

Future You

SUMMIT 2024

Monday 1 - Friday 5 July 2024

This year the QUT Future You Summit will be held from **Monday 1 - Friday 5 July** at QUT Gardens Point campus (and some activities at Kelvin Grove campus).

The summit provides Queensland students in Year 11 and 12 a taste of university life. Students will have the opportunity to expand their skill sets beyond the classroom and explore future career ambitions with like-minded peers.

Participants will be treated like real QUT undergraduate students, with access to QUT world class facilities, participating in a program encompassing all QUT study areas:

- law and business
- creative industries, education and social justice
- science, maths and technology
- engineering and the built environment
- health.

Students will choose from discipline-based program streams, which have been designed to inspire, engage and up-skill students in their areas of interest.

Students will also take part in interactive sessions that will unpack the importance of future careers, with the help of industry speakers, researchers, current university students, alumni and more.

Apply now. Applications close Monday 29 April.
