2. Are you also interested in stories of extraordinary experiences with wild animals

Yes, most definitely.

3. When you speak about transformation – what do you mean?

In short I am interested if this type of experience changed you in anyway and/or changed your perspective on life and the natural world.

4. What do you mean when you ask for a description of the event?

I am interested in the details how you felt, what happened (e.g. to time), what was the experience like. I am also interested in a description of the event but only to contextualise the experience.

5. Can I leave my contact details?

If you wish to leave an email or similar then please do so either with your story or in the box provided. It will only be used to contact you for further information or explore an experience in more detail.
