## Campus tours

Current students from the Caboolture campus will be conducting campus tours throughout the day, departing from outside J Block every 30 minutes between 9.30am and 1.30pm.

## Interactive tents

Visit the interactive tents to speak to real students, recent graduates and QUT academics to find out all the information you need to know about each course.

Join in on different activities within each tent to gain a deeper understanding of the work you could undertake if you go on to study with QUT.

You can find out about all courses offered across our campuses at Open Day

Business  
Creative Industries  
Education  
Health  
Law and Justice  
Science and Engineering

Confused about courses, eligibility criteria or how to apply? Take up a free one-on-one information session with our career counsellors.

Lost property	⑨

# The word on Open Day

## Career Counsellor

*As a career counsellor I have seen many prospective students place a lot of pressure on themselves to make the 'perfect' decision when choosing a University and what to study. Open day is a great opportunity to help with making decisions on courses, finding out about upgrading pathways and study costs and finances.*

*My team will also be on hand providing one-on-one information sessions. Whatever your circumstances your mind will be put to ease by having a conversation with one of our dedicated staff.*

Barry Ryan, Career Counsellor

## QUT graduate

*Open Day is a perfect opportunity for prospective students to get their questions answered. While undertaking my bachelor degree I worked at multiple QUT Open Days, where I was lucky enough to share my experiences as a student. This year I will be returning to Open Day as a graduate and giving insight to prospective students on what it is like to work in my chosen industry.*

Tasia Morrison, QUT Bachelor of Creative Industries graduate 2015, Moreton Bay Regional Council Events team

## QUT Caboolture student

*Attending the QUT Caboolture Open Day allowed me to explore my options and get a feel of the QUT culture. I attended the education seminar, where I gained an insight into what I could expect throughout the course and heard tips from past students that are now working in the industry.*

*Speaking from my own experience, attending Open Day provided me with the knowledge and understanding to comfortably enrol in a course I felt confident in.*

Thomas Corbett, Education student

## Getting to QUT Caboolture campus

The campus is easily accessible and serviced by a free QUT shuttle bus and public transport.

Catch the free QUT shuttle bus from Caboolture train station throughout the day. For more information and the shuttle bus timetable visit [www.qut.edu.au/open-day-caboolture](http://www.qut.edu.au/open-day-caboolture)

The campus is walking distance from Caboolture train station and is also serviced by local public buses.

Free car parking is available at the Caboolture campus on the day – see map for details. On-street parking is also available.

Use the journey planner to access public transport timetables and services at [www.translink.com.au](http://www.translink.com.au) or call 13 12 30.

If you have mobility difficulties, please refer to the accessibility map at [www.qut.edu.au/campuses-and-facilities](http://www.qut.edu.au/campuses-and-facilities) or contact us on 07 5316 7574.
