MATCH MY SKILLS STREAMS: DISCIPLINE-BASED EXPERIENCES

HEART + EXPLORER + CARER + COACH

You care about people's wellbeing. You want to take on the challenges that physical and mental health issues present. You like interacting with different people and you like the fact that no two days are ever the same.

COMMUNICATOR + MANAGER + STRATEGIST

You like to write no matter how. You are a people person who can motivate others. You are excited by the ways that the new has disrupted the traditional. You feel right at home thinking about the possibilities for the future.

VISION + ANALYST

You see what others often don't. Sometimes that's the big picture. Sometimes it's the detail. You have a sharp mind and a passion for identifying what needs to be done and making it happen. You are a communicator and a negotiator.

SUPPORTER + EDUCATOR + DEFENDER

You like to help people and advocate for their rights and social justice, or you like the idea of standing up and defending what's right, or have you ever thought about being a teacher?

CONNECTOR + INVESTIGATOR

You're someone who likes to bring all the pieces together and produce much more than the sum of the parts. You like to visualise the issue. Or you like research, crunching numbers and dissecting data.

SOUL + ARTIST

Creativity is in your soul. There are so many ways to go and so many combinations of creative, hands on and real world skills for you to consider. Will you be the one that everyone watches? Or will you be a part of creating something amazing?

MIND

You're a problem solver. Whether you prefer to be hands-on or theoretical, your door is open to exciting opportunities in maths, engineering, technology and science.

DESIGNER + CREATOR + SOLVER

You look at things differently. You question the form and function that surrounds you. Or you're a problem solver and you want to be challenged. You like to create practical solutions to real-world problems.
