIA) and the Society of Business Communicators (SBC).

Course Design
Students commencing the Bachelor of Mass Communication must complete 24 units of equal weighting totalling 288 credit points comprised of:
- a. Business School Core (six Business School core units)
- b. Major Core (two majors of six units each) and
- c. Unit Options (six units).

Although studies can be tailored to meet a specific career goal or create a wide variety of career choices, there is a set of recommended combinations of majors. Students are not required to take these combinations, however they do represent the more common and logical choices within a mass communication qualification.

The recommended combinations are:
- Advertising and Public Relations
- Public Relations and Journalism
- Public Relations and Media and Communication
- Entertainment and Public Relations
- Entertainment and Media and Communication
- Journalism and Media and Communication.

Important Information for Business Students
QUT Business School rules and procedures are outlined in the Business Undergraduate Guidelines booklet. Other useful information can be found on the Student Services website.

Domestic Course structure
Your course
Year 1
You will explore key concepts driving media and communication industries in the global new economy and be introduced to skills in your chosen professional areas of study including public relations, advertising, media and communication, journalism, and entertainment industries. You will apply your knowledge to communication activities and exercises which provide insight into the nature and scope of the industry sectors you will work in.

Year 2
Focusing on your major areas of study, you will undertake activities that enable you to apply your rapidly developing communication skills and knowledge of media industries. You will complete projects using industry-standard equipment and software, gaining experience in a range of tasks you will undertake as part of your professional life. You also begin to broaden your skill and knowledge base by selecting from a range of elective units.

Year 3
This capstone year focuses on the refinement of skills. Working individually and in teams, you will produce a portfolio of work, often for real-world clients, which showcases your project management, communication and creative talents. Work placement opportunities complement these activities and allow you to network with a range of industry leaders.

Discontinuation
Students should note that from Semester 1, 2007 this course has been renamed and recoded to IX33 Bachelor of Business/Bachelor of Information Technology. Therefore, there will be no further intake into this course, however, students who are currently enrolled, or have already been made an offer into this current course for 2007, are able to remain enrolled in it.

For information on the new course, please refer to IX33 Bachelor of Business/Bachelor of Information Technology.
Domestic Entry requirements

Course requirements

Working with Children Check: Blue Card
A Blue Card will be required if the placement component of this course involves working with children or young people. There’s no cost if you apply through QUT.

Submit your Blue Card application to the QUT Student Centre as early as possible - ideally, as soon as you’ve received your offer.

If you don’t receive your Blue Card before the start of a unit that requires contact with children, you may be unable to participate and your grades may be affected. You may also still have to pay fees for the unit.

How to apply for a Blue Card

First aid, Tuberculosis screening and Flu Vaccination
It is recommended that you complete a First Aid Certificate, Tuberculosis Screening and/or Flu Vaccination. However these are not mandatory.

Uniform
QUT School of Nursing polo shirt, navy blue trousers/long pants with pockets, and suitable footwear (black, brown or navy leather shoes with a non-slip sole) are required for this course. Students will need to cover this cost.

Orientation camp
First year students have the option of attending an orientation camp.

Students will need to cover this cost.

Off-campus placements
Students are required to undertake off-campus placements and will need to cover travel and accommodation costs.

Clinical placements with Queensland Health
Students are required to complete the Deed Poll and Orientation Package before participating in clinical placement in Queensland Health facilities. Failing to do so may result in you not able to participate in clinical placement and your grades may be affected. You may still be liable to pay fees for the unit.

Domestic Assumed knowledge

Overview
Your business degree will give you a broad base of commercial knowledge as well as the opportunity to major in a specific business area. This understanding of business makes you more attractive to employers, even if you wish to work predominantly in a science-based career.

Aim
Through the combination of science and business, you will equip yourself for an exciting career at the cutting edge of scientific innovation within a range of public, private and non-profit industries.

Career outcomes
By combining your science studies with business you will develop the entrepreneurial skills necessary to sell your abilities to a range of employers. As well as the range of science-based careers available such as a scientific modeller, engineering software developer, scientific programmer, and computational scientist you could expect to gain employment as a consultant, marketer, or project manager within firms developing and taking scientific research to the marketplace.

Professional membership
Both degrees allow you to satisfy the requirements of membership of the relevant professional body for your chosen majors.

Non-standard attendance
Field work is a requirement of some areas of science.

Career Outcomes
Electrical and computer engineers design, install and maintain electrical, electronic, telecommunications and computing systems on behalf of governments and private companies. Graduates of the Bachelor of Business are skilled in many aspects of business including: accountancy, advertising, finance, economics, human resource management, international business, management, marketing and public relations.

Overview
Students combine engineering knowledge in electronics, computer systems, telecommunications and electric power with a business course majoring in one of accountancy, advertising, economics, finance, human resource management, international business, management, marketing or public relations.

Professional Recognition
This degree meets the requirements for membership of Engineers Australia.

Business component: Students may be eligible for membership to a number of professional bodies depending on choice of major and unit selection. Details on professional recognition can be found under the individual majors of the Bachelor of Business (BS05).

Special Course Requirements
A candidate for the degree of Bachelor of Engineering must obtain at least 60 days of industrial employment/practice in an engineering environment as part of the Work Integrated Learning unit, before graduating.

Course Design
Students are required to complete 480 credit points comprised of 288 credit points from the Bachelor of Engineering program and 192 credit points from the Bachelor of Business program. Students supplement the engineering component of this program with the 96 credit point Business School Core units in the Bachelor of Business program together with a 96 credit point Major in one of the following: Accountancy, Advertising, Economics, Finance, Human Resource Management, International Business, Management, Marketing or Public Relations.

International Student Entry
International students must maintain an enrolment program that will allow them to complete their course within the specified timeframe of their eCoE (electronic Confirmation of Enrolment).

Important Information
QUT Business School rules and procedures are outlined in the Business Undergraduate Guidelines booklet. Other useful information can be found on Student Services website.

## Discontinuation

This course code has been discontinued and replaced by IX58 Bachelor of Business/Bachelor of Information Technology.

Currently enrolled students who wish to remain in, and graduate from the existing program will be permitted to do so up to the end of 2011. From Semester 1, 2012, all students will be enrolled in the new program.

## Cooperative Education Program

The Coop Ed Program is a joint venture between employers and the Science and Engineering Faculty giving you the opportunity of 10-12 months paid industry placement to better prepare you for employment after you graduate. The Coop Ed Program integrates formal study and professional experience, so you can apply what you're learning in an area relevant to your chosen path.

Some of the organisations our Coop Ed students have worked with are the Australian Tax Office, Boeing Australia, CITEC, Department of Natural Resources and Water, Dialog, EPA, Queensland Police, RACQ and UNITAB Limited.

Find out more about the Cooperative Education Program.

## Course Design

Students are required to complete 384 credit points comprised of 192 credit points from the Bachelor of Business program and 192 credit points from the Bachelor or Information Technology program.

### Business component

Students must complete the 96 credit point QUT Business School Core Units in the Business program together with a 96 credit point Major.

### Professional recognition

Students may be eligible for membership to a number of professional bodies depending on choice of major and unit selection. Details on professional recognition can be found under the individual majors of the Bachelor of Business (BS05).

Graduates of the Bachelor of Information Technology meet the knowledge requirements for admission to the Australian Computer Society (ACS).

## Unit

### Incompatibility/Translation Information

Details on the translation and incompatibility of old and new units is located here: Undergraduate Translation Table

If you have completed the unit(s) listed under the “Translation Unit Codes” column you are not permitted to enrol in the listed new code.

**Frequently asked questions**

**What should my portfolio include?**

Your portfolio should include a maximum of 20 20 single-sided A4 pages of colour images that demonstrate your potential as a fashion designer. This could include but is not limited to:

- Good examples of your sketchbook work (to demonstrate your ability to research a topic and develop ideas based on that topic).
- Fashion design drawings (showing your ability to create fashion designs, based on research and a concept). We are looking for evidence of fabric awareness, colour, and 3D thinking.
- Selected photographs that show good examples of any garments you have made

There is no one particular type of folio we are looking for, as long as you keep to the requirements of 20 single-sided A4 pages of your work. We are looking for something individual; a folio that expresses you, your talents and potential within the fashion industry. We would like to know what you think about fashion and what you like about fashion - or even what you don’t like about fashion. Think of the folio as a way of introducing yourself to us - and showing us your creativity and thought processes. Show us what inspires you and excites you.

**Will my portfolio be returned?**

You will need to provide with your registration form, a stamped, self-addressed envelope (appropriate to the size of the portfolio submitted) for your portfolio to be returned. Portfolio materials will only be returned to applicants that provide the envelope.
**Interview locations and dates**
Following the submission applicants will be shortlisted. QUT will be conducting interviews in November 2012 at the QUT Kelvin Grove campus. Should you be shortlisted you will be notified via email. Only submissions that include all the above stated requirements will be processed.

**Who do I contact for more information?**
Please contact the Creative Industries Faculty by:

Phone: (07) 3138 8114 and press option 3

Email: ci.additionalentry@qut.edu.au

Bachelor of Business/Bachelor of Fine Arts (Visual Arts)

Domestic Entry requirements
2013 registrations have closed
Registrations for the 2013 intake were due on the extended closing date of 12 October 2012 and are now closed. If you had not registered and you are considering applying to study in 2014 we recommend you read the following information as a guide only as it details requirements for entry in 2013 and these may change prior to the 2014 intake.

