Choose the right fit for your team

With four corporate bundles to choose from, there is an impactful and affordable learning solution for every team or organisation.

Each bundle provides additional course value on top of your base investment. It’s a cost effective and more manageable alternative to purchasing individual course seats.

Please note:
1. No customisation or extras included.
2. Course prices are at standard list prices. A seat in a standard one-day QUTeX Short Course is priced at $880 (incl. GST), however course fees range between $60 and $3,520. Check the website for current course fees.
3. Bronze and Silver Bundles expires after 12 months.
4. Gold and Platinum Bundles expires after 24 months.

Get started

To find out more, call 07 3138 7733 or go to our website.

New thinking is required to enable and transition a workforce that will see 40% of jobs at risk of automation, 1/3 of the workforce exiting and the most technologically literate new generation entering.

74%* of employees are ready to learn new skills or re-train to remain employable in the future.

Expert development and delivery
You need learning that is relevant and engaging, that's why our courses are developed by QUT's innovative academics and learning designers.

Learn today, use tomorrow
We use problem-based and blended learning so you can develop your expertise as you apply new concepts into your workplace context.

Constantly evolving and updating courses
We adapt to today's industry expectations, harnessing QUT's research and innovative experts so you can keep up and get ahead.
