0.75 year or more of full-time degree study

This table shows how to convert a degree grade point average (GPA) into a rank after 0.75 year or more of degree study at any recognised institution.

Grade Point Average (7-point scale)	Duration*/rank 0.75 – 0.99 year*
6.5+	94
6.25-6.49	93
6.00-6.24	92
5.75-5.99	91
5.50-5.74	90
5.00-5.49	89
4.75-4.99	88
4.50-4.74	87
4.25-4.49	86
4.00-4.24	84
3.75-3.99	78
3.50-3.74	76
3.25-3.49	74
3.00-3.24	73
2.75-2.99	71

2.50-2.74	66
2.25-2.49	64
2.00-2.24	57
<2.00	45

- * FTE=a full-time year of study (or equivalent), which is defined as the standard credit point load that applies to a year of full-time study in the same course and teaching institution. Units with incomplete results and units for which you received exemptions or advanced standing (academic credit) do not count.
- a Refers to study at the level of bachelors degree (awarded without honours), graduate certificate, graduate diploma, postgraduate qualifying and comparable courses including incomplete coursework masters and doctors level studies.
