

# Guaranteed course offers for 2021

## Updated guaranteed offer thresholds for 2021

**We know that waiting to receive a course offer can be frustrating. Our revised offer guarantee thresholds can give you greater certainty about course entry for 2021. The offer guarantee applies whether you are in Year 12, have taken a gap year, or are applying to QUT a few years after finishing school.**

If you receive an ATAR or selection rank equal to or higher than the offer guarantee, you are guaranteed a place in the course regardless of the final threshold determined in January.

Once you receive your ATAR or know your selection rank you can check your eligibility for a QUT course before offers are made.

The tables on the reverse show the updated offer guarantee threshold for QUT courses.

The offer guarantee ATAR/selection rank is inclusive of adjustments (such as educational disadvantage, elite athlete or Year 12 subject adjustments).

To receive an offer as part of the offer guarantee you must meet all other course requirements and include the course in your QTAC preferences.

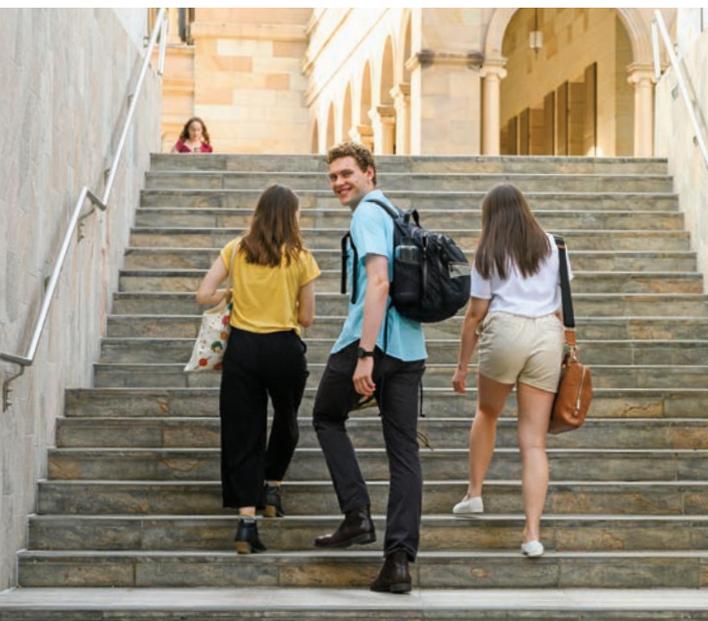

Even if you don't think you'll achieve the guaranteed ATAR or selection rank, you can still apply for the course. The final threshold for the course is determined

in January and could be lower than the guarantee, so you may receive an offer.

Upgrading pathways are available if your ATAR or selection rank isn't high enough to enter your chosen course.

The following single degrees, as well as any associated double degrees, are not part of the QUT offer guarantee:

- Business–International
- Business Dean's Honours Program
- Design–fashion
- Design–International–fashion
- Fine arts–acting, dance, music, visual arts
- Graduate entry courses in nursing, law, paramedic science, podiatry and teaching
- Medical imaging
- Nutrition and dietetics
- Radiation therapy
- Science Advanced (Honours)
- Vision science (optometry).

CRICOS No. 00213J

The Queensland University of Technology (QUT) acknowledges the Turrbal and Yugara, as the First Nations owners of the lands where QUT now stands. We pay respect to their Elders, lores, customs and creation spirits. We recognise that these lands have always been places of teaching, research and learning. QUT acknowledges the important role Aboriginal and Torres Strait Islander people play within the QUT community.
