</table>

NB: Assumes completion of all 1st year units at QUT

- NSB102 Professional Practice and Cultural Safety
- LQB185 Anatomy and Physiology for Health Professionals
- NSB103 Health Assessment
- NSB104 Leading and Learning

- NSB105 Wellness Across the Lifespan
- LQB285 Pathophysiology for Health Professionals
- NSB132 Integrated Nursing Practice 1 ON Campus
- NSB131 Integrated Nursing Practice 1 OFF Campus
Not following a standard study plan – intending to graduate with a QUT degree

- Look through QUT to USC unit equivalence table
- Think about personal circumstances. Option to travel to KG or not etc. need to be part time

# Please make an appointment to attend academic advice for a tailored study plan
2018 on - Remaining at Caboolture & graduating with QUT degree

1. Study selected QUT Integrated Nursing Practice units at CB WITH selected USC units at CB
2. Study selected QUT Integrated Nursing Practice units at CB WITH selected QUT units at Kelvin Grove
3. A mix of above

ESSENTIAL – attend academic advice and receive a formal documented & efficient study plan tailored to your needs. If anything changes seek academic advice before altering ANYTHING (nursing.admin@qut.edu.au)
New since last forum

* UCS Pre-assessment option
  * to determine what credit you would get for QUT study and how much further study / time you’d need to do to complete a USC degree
* QUT to USC unit equivalence finalised
* Study plans.
* Time for you to make an informed choice
**On CB campus** – make an appointment for a 15 min one on one with staff. See CB student centre

- Tuesday 29/8/17,
- Tuesday 5/9/17,
- OR

* Via email nursing@qut.edu.au

* Phone appointment options available too – email for an appointment