Prerequisites
Successful portfolio and interview

Closing date extension
Register online and submit your portfolio and additional supporting documentation with QUT by the extended closing date of Friday, 12 October 2012.

Additional entry requirements
In addition to applying through QTAC and you must also before the closing date:
1. Complete the Online Registration Form and print the confirmation page.
2. Post or deliver the following documentation to the Creative Industries Faculty:
   - Online registration confirmation page
   - A current passport sized photograph
   - A copy of your most recent school report and/or results of previous tertiary studies
   - A copy of the QUTpay confirmation page from your online credit card payment for the $33 service charge
   - Portfolio

Note: Registering plus submitting your portfolio and supporting documentation with QUT is separate and in addition to listing the course as a preference with QTAC. To successfully apply for entry into this course you are required to do both. The portfolio and interview process is managed by Creative Industries Faculty; however, all offers for the course will be made through QTAC in December.

Frequently asked questions
What should my portfolio include?
Your portfolio should include a maximum of 20 pages of images that best demonstrate your current art achievements, working processes, commitment and potential. Consider the "qualities" we look for (listed below) when compiling your portfolio. It may contain photographs, slides, photocopies of sketches and journal pages (showing your planning and preparation for a project), printed digital images and/or short video excerpts (no more than 2 minutes each). For a paper-based portfolio, keep pages to a maximum of A4 size and do not include large folders. If you are including CD/DVD/uploaded images, the preferred format is either as a 'PowerPoint' or .jpg files. We prefer video that can be opened in 'QuickTime' and only samples of work are required. To ensure we will be able to open and view any digital media files, keep the file size to a minimum (i.e. under 5MB).

Please note: We do not return portfolios, so do not include any original copies of your work or documentation.

What qualities are QUT Creative Industries looking for?
- Overall, we seek indications of your ability to think creatively, to be open to new ideas and challenges, and of your potential to succeed in the course.
- We look for evidence of versatility, skill, enterprise, inventiveness and knowledge of contemporary art and culture/s. We are also looking for candidates who bring a wide range of interests and enthusiasms to their study area (e.g. film, literature, music, digital culture, etc.).
Interview locations and dates
If shortlisted you will be contacted and interviewed during November. If you are called, you are not required to bring anything with you to this interview, but you should be prepared to respond to questions about your artwork and your future goals. Interviews are designed to further assess your suitability for the style of Visual Arts course that we offer and will also present an opportunity for you to ask any questions you may have about the course. Interviews will occur at the QUT Kelvin Grove campus.

Who do I contact for more information?
Please contact the Creative Industries Faculty by:

Phone: (07) 3138 8114 and press option 4

Email: ci.additionalentry@qut.edu.au

- English

We assume that you have knowledge equivalent to four semesters at high school level (Years 11 and 12) with sound achievement (4, SA). Accountancy, Finance, Economics and Marketing majors also requires 4 SA in Maths A, B or C.

International Entry requirements

Prerequisites
Successful portfolio and interview
Minimum completion of schooling comparable to Australian year 12

Closing date
There are no closing dates for international applicants. We encourage you to apply as soon as you decide on the course you wish to study, to help you with visa requirements.

Additional entry requirements
Please send the following documents along with your F Form to QUT. You may post or e-mail your application.
- All documents requested on the F form
- Current passport sized photograph
- Portfolio

Please send copies only – documents will not be returned.

What should I include in my portfolio?
Maximum of 20 images that best demonstrate current art achievements, working processes, commitment and potential.

It may contain photographs, slides, photocopies of sketches and journal pages, printed digital images and/or short video excerpts (no more than 2 minutes each).

Responses to a series of four questions about your interest in visual art. Your responses to these questions are important - please answer them as specifically, carefully and informatively as possible:

1. What attracts you to a course of study in Visual Arts?
2. Describe briefly what contact you have had with works of other artists (exhibitions, galleries you have visited, books/articles/reviews you have read, etc).
3. Summarise the types of visual arts activities in which you have participated (for example group exhibitions, solo exhibitions, commissions, awards, membership of art associations etc).
4. Describe aspects of art that you respond to, both positively and negatively.

What qualities are QUT Creative Industries looking for?

- Overall, we seek indications of your ability to think creatively, to be open to new ideas and challenges, and of your potential to succeed in the course.
- We look for evidence of versatility, skill, enterprise, inventiveness and knowledge of contemporary art and culture/s. We are also looking for candidates who bring a wide range of interests and enthusiasms to their study area (e.g. film, literature, music, digital culture, etc.).

- We look at your artistic achievement - the level of investigation and familiarity with particular media, the development of ideas and sensitivity in handling media, evidence of industry, hard work, sustained practice and familiarity with visual media.
- We look for the degree of exploration of ideas and evidence of the development of ideas. Some carefully selected key documentation of preliminary plans, working sketches, journals and work in progress help us in this regard.
- We also look for evidence of artwork that is totally self-initiated (i.e. not necessarily part of a set study program) and an indication that you are determined to pursue art interests in a range of circumstances.

Interview locations and dates
If shortlisted, you will be contacted and interviewed during November 2012 at the QUT Kelvin Grove Campus. If you are unable to attend an interview in person, a telephone interview will be scheduled.

Please refer to the relevant pages in this prospectus for details on the Bachelor of Mathematics and the QUT Business School prospectus for more information on business majors or visit www.qut.edu.au/study

## Course Design

Students are required to complete 384 credit points comprised of 192 credit points from the Bachelor of Mathematics program and 192 credit points from the Bachelor of Business program.

### Business component:

- Commencing students from 2009 onwards
  - 6 Business School Core units (96 credit points) including MGB223 (see below)*
  - 8 Major Core units (96 credit points)

### 2007-2008 commencing students

- 7 Business School Core units (84 credit points)
  - 9 Major Core units (108 credit points)

*Please note that BSB123 Data Analysis (one of the Business School Core Units) is not required as the content of MAB313 Mathematics of Finance covers similar topics. MGB223 Entrepreneurship and Innovation replaces BSB123.

**Accounting major students complete 6 Business Core Units and 10 Accountancy major units to allow them to complete professional requirements.

* Please note that EFB101 Data Analysis for Business which is normally undertaken in the Majors of Accountancy, Banking & Finance and Economics, is not required as the content will be covered in the statistics units from the mathematics component of the program.

### Important Information for Business Students

Professional recognition

The Bachelor of Behavioural Science (Psychology) component of the degree is accredited by the Australian Psychology Accreditation Council (APAC).

To pursue a career in a professional area of psychology, you must be registered with the Psychology Board of Australia. This currently involves completing a fourth year of study in psychology, e.g. Bachelor of Behavioural Science (Honours Psychology) or Postgraduate Diploma in Psychology, followed by either two years of supervised work experience or the completion of an appropriate higher degree such as Doctor of Psychology (Clinical), Master of Clinical Psychology or Master of Psychology (Educational and Developmental).

Business component: Business component: Students may be eligible for membership to a number of professional bodies depending on choice of major and unit selection. Details on professional recognition can be found under the individual majors of the Bachelor of Business (BS05).

Course Design

Students are required to complete 384 credit points comprised of 192 credit points from the Bachelor of Behavioural Science (Psychology) program and 192 credit points from the Bachelor of Business.

The course structure for the Bachelor of Behavioural Science component of the double degree comprises the main APAC-accredited psychology core program of 12 units as well as 4 psychology electives. The psychology core allows the student to complete a 3-year APAC-accredited psychology sequence across 4 years of study. On completion of the double degree program, a student then has the option to apply for entry to a Bachelor of Behavioural Science (Honours Psychology) or the Postgraduate Diploma in Psychology, in order to gain provisional registration as a psychologist.

The Business major can be selected from all majors offered within the BS05 Bachelor of Business. The Bachelor of Business component consists of eight core units; and an additional eight discipline-specific units from within the chosen major, offered at Gardens Point. Students choosing the Management or Marketing majors may undertake units at Kelvin Grove.

Professional recognition

Please note that the Business School Core Unit MGB223 Data Analysis is not required as the Psychology content covers similar topics. MGB223 Entrepreneurship and Innovation replaces this unit.

Bachelor of Business (Honours) Year Option

Students can apply for Bachelor of Business (Honours) (BS63) once they have completed the double degree program. Please click on BS63 for more details.

Important Information for Business Students

QUT Business School rules and procedures are outlined in the Business Undergraduate Guidelines booklet. Other useful information can be found on QUT Business Student Services bus@qut.edu.au.

### Pathways to Further Studies

In 2001, an accelerated Honours program was introduced to increase the number of Bachelor of Information Technology students continuing their studies to complete the Honours year. The program allowed selected high achieving students the opportunity to undertake one postgraduate unit in the final semester of their a BIT degree (or double degree) which would be counted both for completion of the degree and towards the Honours program. The program also provided students with the opportunity to commence their Honours studies over the Summer Semester.

An alternative to the Honours program is the Master of Information Technology (Research). Students who complete a BIT degree (or double degree) with a grade point average equal to, or greater than 5 (7 point scale) and who have decided against enrolling in an Honours program, could undertake this course. In addition, students may wish to enrol in the re-designed postgraduate coursework Masters which has ten specialisations allowing students to either extend their area of interest or specialise in other areas at the Masters level.

Business: For BS63 Bachelor of Business (Honours) please click [BS63](#) for details.

