| Important Notes: <ul style="list-style-type: none"> Public holidays do not count towards professional experience days, this calendar accounts for QLD public holidays and requires variations for other states and territories. Students are expected to make up public holidays which occur during professional experience. Suitability Card ("Blue Card"): Students must have a 'Blue Card' or for other states and territories a 'WWCC' 10-days prior to commencing professional experience that is valid for the PEx +5 days or the placement will be withdrawn and academic and financial penalties may apply. http://www.student.qut.edu.au/studying/jobs-and-work-experience/work-experience-and-placements/blue-cards <p>***Students are expected to attend student free "staff professional development" days. These student free days are counted towards the total days of professional experience attendance.</p> <p>***Semester 2 PEx dates taking place in August account for the EKKA Public Holiday. We are aware that only students in the Brisbane region will have a day off during this time and all other placements should account for this and plan to end a day early.</p> | | | | |
