

Prize Ceremony 2021

Australia's first **business school**
with triple international accreditation

Today we recognise and honour the incredible achievements of our QUT Business School students in the 2020 academic year.

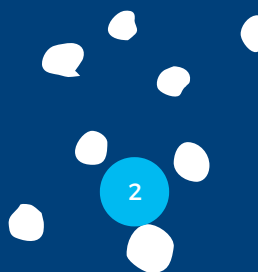

I would like to personally thank the sponsors and donors for their continued support of our students during such difficult times.

Without the generosity of our sponsors and our engagement with our industry partners, our students would not be able to achieve and demonstrate the learnings that they have.

Thank you and congratulations.