### Cooperative Education

The Science and Engineering Faculty's Cooperative Education Program gives you the opportunity of 10-12 months paid industry placement during your course where you can integrate real experience with what you’re learning in your degree. Companies that QUT’s Coop Ed students have worked with include Energex, Boeing, CITEC, CSC Mining, Environmental Protection Agency, Dialog, UNITAB, RACQ and many Queensland Government departments. The Coop Ed Program is available to Australian citizens and permanent residents only.

Overview
This course offers you a range of options in combining business knowledge with practical skills and a contextual understanding of media and communication.

This combination of media and communication with a business major in advertising, marketing or public relations provides proven professional outcomes in media sales, media marketing and promotions, and in media planning/buying for advertising agencies. You will also develop the entrepreneurial and business skills necessary to sell your abilities to a range of employers, or start your own creative enterprise. Please refer to the QUT Business School prospectus to find out more about the business majors.

Career Outcomes
Graduates use their skills for a variety of professional functions across all industry sectors. Many work in marketing communications, public relations or corporate communications. Others apply their broad media knowledge in the media function of advertising, either as sales executives for media outlets or as media planners and buyers for advertising agencies.

Careers exist in audience and market research, collating and analysing audience data to help media outlets better understand who their audiences are and how they are interacting with their product. Graduates also find employment in media policy development in the public sector and private enterprise. Pathways exist to prepare you for further study including honours.

If you wish to use your business knowledge more in your career, you could gain employment in arts administration—marketing, managing or balancing the books for creative projects and businesses.

Course design
Students are required to complete 528 credit points, comprised of 192 credit points for the Bachelor of Business program and 336 credit points for the Bachelor of Laws program.

Business students will complete 96 credit points (16 units) consisting of eight Business School Core Units and an eight unit major. As the content of BSB111 Business Law and Ethics overlaps with the Bachelor of Laws, it has been replaced by MGB223 Entrepreneurship and Innovation.

Students must choose a major from:
- Accountancy
- Advertising
- Economics
- Finance
- Human Resource Management
- International Business
- Management
- Marketing
- Public Relations

For professional recognition, the Accountancy structure differs from the normal structure. Accountancy students will complete seven Business School Core Units and complete a nine unit major.

Professional recognition
The QUT Bachelor of Laws course is an approved degree for the purposes of the Legal Practitioners Admission Rules. Accordingly, it enables graduates to satisfy the academic requirements for admission to practise as a solicitor and/or barrister in all Australian states and territories. The QUT LLB degree qualification is also recognised for admission purposes in West and East Malaysia, Fiji and Papua New Guinea.

Business component: Students may be eligible for membership to a number of professional bodies depending on choice of major and unit selection. Details on professional recognition can be found under the individual majors of the Bachelor of Business (BS05).

Advanced standing
You may wish to apply for advanced standing (also known as credit or exemption) for former completed studies and other assessable learning outcomes. See more at Advanced Standing

Deferment
Domestic students can defer their offer in this course for one year. In exceptional circumstances up to 12 months of additional deferment may be granted.

Find out more on deferment.

Law School Electives Information
Students who are enrolled in LW34 (straight law undergraduate entry) are required to undertake two contextual electives in the first year of their degree (one in each semester). Contextual electives may also be undertaken by any student as an ordinary elective within their degree. The contextual electives are:
- LWB142 Law Society and Justice
- LWB144 Law and Global Perspectives
- LWB149 Indigenous Legal Issues
- LWB150 Lawyering and Dispute Resolution.

Students who are enrolled in any of the
law double degrees commence their law electives in the second semester of their second year.

Students who are enrolled in LW35 (Graduate Entry) commence their law electives in first semester of their second year.

Law students other than Graduate Entry students can undertake 4 non-law units as electives within their law degree. Students may be particularly interested in elective options within the School of Justice which relate to human rights and criminal justice.

### Important Information for Business Students

QUT Business School rules and procedures are outlined in the Business Undergraduate Guidelines booklet. Other useful information can be found on the Student Services website.

### Graduate Destination Streams

The Faculty of Law has identified graduate destination streams for students undertaking a law or law double degree. This means that, as students learn more throughout their degree, they can choose their elective units in the areas of law in which they become interested. Students are not restricted to choose electives from a single stream; the streams are only to provide guidance to students in making their elective choices.

- Legal Practice
- General Legal Practice (work as a lawyer across a wide range of different legal areas)
- Specialist Legal Practice (work as a lawyer specialising in a particular area of the law, such as property law, family law or corporate law)
- Advocacy and Dispute Resolution (acting for clients in court or resolving disputes through negotiation and mediation processes)
- Public Sector (work as a lawyer in a government department)
- Private Enterprise (for those students not wanting to practise as a lawyer, but perhaps work within business management, human resources, information technology etc)

As students progress towards the end of their degrees there are more opportunities to participate in subjects where they engage in ‘real world learning’, for example, working within law firms and government departments in placement electives.

Course design
To complete the Bachelor of Business (Dean's Honours), a student must successfully complete all parts listed below:

(a) Eight Business School Core units (96 credit points)
(b) One block of eight Major Core units (Study Area A) (96 credit points)
(c) One Minor of 4 units selected from a University-Wide unit set or a Business School Core units (48 credit points)
(d) Four prescribed Option units undertaken during the Summer semester (48 credit points)

Students should note that not all minors are timetabled in every year or semester. Hence, due to the accelerated structure of the course, it is important you confirm that the minors you are interested in will be available.

Students will study five units (60 credit points) in each of the major semesters and an additional two units (24 credit points) in the Summer semesters.

Students who graduate from the Bachelor of Business with a GPA of 5.5 or higher will be eligible to enrol in the Bachelor of Business (Honours) (BS63).

Students who commence in 2013 will not complete the accelerated program of study. For further information contact your discipline school.

Study areas
Study areas for this course are Accounting, Advertising, Economics, Finance, International Business, Human Resource Management, Management, Marketing, and Public Relations.

Special Course Requirements
Minimum GPA: It is expected that students maintain a minimum GPA of 5.5. If a student does not maintain a GPA of 5.5 it will be recommended that they return to the standard program, Bachelor of Business (BS05). A GPA of 5.5 is required for entry to the Bachelor of Business (Honours) (BS63) program.

Breaks in Study: Students wishing to apply for a break in study should contact the Director of Undergraduate Studies to determine if there is an impact to their scholarship.

Course progression: Students are expected to follow the course structure. Students wishing to deviate from the recommended course structure should contact the Director of Undergraduate Studies to determine if there is an impact to their scholarship.

Advanced standing (credit)
Advanced standing or credit for previous study is not permitted (with the exception of START QUT).
Professional recognition
Students may be eligible for membership to a number of professional bodies depending on choice of major and unit selection. See each course major for details.

Course design
Students must complete four coursework units (48 credit points) and a dissertation (48 credit points) as per the programs of study described under the individual majors.

Unit requisite requirements are deemed to have been satisfied upon admission to this course. Where option (elective) units may be undertaken, students should check requisite requirements in the unit synopsis section of the QUT Handbook and obtain approval from the Subject Area Coordinator prior to enrolment.

Grades are awarded for each of the individual coursework units. The dissertation, which is currently given the weight of four units, is also graded. The degree is awarded at a certain level ranging from first class to third class Honours.

Important course specific enrolment advice
The Business School will provide students with up to $600 for approved research related expenses associated with the preparation of a thesis under the Business School's Postgraduate Research Student Support Scheme. Schools may also provide additional funding assistance and/or opportunities for paid research assistant or tutoring work.

To obtain further information about the policies and procedures relating to this course, please refer to the Business Postgraduate Guidelines.

Other useful information can be found on the Student Services website.

**Domestic Entry requirements**
Domestic students: A completed Bachelor or course work Masters degree that includes a major in the area of intended study or a qualification deemed equivalent. Students must have achieved a grade-point average (GPA) of 5.5 or better on a 7-point scale in the relevant degree or other qualifications and experience which is considered by the Executive Dean, QUT Business School to qualify for admission.

Applicants are required to nominate a supervisor and topic before submitting a formal application. Normally applications will be successful only if a supervisor and topic are well matched. The Business School does not guarantee supervision capacity for all topics. Applicants should ensure that there is a genuine fit with the potential supervisor’s research interests by looking at the interests of the researchers within the relevant school as stated on the Business School website. The Research Coordinator within each school can also assist with this process.

To assist applicants to find an appropriate supervisor, applicants should:
1. Identify supervisor’s research interests by looking at the interests of the researchers as described on the Business School website;
2. Contact the HDR Admissions Officer within the QUT Business School. This contact should include a transcript of academic records, the topic area which they wish to study, the school in which they wish to undertake their research, and if known, the name of a potential supervisor. The information will be passed onto the nominated school or supervisor.

Domestic Entry requirements

Domestic Students: A completed Bachelor or course work Masters degree that includes a major in the area of intended study or a qualification deemed equivalent. Students must have achieved a grade-point average (GPA) of 5.5 or better on a 7-point scale in the relevant degree or other Business School to qualify for admission.

Applicants are required to nominate a supervisor and topic before submitting a formal application. Normally applications will be successful only if a supervisor and topic are well matched. The Business School does not guarantee supervision capacity for all topics. Applicants should ensure that there is a genuine fit with the potential supervisor’s research interests by looking at the interests of the researchers within the relevant school as stated on the Business School website. The Research Coordinator within each school can also assist with this process.

