Statement of consent

By signing below, you are indicating that you:

- Have read and understood the information document regarding this research project.
- Have had any questions answered to your satisfaction.
- Understand that if you have any additional questions you can contact the research team.
- Understand that you are free to withdraw without comment or penalty.
- Understand that if you have concerns about the ethical conduct of the research project you can contact the Research Ethics Advisory Team on 3138 5123 or email humanethics@qut.edu.au.
- Understand that the research project will include an audio and video recording.
- Agree to participate in the research project.
- Meet the participation criteria of this research project below:
You are a **family carer of people with dementia** who
 - are over 18 years old and able to speak and understand English;
 - have used or are using in-home respite care services for people living with dementia;
 - have at least 3 months of experience supporting a person living with dementia in a home setting; and
 - can access a computer with internet for an online Zoom interview (the researcher can support setting up the Zoom interview).

Please tick the appropriate box for each statement:

I agree to take part in this study for the interview to be audio and video recorded.

Yes No

I would like to receive a copy of the study results at the end of the study.

Yes No

Please provide the best email address to receive the study results.

I agree to have my contact details securely stored and to be invited to take part in future research (e.g., co-design group discussions).

Yes No

I consent to the secure storage of my de-identified data and its use in future research that builds upon this study.
