

# Leadership, Coaching and Culture

## Supercharge your team's performance and workplace satisfaction by establishing a culture of coaching.

How do some of the world's most successful organisations drive an empowering workplace culture? They have leaders who embed a culture of coaching in their workplace. Empowered team members are better equipped to problem solve, work autonomously towards goals and are more engaged with their work, all factors that ultimately contribute to better performance.

## Evolve with QUTeX

Align your skills with today's rapidly changing business landscape and harness new capabilities and opportunities for career advancement with QUTeX. Evolve your leadership expertise by learning how to embed a coaching culture in your organisation and surpass current business outcomes.

## Core concepts

Elevate your understanding of:

- How to establish an empowering workplace culture;
- Coaching as a leadership technique;
- The role of values in organisations;
- Empowering team members to create workable solutions to unfamiliar problems; and
- Developing and implementing plans for new coaching behaviours.

## Who should participate?

Business leaders, managers, freelance coaches and consultants will benefit from honing their leadership skills and learn fresh ideas to inject into their coaching practices to build collaborative workplace cultures.

## Your expert facilitator Dr Fran Finn

Dr Fran Finn is passionate about developing exceptional leaders. She is the Director, Leadership Coaching within the QUT Graduate School of Business; Course Coordinator for the Executive Graduate Certificate in Business (Leadership Coaching) and established The Leadership Coaching Hub. She works extensively in leadership development, providing individual and group Executive Coaching for senior executives, and facilitating executive development programs. Fran commenced in Human Resource Management in 1990 and has combined HR practice with delivering adult learning in academia for more than 25 years; she has been a past recipient of Innovation in Teaching awards and was previously named University Mentor Coordinator of the Year. In 2000 Fran designed an Executive Coaching program that she trained a team of specialists to deliver to industry. In 2007 she completed a PhD examining Executive Coaching as an Alternate Leadership Development Tool, for which she was awarded the Dean's Commendation for Excellent Doctoral Thesis.