To assist applicants to find an appropriate supervisor, applicants should:
1. Identify supervisor’s research interests by looking at the interests of the researchers as described on the Business School website;
2. Contact the HDR Admissions Officer within the QUT Business School. This contact should include a transcript of academic records, the topic area which they wish to study, the school in which they wish to undertake their research, and if known, the name of a potential supervisor. The information will be passed onto the nominated school or supervisor.

Minimum english requirements
Students must meet the English proficiency requirements.

Articulation
As students undertaking the Graduate Certificate in Business (Interdisciplinary) may select a combination of units that may not all relate to one discipline, it is not possible to recommend an articulation pathway.

Domestic Course structure
Students are required to complete 4 units (48 credit points). The course can be undertaken either full-time (1 semester) or part-time (2 semesters).

There are no recommended units for the Graduate Certificate in Business (Interdisciplinary), however, students must choose postgraduate units offered by the Business School of Business, excluding the MBA program and external units prefixed "AMN". Requests to undertake units from other Faculties will be assessed on a case by case basis, although to award the Graduate Certificate in "Business" it would be expected that at least three of the four units be taken from business studies.

International Course structure
Students are required to complete 4 units (48 credit points).

Overview
The specialisations you can choose in the Graduate Certificate in Business offer a targeted group of units to broaden your knowledge in your selected business discipline.

The Graduate Certificate in Business is an excellent re-introduction to tertiary learning and an opportunity to update skills or, as one-third of the Master of Business program, a pathway to higher level study.

Course design
The Graduate Certificate in Business is effectively one-third of the Master of Business program. Graduate Certificate in Business (Accounting/insert major here) students will undertake 48 specified credit points (4 units) in their chosen discipline.

This course can be undertaken either full-time (1 Semester) or part-time (2 Semesters).

Entry requirements (domestic and international students)
For all specialisations the entry requirements are an undergraduate degree or equivalent in any field, with an overall minimum GPA of 4.0 (on a 7-point scale). However, students entering the Accounting specialisation with an undergraduate degree in Accountancy must be referred to the School of Accountancy (accadmin@qut.edu.au) for enrolment advice.

**Domestic Entry requirements**
To be considered for admission, applicants must:
- demonstrate proficiency in the English language
- hold a Bachelor degree in any field from a recognised university with a minimum grade point average (GPA) of 4.5 on QUT’s 7-point scale
- have a GMAT score of at least 550
- have a minimum three years full-time equivalent relevant managerial or professional work experience post-degree
- provide two referee reports on proforma.

**Prior academic achievement**
Prior academic study at the Bachelor level can be in any field at any recognised tertiary institution. Original or certified copies of academic transcripts that show date of completion or conferral of degree(s) and a Grade Point Average (GPA) must be provided. Not all undergraduate degrees from overseas institutions are assessed as being equivalent to Australian bachelor degrees. Applicants who have not completed a recognised bachelor degree, including the three-year diploma in China, will be considered for admission into the Graduate Certificate in Business Administration based on their Graduate Management Admission Test (GMAT) score, prior work experience and referee reports.

**Graduate Management Admission Test (GMAT)**
As applicants may come from a range of fields and their work experience may be diverse, a management aptitude test score is a useful indicator of an applicant's ability to meet the program's academic requirements. All applicants are required to undertake the GMAT. There will be no exemptions based on prior education or experience. GMAT test scores are valid for five years.

If you have already undertaken the GMAT QUT needs to see a certified copy of your Test Takers Score. If you are planning to take the GMAT, please have the results sent directly to QUT (our identification number is 1677).

**Work experience**
Relevant work experience indicates applicants will be able to contribute to class discussion. A minimum of three years full-time equivalent professional or managerial work experience is required after the completion of an undergraduate degree. To enable us to assess your work experience, a current curriculum vitae providing details of your roles, responsibilities and achievements is required.

**Referee reports**
All applicants must obtain two referee reports on the referee proforma. At least one referee report should be from your current employer. The referees may choose to send the recommendations directly to QUT (fax, email and postal addresses are provided on the proforma).

**International Entry requirements**
To be considered for admission, applicants must:
- demonstrate proficiency in the English language

Course design

Students must complete two MBA foundation core units, and select a further 36 credit points from MBA core units. Please note that there are pre-requisite requirements for one of the core units.

This course is designed to prepare students for transition to the MBA program. However the Graduate Certificate structure, as a stand alone qualification, is designed to update skills and acquire in-depth knowledge in the core discipline areas of business.

Advanced standing

Advanced standing may be granted only if the course units for which the advanced standing is sought have been completed in the last five years from an accredited business school or university (eg AACSB, EQUIS, AMBA). Advanced standing may also be granted at the discretion of the Graduate Studies Director under the following criteria:

1. The business school or university is highly ranked by an international publication or agency.
2. There is a pre-existing exchange/cross-institutional agreement.
3. The applicant is considered to be in the top third of his/her class cohort or has a GPA of 5.75 or more on a 7-point scale.

English language requirements

In addition to the above academic entry requirements, standard English language requirements apply. See the details for ‘all degrees’ at: http://www.qut.edu.au/study/applying/english-language-requirements.jsp

### PhD Pathway for International Students
International students who may receive home sponsorship on the basis of a conditional PhD offer should contact the QUT Business School to discuss the possibility of a study offer that packages BS69 with the PhD prior to submitting a formal application. Conditions apply to such an offer. All other students should enrol initially in the BS69 to undertake the academic prerequisite training for potential entry to the PhD program.

### Course Availability
Mid-year Entry: Students should contact the Research Discipline Coordinator for enrolment advice and course progression details. The majors in Finance, Economics, and Philanthropy and Nonprofit Studies are not available for mid-year entry due to unit availability. Mid-year entry to any major cannot be guaranteed and is subject to supervisor and unit availability.

Part-time Study: Students should contact the Research Discipline Coordinator for enrolment advice and course progression details. Part time study in any major cannot be guaranteed and is subject to unit availability. The majors in Finance, Economics, and Philanthropy and Nonprofit Studies are not available for part-time study due to unit availability.

### Course Design
Students must complete four coursework units (48 credit points) and a dissertation (48 credit points) as per the programs of study described under the individual majors.

Unit prerequisite requirements are deemed to have been satisfied upon admission to this course. Where elective units may be undertaken, students should check prerequisite requirements in the unit synopsis section of the QUT Handbook and obtain approval from the Subject Area Coordinator prior to enrolment.

Grades are awarded for each of the individual coursework units. The thesis, which is currently given the weight of four units, is also graded.

### Important Course Specific Enrolment Advice
This course is a PhD qualifying course, and applicants are assessed as to their potential suitability for undertaking a PhD on the completion of BS69. Prior to enrolment in BS69, a supervisor and dissertation topic must be allocated. Contact with the supervisor prior to applying for entry is essential.

To obtain further information about the policies and procedures relating to this course, please refer to the Business School Postgraduate Guidelines.

Other useful information can be found on the Student Services website.

Domestic Entry requirements

Entry Requirements

A completed Bachelor or course work Masters degree that includes a major in the area of intended study or a qualification deemed equivalent. Students must have achieved a grade-point average (GPA) of 5.5 or better on a 7-point scale in the relevant degree or possess other qualifications and experience which is considered by the Executive Dean, QUT Business School to qualify for admission.

Applicants are required to nominate a supervisor and topic before submitting a formal application. Normally applications will be successful only if a supervisor and topic are well matched. The faculty does not guarantee supervision capacity for all topics. Applicants should ensure that there is a genuine fit with the potential supervisor’s research interests by looking at the interests of the researchers within the relevant school as stated on the Business School website. The Research Coordinator within each school can also assist with this process.

To assist applicants to find an appropriate supervisor, applicants should:

1. Identify supervisor’s research interests by looking at the interests of the researchers as described on the QUT Business School website;
2. Complete the Expression of Interest to Apply for a Research Degree form, and email this to the QUT Business School HDR Admissions Officer. This contact should include a transcript of academic records, the topic area which they wish to undertake their research, and if known, the name of a potential supervisor. The HDR Admissions Officer may ask for further information to assist with your enquiry. The information will be passed onto the nominated school or supervisor.

International students who may receive home sponsorship on the basis of a conditional PhD offer should contact the QUT Business School to discuss the possibility of a study offer that packages BS69 with the PhD prior to submitting a formal application. Graduate Diploma in Business (Research) (Economics)

Domestic Entry requirements
Entry Requirements
A completed Bachelor or course work Masters degree that includes a major in the area of intended study or a qualification deemed equivalent. Students must have achieved a grade-point average (GPA) of 5.5 or better on a 7-point scale in the relevant degree or possess other qualifications and experience which is considered by the Executive Dean, QUT Business School to qualify for admission.

Applicants are required to nominate a supervisor and topic before submitting a formal application. Normally applications will be successful only if a supervisor and topic are well matched. The faculty does not guarantee supervision capacity for all topics. Applicants should ensure that there is a genuine fit with the potential supervisor’s research interests by looking at the interests of the researchers within the relevant school as stated on the Business School website. The Research Discipline Coordinator within each school can also assist with this process.

To assist applicants to find an appropriate supervisor, applicants should:
1. Identify supervisor’s research interests by looking at the interests of the researchers as described on the Business School website;
2. Complete the Expression of Interest to Apply for a Research Degree form, and email this to the QUT Business School HDR Admissions Officer. This contact should include a transcript of academic records, the topic area which they wish to study, the school in which they wish to undertake their research, and if known, the name of a potential supervisor. The HDR Admissions Officer may ask for further information to assist with your enquiry. The information will be passed onto the nominated school or supervisor.

