

Take the lead

Public Health Professional Development Programs (PDP)

Leadership of Quality and Safety in Health Care

Four-day intensive short course commencing Friday 17 August to Monday 20 August 2018.

Course developed and delivered by real-world experts in health leadership.

The aim of this course is to develop appropriate knowledge and skills to lead the implementation of effective quality and patient safety programs within a healthcare setting.

Overview

This course is designed to provide detailed knowledge and application of the role of leaders in quality and safety in healthcare. It provides healthcare managers and leaders with in-depth knowledge of the governance of quality and safety in healthcare through leadership that builds a culture of high performance, innovation, reform and safety.

QUT Health Management programs are accredited by the ACHSM.

Course structure

- Friday 17 August to Monday 20 August 2018. 9am to 5pm daily (early weekend finish by negotiation with participants).
- Delivered at QUT Kelvin Grove campus.
- Recognition of participation.
- Option to undertake assessment for advanced standing in PUN219 in some postgraduate award courses.

Learning outcomes

Apply knowledge of international, national and local healthcare leadership models and frameworks for health care quality and safety improvement.

This short course will cover:

- strategic leadership for quality and safety in different health care settings and across the organisation
- clinical governance challenges
- quality system design
- engaging clinicians in quality improvement

- driving improvement through change and innovation
- designing improvement projects.

Cost

\$2100.09 for the workshop module only, or \$2625.12 for participants who enrol in both the workshop and the assessment modules. ACHSM members receive a 15 per cent discount. www.achsm.org.au

Register now

Registrations are now being accepted for entry into this short course. Registrations close on Friday 3 August 2018. Late registrations will be taken by contacting the unit convener.