International students who may receive home sponsorship on the basis of a conditional PhD offer should contact the QUT Business School to discuss the possibility of a study offer that packages BS69 with the PhD prior to submitting a formal application. Conditions apply to such an offer. All other students should enrol initially in the BS69 to undertake the academic prerequisite training for potential entry to the PhD program.

While enrolled in part one of the Dissertation (BSN501-1) students are required to present a seminar detailing their research proposal.
Domestic Entry requirements

Entry Requirements

A completed Bachelor or course work Masters degree that includes a major in the area of intended study or a qualification deemed equivalent. Students must have achieved a grade-point average (GPA) of 5.5 or better on a 7-point scale in the relevant degree or possess other qualifications and experience which is considered by the Executive Dean, QUT Business School to qualify for admission.

Applicants are required to nominate a supervisor and topic before submitting a formal application. Normally applications will be successful only if a supervisor and topic are well matched. The faculty does not guarantee supervision capacity for all topics. Applicants should ensure that there is a genuine fit with the potential supervisor’s research interests by looking at the interests of the researchers within the relevant school as stated on the Business School website. The Research Coordinator within each school can also assist with this process.

To assist applicants to find an appropriate supervisor, applicants should:
1. Identify supervisor’s research interests by looking at the interests of the researchers as described on the QUT Business School website;
2. Complete the Expression of Interest to Apply for a Research Degree form, and email this to the QUT Business School HDR Admissions Officer. This contact should include a transcript of academic records, the topic area which they wish to study, the school in which they wish to undertake their research, and if known, the name of a potential supervisor. The HDR Admissions Officer may ask for further information to assist with your enquiry. The information will be passed onto the nominated school or supervisor.

International students who may receive home sponsorship on the basis of a conditional PhD offer should contact the QUT Business School to discuss the possibility of a study offer that packages BS69 with the PhD prior to submitting a formal application. Conditions apply to such an offer. All other students should enrol initially in the BS69 to undertake the academic prerequisite training for potential entry to the PhD program.

Entry Requirements

A completed Bachelor or course work Masters degree that includes a major in the area of intended study or a qualification deemed equivalent. Students must have achieved a grade-point average (GPA) of 5.5 or better on a 7-point scale in the relevant degree or possess other qualifications and experience which is considered by the Executive Dean, QUT Business School to qualify for admission.

Applications are required to nominate a supervisor and topic before submitting a formal application. Normally applications will be successful only if a supervisor and topic are well matched. The faculty does not guarantee supervision capacity for all topics. Applicants should ensure that there is a genuine fit with the potential supervisor’s research interests by looking at the interests of the researchers within the relevant school as stated on the Business School website. The Research Coordinator within each school can also assist with this process.

To assist applicants to find an appropriate supervisor, applicants should:

1. Identify supervisor’s research interests by looking at the interests of the researchers as described on the QUT Business School website;
2. Complete the Expression of Interest to Apply for a Research Degree form, and email this to the QUT Business School HDR Admissions Officer. This contact should include a transcript of academic records, the topic area which they wish to study, the school in which they wish to undertake their research, and if known, the name of a potential supervisor. The HDR Admissions Officer may ask for further information to assist with your enquiry. The information will be passed onto the nominated school or supervisor.

International students who may receive home sponsorship on the basis of a conditional PhD offer should contact the QUT Business School to discuss the possibility of a study offer that packages BS69 with the PhD prior to submitting a formal application. Conditions apply to such an offer. All other students should enrol initially in the BS69 to undertake the academic prerequisite training for potential entry to the PhD program.

### Overview
The Graduate Diploma of Business (Professional Accounting) provides students with a solid core in accounting studies and ensures that graduates meet the academic requirements of the Australian professional accounting bodies. This program will be fully nested within the BS16 and BS17 programs and, consequently, requires that students achieve the learning outcomes designed for the Master of Business suite.

If you are looking to change your career direction or enhance your career options, accountancy is a dynamic profession that will provide you with a sustainable, challenging and diverse range of career paths. Professional accountants are in increasing demand nationally and internationally by organisations throughout the commercial, public and not-for-profit sectors. Accountants can work in commerce and industry, in public or chartered accounting firms, in government organisations or as individual practitioners.

Discipline units focus on financial and management accounting requirements, specialised applications in company accounting, audit and assurance, tax and company regulation. Core concepts and knowledge, problem-solving skills and critical and analytical thinking are developed throughout the entire course.

### Course Design
Due to professional recognition requirements students must follow the prescribed course structure. Any enquiries regarding course progression can be directed to the School of Accountancy.

### Professional Recognition
Graduates meet the academic component of requirements for membership of CPA Australia and the Institute of Chartered Accountants in Australia, and enrolment in their respective professional programs. Graduates are also eligible for exemptions in the qualifying program for membership of the Association of Chartered Certified Accountants.

### External Study
The external version of this course is only available to domestic students.

### Further Information
If you have any further questions regarding this course please contact the QUT Business School Student Services Office by phone on (07) 3138 2050, via email on bus@qut.com or in person at Level 1, B Block, Gardens Point campus

Why choose this course?
Rules, regulations, government policy and the diversity of cultures and consumer needs and preferences all impact on how companies do business across borders.

International business skills are in high demand. These skills incorporate ethics, sensitivity and responsiveness to local cultures in new and diverse markets, while at the same time providing the planning, decision-making and strategic management these highly competitive operations need.

Pathways programs
Pathways units are designed for academically qualified students who do not meet the language requirements.

The Postgraduate Business Pathway program allows international students who have obtained IELTS 6.0 with no sub-band lower than 5.0 to enter some majors of the Master of Business (BS16) and Master of Business Advanced (BS17) on the condition they undertake two Communication units (QCD111 and QCD211) in the first semester of their postgraduate business course. This option is applicable to following Majors: Strategic Advertising, Applied Finance, Integrated Marketing Communication, International Business, Marketing and Public Relations.

Course design
Students are required to complete 12 units (144 credit points). Please refer to the course structures for information on specific unit requirements.

**Early Exit**  
Students may exit from the Master of Business (BS16) at the following stages, once those particular course requirements have been met:

- Graduate Diploma of Business (BS79)  
  (Study Area A)
- Graduate Certificate in Business (BS39)  
  (Study Area A)

Students seeking to exit early from the Master of Business course and graduate with an approved exit course should lodge an application during the teaching period in which they expect to complete their studies. Completion of 96 credit point units, where a minimum of 72 credit points are within the same discipline area, and as approved by the Subject Area Coordinator, is required for completion of the Graduate Diploma course.

Due to professional recognition requirements, students exiting from the Master of Business (Professional Accounting) major must complete all of the units in the Graduate Diploma in Business (Professional Accounting) course.

Early exit from the Master of Business course should only be used for students whose circumstances restrict them from completing the original award course. This process is not designed to allow students to obtain multiple qualifications. Students who are approved to early exit from the Master of Business course will not normally be permitted to continue their enrolment in the original award course for a period of 2 years.

**Pathways Program**

- overall 6.5

Why choose this course?
Postgraduate study in public relations is designed for practitioners to sharpen or further their skills, or those seeking a career change to this field. The major is designed as a systematic and comprehensive survey of the discipline of public relations. It provides an overview of the foundations of public relations theory and practice, problems and opportunities in communicating with the corporate audience, theories underpinning public opinion and mass media effects, mass media strategy and tactics, and a systematic exploration of the planning, management and evaluation of public relations campaigns.

Course design
Students are required to complete 144 credit points of units. Please refer to the course structures for information on specific unit requirements.

Overview
In today's rapidly changing business environment, Human Resource Management (HRM) professionals are confronted with the challenges of developing organisational and workforce capability. HRM expertise is also increasingly required by line managers, who now take a more active role in the development and management of their team members.

The Human Resource Management program is designed to increase the skills of both specialists and line managers and meet the individual learning goals and career aspirations of each student. The program provides flexibility for the busy professional to complete the degree part-time, focusing on real-world work issues of personal relevance. HRM professionals will develop a broader view of the nature of business, and the relationship between how people are managed and the organisation's performance in the global context of business.

Those who are undertaking HRM activities but have a background in other professional fields will gain the enhanced people management skills they require. The major also suits the needs of graduates who wish to move into the HRM profession.

The Master of Business - Advanced allows you to further your knowledge with the selection of four approved postgraduate option (elective) units or a 48 credit point research dissertation (conditions apply).

Course design
Students must undertake 192 credit points consisting of 144 credit points of prescribed units and 48 credit points of approved option (elective) units.

To ensure that the program builds on prior academic and work experience, each participant in the HRM major receives an individualised study plan. Participants are therefore required to consult with the HRM coordinator regarding development of their study plan. Any subsequent changes to the approved program will require coordinator approval. Failure to obtain approval may affect a student's course progression and impact on their eligibility to graduate.

Students who have completed an undergraduate degree in a Business related or other cognate degree directly related to the discipline area within the previous five years, may be eligible for exemptions up to a maximum of 48 credit points. For further information on exemptions, please refer to the Master of Business Advanced title page.

Some applicants may require unit substitution where they have studied the equivalent of some introductory units in their undergraduate qualification. Choice of unit substitution is subject to approval by the Subject Area Coordinator.

Early Exit
Information on early exit options may be found on the Master of Business-Advanced title page.

Abbreviation
MBusAdv(HRM)

Career outcomes
The program prepares graduates for careers in generalist or specialist human resource professional roles. Generalist positions include human resources assistant, officer, manager or director and these may be located in corporate and private firms as well as public institutions. Specialist positions may include those involved with employment relations, recruitment and placement consulting, training and development specialists, management and executive coaching, as well as consulting careers.

Domestic Course structure
Unit selection
You should consult with the subject area coordinator for advice on units depending on your prior study.

Example course units
- Consulting and Change Management
- Contemporary Issues in Human Resource Management
- Leadership and Executive Coaching
- Managing High-Performance Organisations
- Self Leadership
- Strategic Human Resource Development
- Strategic Human Resource Management
- Talent Management

Course design
Students must undertake 192 credit points consisting of 144 credit points of prescribed units and 48 credit points of approved option (elective) units.

To ensure that the program builds on prior academic and work experience, each participant in the HRM major receives an individualised study plan. Participants are therefore required to consult with the HRM coordinator regarding development of their study plan. Any subsequent changes to the approved program will require coordinator approval. Failure to obtain approval may affect a student’s course progression and impact on their eligibility to graduate.

Students who have completed an undergraduate degree in a Business related or other cognate degree directly related to the discipline area within the previous five years, may be eligible for exemptions up to a maximum of 48 credit points. For further information on exemptions, please refer to the Master of Business Advanced title page.

Some applicants may require unit substitution where they have studied the equivalent of some introductory units in their undergraduate qualification. Choice of unit substitution is subject to approval by the Subject Area Coordinator.

**Overview**
If you are interested in advertising, promotions or communications, you should consider an Integrated Marketing Communication (IMC) major. Studies in IMC will provide you with a systematic and comprehensive understanding of the theory and research integration of marketing communication.

The course focuses on refinement of analytical skills and knowledge required for decision making in the areas of advertising, marketing and public relations. IMC focuses on the strategic integration of the functions of public relations, advertising, promotion, direct marketing, and personal selling to achieve brand equity and increase the effectiveness of promotional communications with target audiences.

You will be equipped to confront the fragmentation of mass markets, the explosion of new technologies that give consumers more control over the communication process, the emergence of global markets, and rapid changes in economic conditions within which organisations operate.

The Master of Business - Advanced allows you to further your knowledge with the selection of four approved postgraduate option (elective) units.

Overview
Rules, regulations, government policy and the diversity of cultures and consumer needs and preferences all impact on how companies do business across borders.

International business skills are in high demand. These skills incorporate ethics, sensitivity and responsiveness to local cultures in new and diverse markets, while at the same time providing the planning, decision-making and strategic management these highly competitive operations need.

The international business environment is explored across a range of business disciplines, including accounting, finance, logistics, management and marketing.

The International Business program will give you the expertise and skills to succeed in organisations both in Australia and around the world, including multinational enterprises, smaller firms operating across borders, government agencies and consulting firms that serve international companies.

The Master of Business - Advanced allows you to further your knowledge with the selection of four approved postgraduate option (elective) units.

Course design
Students must undertake 192 credit points consisting of 144 credit points of prescribed units and 48 credit points of approved option (elective) units. Overview
Postgraduate study in public relations is designed for practitioners to sharpen or further their skills, or those seeking a career change to this field. The major is designed as a systematic and comprehensive survey of the discipline of public relations. It provides an overview of the foundations of public relations theory and practice, problems and opportunities in communicating with the corporate audience, theories underpinning public opinion and mass media effects, mass media strategy and tactics, and a systematic exploration of the planning, management and evaluation of public relations campaigns.

The Master of Business - Advanced allows you to further your knowledge with the selection of four approved postgraduate option (elective) units.

Course design
Students must undertake 192 credit points consisting of 144 credit points of prescribed units and 48 credit points of approved option (elective) units. Non-standardised course progression may result in unit selection difficulties. Students should contact the School of Advertising, Marketing and Public Relations for course progression advice.

Students who have completed an undergraduate degree in a Business related or other cognate degree directly related to the discipline area within the previous five years, may be eligible for exemptions up to a maximum of 48 credit points. For further information on exemptions, please refer to the Master of Business Advanced title page.

Some applicants may require unit substitution where they have studied the equivalent of some introductory units in their undergraduate qualification. Choice of unit substitution is subject to approval by the Subject Area Coordinator.

Overview
The Master of Business Advanced gives you the opportunity to extend the Master of Business with an additional 48 credit points usually comprised of either, a research dissertation, further coursework studies in your chosen major, or coursework studies in another business discipline, giving you the opportunity to tailor your studies to suit your interests and professional requirements. Under certain circumstances the Advanced program can also provide a pathway to doctoral-level studies in the PhD or DBA programs.

Course design
Students must undertake 192 credit points consisting of 144 credit points of prescribed units and 48 credit points of approved coursework or research option units to complete the Master of Business Advanced (BS17).

Students should follow the standard course progressions outlined in the discipline specific course structures otherwise difficulties with completing the requirements of the course may be encountered. Students should contact their discipline School for course progression advice if required.

Students who have completed an undergraduate degree in a Business related or other cognate degree directly related to the discipline area within the previous five years, may be eligible for exemptions up to a maximum of 48 credit points.

Approved exemptions will apply to introductory studies or elective components in the discipline area you are studying and are not available for specified advanced units. No exemptions will be granted for non-Business related degrees, even if some business subjects may have been completed as part of the course.

Some applicants may require unit substitution where they have studied the equivalent of some introductory units in their undergraduate qualification. Choice of unit substitution is subject to approval by the Subject Area Coordinator.

Early Exit Option
Students may exit from the Master of Business Advanced (BS17) at the following stages, once those particular course requirements have been met:

- Master of Business (BS16) (Study Area A)
- Graduate Diploma of Business (BS79) (Study Area A)
- Graduate Certificate in Business (BS39) (Study Area A)
Students seeking to exit early from the Master of Business Advanced course and graduate with an approved exit course should lodge an application during the teaching period in which they expect to complete their studies.

Early exit from the Master of Business course should only be used for students whose circumstances restrict them from completing the original award course. This process is not designed to allow students to obtain multiple qualifications. Students who are approved to early exit from the Master of Business course will not normally be permitted to continue their enrolment in the original award course for a period of 2 years.

Pathways programs
International students who do not meet language requirements can complete pathways units within selected majors.

The Postgraduate Business Pathway program allows international students who have obtained IELTS 6.0 with no subband lower than 5.0 0 or TOEFL: 550 (paper-based), 213 (computerised) or 80 with at least 18 in all bands (Internet Based) to enter some majors of the Master of Business and Master of Business Advanced on the condition they undertake two Communication units (QCD111 and QCD211) in the first semester of their postgraduate business course. To be considered for admission, applicants must:

- demonstrate proficiency in the English language
- hold a Bachelor degree in any field from a recognised university with a minimum grade point average (GPA) of 4.5 on QUT’s 7-point scale
- have a GMAT score of at least 550
- provide two referee reports on proforma

### Prior academic achievement

Prior academic study at the Bachelor level can be in any field at any recognised tertiary institution. Original or certified copies of academic transcripts that show date of completion or conferral of degree(s) and a Grade Point Average (GPA) must be provided. Not all undergraduate degrees from overseas institutions are assessed as being equivalent to Australian bachelor degrees. Applicants who have not completed a recognised bachelor degree, including the three-year diploma in China, will be considered for admission into the Graduate Certificate in Business Administration based on their Graduate Management Admission Test (GMAT) score, prior work experience and referee reports.

### Graduate Management Admission Test (GMAT)

As applicants may come from a range of fields and their work experience may be diverse, a management aptitude test score is a useful indicator of an applicant’s ability to meet the program’s academic requirements. All applicants are required to undertake the GMAT. There will be no exemptions based on prior education or experience. GMAT test scores are valid for five years.

If you have already undertaken the GMAT QUT needs to see a certified copy of your Test Takers Score. If you are planning to take the GMAT, please have the results sent directly to QUT (our identification number is 1677).

Course design
The Executive MBA is a prescribed program. Students are required to undertake 24 units of 6 credit points each.

The intake for the EMBA is in January and the program runs for 22 months. Classes are scheduled once every four weeks over a Friday to Sunday weekend session, with 18-21 hours of classes per weekend session each month of the program; plus one intensive session (International Study Tour). The intensive block sessions allow students to schedule some dedicated time to study with minimal interference to their business commitments.

Advanced standing
Advanced standing may be granted only if the course units for which the advanced standing is being sought have been completed in the last five years from an accredited business school or university (eg AACSB, EQUIS, AMBA).

Advanced standing may also be granted at the discretion of the Graduate Studies Director under the following criteria:
1. The business school or university is highly ranked by an international publication or agency
2. There is a pre-existing exchange/cross-institutional agreement
3. The applicant is considered to be in the top third of his/her class cohort or has a GPA of 5.75 or more on a 7-point scale.

Further information
If you have any further questions regarding this course please contact the Graduate School of Business on 3138 6874, via email on emba@qut.edu.au or on Level 5, B Block, Gardens Point campus.

Course design
Units and concentrations in the MBA have been revised and will be offered from 2013. The MBA program is now made up of four components that build on each other to provide you with an integrated and multi disciplinary curriculum to equip you to take on the challenges and opportunities of a complex business environment. For this reason it is important students follow the guidelines in planning their study progression.

Students can also refer to the Course Checklists for enrolment information.

Guidelines for Enrolment
Please refer to the Course Structure for the list of unit codes, titles and components of the course.

Building Foundation Units:
Students commence their MBA with the Building Foundation units and specifically with GSN405 Strategic Management. Students can then choose the order of the remaining Building Foundations units, dependent on the teaching period they are offered in. Students should finish this component with GSN403 Data Analysis and Decision Making.

Multi-Disciplinary Decision Making Units: The next component is the Multi-Disciplinary Decision Making units which provide you with a broad spectrum of business knowledge and skills to equip you to take on the challenges and opportunities of a complex business environment.

Students should complete GSN473 Corporate Governance and Accountability as the last unit in this component. GSN490 Managing Technological Innovation and GSN415 Leadership and Complexity are also best completed towards the end of this component.

Concentrations:
GSN464 Systems Thinking for Managers should be taken as soon after completing the Building Foundations component program so that you can develop an understanding of dealing with multidimensional problems in complex environments.

Entrepreneurship and Innovation Concentration: students should complete GSN430 New Venture Funding and GSN431 New Venture Growth and Transitions before enrolling in the Integrated Workplace Project capstone units.

Leadership and Strategy Concentration: students should complete GSN460 Advanced Strategy for Global Business before enrolling in the Integrated Workplace Project capstone units.

Discipline Specific Pathway: students can seek advice from the Graduate School of Business regarding their elective choices and recommended progression.

Integrated Workplace Project: GSN570 and GSN571 are the capstone units for the MBA and will be completed at the end of the course. They provide students the opportunity to apply all they have learned to a real world venture or organisational opportunity in a complex business environment.

If you have any questions regarding your enrolment please contact QUT Business School Student Services on 3138 2050, via email on bus@qut.edu.au or at Level 1, B Block, Gardens Point campus

Special entry
Exceptional career accomplishments may be considered in place of a Bachelor degree. Successful exceptional applicants may be admitted to the Graduate Certificate in Business Administration and may later articulate into the MBA program under existing articulation rules (i.e. achievement of a Grade Point Average (GPA) of 4.5 or greater).

Advanced Standing
Advanced standing may be granted only if the course units for which the advanced standing is being sought have been completed in the last five years from an accredited business school or university (e.g. AACSB, EQUIS, AMBA). Advanced standing may also be granted at the discretion of the MBA Director under the following criteria:

1. The business school or university is highly ranked by an international publication or agency
2. There is a pre-existing exchange/cross-institutional agreement
3. The applicant is considered to be in the top third of his/her class cohort or has a GPA of 5.75 or more on a 7-point scale.

English language requirements
In addition to the above academic entry requirements, standard English language requirements apply. See the details for ‘all degrees’ at:

## Master of Business Administration (Major)

### Domestic Entry requirements
To be considered for admission, applicants must:
- demonstrate proficiency in the English language
- hold a Bachelor degree in any field from a recognised university with a minimum grade point average (GPA) of 4.5 on QUT's 7-point scale
- have a GMAT score of at least 550
- have a minimum three years full-time equivalent relevant managerial or professional work experience post-degree
- provide two referee reports on proforma.

### Prior academic achievement
Prior academic study at the Bachelor level can be in any field at any recognised tertiary institution. Original or certified copies of academic transcripts that show date of completion or conferral of degree(s) and a Grade Point Average (GPA) must be provided. Not all undergraduate degrees from overseas institutions are assessed as being equivalent to Australian bachelor degrees. Applicants who have not completed a recognised bachelor degree, including the three-year diploma in China, will be considered for admission into the Graduate Certificate in Business Administration based on their Graduate Management Admission Test (GMAT) score, prior work experience and referee reports.

### Graduate Management Admission Test (GMAT)
As applicants may come from a range of fields and their work experience may be diverse, a management aptitude test score is a useful indicator of an applicant's ability to meet the program's academic requirements. All applicants are required to undertake the GMAT. There will be no exemptions based on prior education or experience. GMAT test scores are valid for five years.

If you have already undertaken the GMAT QUT needs to see a certified copy of your Test Takers Score. If you are planning to take the GMAT, please have the results sent directly to QUT (our identification number is 1677).

**GMAT details (PDF file, 271.78 KB)**

### Work experience
Relevant work experience indicates applicants will be able to contribute to class discussion. A minimum of three years full-time equivalent professional or managerial work experience is required after the completion of an undergraduate degree. To enable us to assess your work experience, a current curriculum vitae providing details of your roles, responsibilities and achievements is required.

### Referee reports
All applicants must obtain two referee reports on the referee proforma. At least one referee report should be from your current employer. The referees may choose to send the recommendations directly to QUT (fax, email and postal addresses are provided on the proforma).

Domestic Course structure

Course design
In addition to the core and elective components of the MBA program, the MBA (major) enables you to study an additional 48 credit points of elective units from one of three major study areas: Entrepreneurship, Information Technology Management or Research.

Each MBA unit of six credit points is delivered in a seven-week module (six weeks teaching with final assessment in week seven).

Busy professionals who undertake part-time studies are catered for with a flexible structure that helps you incorporate study into your hectic lifestyle. With six teaching periods, you can change your course workload six times a year, and may even take a teaching period off when your work or personal life requires.

Integrative core units
- Business Plans
- Corporate Governance and Accountability

Electives
Students can choose from a wide variety of elective units both from within the QUT Graduate School of Business and from other schools and faculties within QUT.

Concentrations and minors
The structure of our program enables you to add greater depth in an area of interest by choosing electives to achieve one or more concentrations (up to six units) or minors (up to four units). It may be possible for you to complete multiple concentrations or minors through careful choice of elective units. If you have a prior degree in a business area you may be able to substitute some introductory core units with additional electives. This allows you to study areas that you find personally satisfying, as well as units that are essential for your professional development.

The titles of completed concentrations and minors are recorded on academic transcripts at the completion of study.

Concentrations and minor areas:
- Accounting
- Corporate Governance
- Entrepreneurship
- Finance
- Health Services Management
- Human Resource Management
- Information Technology Management
- International Business
- Leadership
- Marketing
- Philanthropy and Nonprofit Studies
- Project Management

Course structure
The Master of Research Management and Commercialisation is particularly suited to current or aspiring research management leaders, administrators and active researchers in corporations, universities and the public sector. The Masters builds on the content of the Graduate Certificate and allows you to develop a deeper understanding of the context and strategic issues involved in research management and commercialisation. You can tailor the course to your needs by applying these ideas and concepts to issues of relevance to you and, where possible, undertaking assessment through workplace-based projects.

Students enrolled in the masters-level course can choose to exit with an award of Graduate Certificate or Diploma following the completion of four or eight approved units.

Course design
The Master of Business (Research) is a three semester or 18 month program (full-time equivalent), usually involving one semester of coursework in research skills development, followed by a two semester research program culminating in the submission of a thesis of approximately 40-50,000 words.

For entry without an Honours degree, students would usually complete a semester of coursework (48 credit points) followed by a dissertation (96 credit points).

For entry with an Honours degree, and where no further coursework is prescribed at point of admission, students must complete a dissertation (96 credit points).

A grade point average of 5.0 within the prescribed coursework must be maintained in order for BS92 enrolment to continue. It is normal for coursework to be undertaken at or near commencement of study, unless the applicant has already completed more or less identical subjects previously. The subjects, completed at the Gardens Point campus, include training in qualitative and quantitative methods and in research methodology.

Candidates are expected to have regular face-to-face contact with supervisors and participate in scholarly activities such as research seminars and colloquia. Teaching and publishing are also encouraged.

Discipline coordinators
Accountancy: Associate Professor Marion Hutchinson
Advertising: Associate Professor Gayle Kerr
Economics: Professor Janice How
Finance: Professor Janice How
Entrepreneurship and Innovation: Professor Per Davidsson
Public Relations: Dr Kim Johnston
Marketing: Dr Bill Proud
Philanthropy and Nonprofit Studies: Professor Myles McGregor-Lowndes

Duration
The minimum period of enrolment for a student without an Honours degree is 1.5 years full-time (one semester of coursework units and two semesters for a dissertation).

Students will require an extension to exceed the equivalent of 1.5 years full-time to complete the program. The maximum period of enrolment would be two years (full-time equivalent). If a student's candidature exceeds this time period, they may be required to pay fees. Extensions beyond two years full-time equivalent are not permitted.

Course design
Students will complete 288 credit points consisting of:

- Discipline based coursework (48 credit points)
- Research skills training (48 credit points)
- Research project (192 credit points)

Career impact
Graduates will be positioned to be leaders within their industry with particular emphasis on research and development. Specifically, they will be able to:

- practise at a high level in a variety of organisational contexts
- apply innovative solutions to business problems and opportunities, through an understanding of new and relevant scholarship and the role and limitations of research in solving business problems
- present scholarly research to both academic and non-academic audiences.

Weekend doctoral seminars
Students will be expected to attend two intensive weekend doctoral seminars per year.

Assumed knowledge
Applicants are assumed to have postgraduate-level knowledge of their proposed research area, or to develop such knowledge through appropriate discipline based study in the coursework component of the degree.

Domestic Course structure
Course design
The program is structured in three phases:

Postgraduate business coursework
This phase consists of 48 credit points of postgraduate discipline units. You will study up to eight coursework units and gain a firm grounding in your chosen field of management.

Research skills training
Phase 2 consists of a further 48 credit points of coursework to prepare you for your research projects. You will be taught how to approach your research using contemporary qualitative and quantitative research methods. There are three compulsory research units (36 credit points) plus an additional 12 credit points of complementary research units.

These 12 credit points may consist of:

- two eGrad School six-credit-point units, or
- one 12-credit-point QUT Business School or University research unit.

The eGrad School brings together a wide range of online activities and resources that are specifically designed for early career researchers, whatever their home university or location. Visit www.egradschool.edu.au

Research component
This phase is the core of the DBA—the research projects. This is where you will show your superior expertise in business administration and your profession. This phase consists of 192 credit points, with two options for completion:
Doctor of Business Administration

- one DBA dissertation of approximately 50,000 words documenting the research project or projects, or
- three research papers of publishable quality. Papers are defined as journal articles, book chapters, and other forms of written scholarly works which are subject to a process of peer review similar to that of refereed journals. Each paper would be approximately 15,000 words.

English language proficiency requires International applicants to meet an IELTS overall bandscore of 6.5 with no sub-score below 6.0.
FINANCIAL GUARANTEE
Acceptable forms of evidence include:
- A letter from an approved employer confirming the continuation of your salary;
OR
- A signed Scholarship Agreement between QUT and your sponsoring agency; OR
- An accepted letter of offer from QUT for a postgraduate research scholarship; OR
- An approved external scholarship.

Coursework requirement
All PhD students are required to enrol in IFN001 Advanced Information Retrieval Skills. For further information, please refer to Library.

In addition, it is normal for some prescribed coursework to be undertaken to assist in the preparation for the thesis. Generally, the subjects include qualitative methods, quantitative methods, and research methodology. Discipline-specific subjects may also be prescribed. Usually, the coursework is completed at the Gardens Point campus in Brisbane City.

(N.B. Students should also check visa requirements).

Progression
Conditions of progressing to a guaranteed place in first year of a QUT degree:

i) fulfil the Foundation course requirements,
ii) gain a grade of at least 5 (Credit) in Academic English 2 (QCF212) [Built Environment and Engineering students require a grade of 4 (Pass)]. Students progressing into SC45, ST30, ST31, HL22, HL46, HL47, NS40, OP45, PU43 plus selected double degree programs, require an IELTS score. Please refer to your QUT 'Offer Letter'.
iii) achieve the relevant faculty Grade Point Average (GPA) - this is calculated on final semester Level 2 units only.

Students who do not meet requirements for a guaranteed place in either a QUT degree or University Diploma Program, may still be considered for entry by the relevant faculty.

If you do not meet faculty requirements you may apply to progress to a Diploma in Business, Information Technology or Creative Industries. You must:
1. Successfully complete the Foundation Program
2. Have a grade point average of 4.0, and
3. Have at least a grade of 4 (Pass) in Academic English (QCF212)

Entry Requirements - Academic
Students must have met the academic entry requirements for their proposed postgraduate or undergraduate course.

Entry Requirements- English Language
IELTS 6.0 with no sub-score less than 5.0 or TOEFL iBT Overall score of 80 (at least 18 in all bands) or TOEFL 550 (paper) or TOEFL 213 (CBT) or equivalent, or successful completion of the EAP program (N.B. Students should also check visa requirements).

Description
The University Certificate in Tertiary Preparation is a one-semester program that enables students to receive a University certificate on successful completion. It is designed for students who may have already met the academic entry requirements for a QUT undergraduate or postgraduate degree, but who may not have met the English language and/or prerequisite requirements.*

This program provides two alternative streams:

Stream A is designed for students who have not met English and/or prerequisite requirements for their chosen undergraduate or postgraduate course. Most students may undertake one degree unit (for credit) whilst enrolled in the University Certificate in Tertiary Preparation program.

Stream B is for students who have met English requirements but not prerequisite requirement for their degree, or who may wish to improve the standard of their academic English. These students may take one or two degree units (for credit) whilst enrolled in the University Certificate in Tertiary Preparation Program.

Both streams include intensive preparation for academic language, lateral thinking, research and presentation skills required for successful tertiary study. Small classes and dedicated staff ensure an excellent learning environment. Additional support is provided by Language and Welfare Advisers.

Alternatively, there may be some students who have already met both the academic and English requirements for a QUT degree entry, but who would prefer to undertake the University Certificate in Tertiary Preparation in order to prepare for academic study in a different tertiary environment.

*Students who require a Student Visa should check the English language requirements for a student visa from their country of origin.

Course Completion
Students must obtain at least a grade of 4 (Pass) in all units.

Progression
In order to progress to an award course, students must:

i) fulfil the University Certificate in Tertiary Preparation course requirements
ii) gain a minimum grade of 4 (Pass) in Communication 2 or an IELTS 6.5 or equivalent.
iii) meet any other conditions detailed in the 'letter of offer' from Student Business Services.

Entry Requirements - Academic

To be eligible for entry, applicants must either:

1. Have an offer of a place in a QUT degree program and successfully complete the relevant EAP entry test; or

2. Degree Entry (IELTS 6.5) - Produce original documentary evidence of an IELTS score with an overall minimum of 5.5 with reading and writing no less than 5.5 and no other sub-band less than 5 (or approved equivalent); OR

3. Degree Entry (IELTS 6.0) - Produce original documentary evidence of an IELTS score with an overall minimum of 5.5 with no sub-band less than 5 (or approved equivalent).

* You should check the English language requirements for a Student Visa from your country of origin.

Progression

Successful completion of an EAP course is a pathway into QUT International College Foundation, Diploma, Certificate or Bridging programs; or QUT undergraduate or postgraduate award programs. The course is recognised by all QUT faculties.

Description
The aim of the EAP Advanced course is to assist international students to upgrade their English proficiency level for admission to university programs with higher English language level requirements. The course is designed to prepare students for independent study and to familiarise them with an Australian academic setting in terms of study techniques and student/lecturer relations and expectations.

Course Completion
To be eligible to receive EAP Advanced certification at the end of the course, students must complete all course requirements.

On successful completion of the course, students will receive a Completion & Attendance Certificate and a Statement of Results.

Progression
Successful completion of the EAP Advanced course, with the required overall grade of 65%, is a pathway into the following QUT award programs:

- CS45 Bachelor of Pharmacy
- CS40 Bachelor of Medical Imaging Science
- CS41 Bachelor of Radiation Therapy
- CS44 Bachelor of Podiatry
- NS40 Bachelor of Nursing (and associated double degrees)
- OP45 Bachelor of Vision Science
- OP85 Master of Optometry
- PY18 Master of Clinical Psychology
- PY50 Doctor of Psychology (Clinical)
- XN44 Bachelor of Nutrition and Dietetics (and associated double degrees)

QC15 - IELTS Advanced
IELTS Advanced is designed to prepare candidates who have already achieved IELTS 6.5 (with no sub-score less than 6.0) or acceptable equivalent, for the IELTS Test, Academic Module. It is offered to those seeking to achieve a score of IELTS 7.0 or higher. This is a test preparation course and students must take an official IELTS test and achieve the required score.

The course will also familiarise students with an Australian academic setting in terms of study techniques and student/lecturer relations and expectations.

On completion of the IELTS Advanced program, students will take an IELTS test. For entry into programs that require a score of IELTS 7.0 or above, students must achieve this score in an official IELTS test to meet the requirements.

Entry Requirements - Academic
To be eligible for entry, applicants must have:

1. A conditional offer for a QUT degree program. Students without a conditional offer who wish to improve their academic English may also apply if they meet the English language entry requirements.

OR

2. Produce original documentary evidence of an IELTS score of a minimum 5.0 with reading and writing sub-scores of at least 5.0 (or approved equivalent). Students will also sit a placement test at the beginning of their course.

* You should check the English language requirements for a Student Visa from your country of origin.

Description
EAP Plus has been specifically developed for students who wish to commence their entry into an English for Academic Purposes course earlier. Successful applicants can enter the course at pre-intermediate level and immediately begin developing their English language and study skills in an academic context.

EAP Plus enables students to begin developing their English language and study skills in an academic context from a pre-intermediate level. The course aims to prepare students to attain the level of proficiency required for gaining entrance to, and succeeding in QUT undergraduate and postgraduate award programs. EAP Plus courses include:

- Academic reading and note-making
- Academic writing
- Listening and note-taking from lectures
- Speaking in academic settings
- Seminars and presentations
- Academic study skills
- Computing and Internet skills
- Library research

During the first 12 weeks of the EAP Plus course, students will develop their paragraph writing, reading, listening and note-taking skills through theme-based topics at an introductory academic level, along with speaking and oral presentation skills in a highly-supported environment. Weekly grammar, paraphrasing and vocabulary development supports the reading, writing and note-taking components. Reading skills are also enhanced via extended reading practice and specific reading skills lessons.

The second half of the course will further develop independent study skills enabling students to operate effectively in an Australian academic setting in terms of study techniques and student/lecturer relations and expectations.

EAP Plus has its own internal assessment consisting of exams and assignments, and successful students will meet QUT’s English language requirements.

Course Completion
To be eligible to receive EAP Plus Certificate at the end of the course, students must complete all course requirements.

On successful completion of the course, students will receive a Completion & Attendance Certificate and a Statement of Results.

Progression
Successful completion of the EAP Plus course provides a pathway into QUT undergraduate and postgraduate award programs for students who meet the academic requirements for these programs.
