

# International Year 12 Study Guide 2023

BRISBANE  
AUSTRALIA

**the university  
for the real world®**

QUT acknowledges the Turrbal and Yugara, as the First Nations owners of the lands where QUT now stands. We pay respect to their Elders, lores, customs and creation spirits. We recognise that these lands have always been places of teaching, research and learning. QUT acknowledges the important role Aboriginal and Torres Strait Islander people play within the QUT community.

## Map legend

- 1 QUT Gardens Point campus
- 2 QUT Kelvin Grove campus

- 3 Brisbane city
- 4 Brisbane Botanic Gardens

# A world-class university with a vision set on your future

We're a young university with a global outlook. We're ambitious and ready to take on new challenges with a future-focused drive. We strive to connect our students with the real world through practical, hands-on learning that prepares our graduates for the careers of tomorrow and the future.

## Real-world courses

Our courses prepare you to graduate real-world ready with the skills you need to find a career in Australia and abroad.

## Industry connections

We believe in creating opportunities for connection between our students and industry employers through integrated placements, internships and real-world collaborative projects.

## Innovation and entrepreneurship

Embedded into our teaching practices are the skills you need to think creatively with a focus on the future.

## Sustainability

Our vision is a low-carbon future. We aim to tackle global challenges and achieve sustainability through research, teaching and strategic partnerships.

## Graduates for the future

A degree from QUT makes you an unstoppable force ready to build, create and connect into the future.

Visit [qut.edu.au/why-choose-qut](https://qut.edu.au/why-choose-qut)

**5** Free campus shuttle bus stop  
The shuttle bus runs every 15 minutes between campuses during semester.

**6** QUT City Cat ferry stop  
**7** South Bank Parklands

**8** Kangaroo Point  
**9** Brisbane international and domestic airports

# Vibrant inner-city campuses

**QUT has two vibrant inner-city campuses that place you in the middle of all the action.**

Gardens Point is the only major university campus in the Brisbane CBD, nestled by the winding Brisbane River and set beside the City Botanic Gardens. At Gardens Point you'll find students studying business, design, engineering, information technology, law, justice, mathematics, science and more.

This campus is close to public transport and gives you easy access to the Goodwill Bridge which leads you to the city's cultural precinct, South Bank.

Kelvin Grove campus is located just 10 minutes from the city centre on QUT's free shuttle bus which runs every 15 minutes during semester. This campus is part of the Kelvin Grove Village, which gives a bustling community feel and provides access to a broad range of services and facilities.

Start your weekend visiting the Kelvin Grove weekly markets or visit an art exhibition or live performance at the Creative Industries Precinct.

At Kelvin Grove, you will find students studying communication, creative industries, design, education and health.

QUT College is located in a purpose-built facility at the Kelvin Grove Campus, with dedicated buildings and learning facilities.

QUT is designed to make your campus life very fulfilling with plenty to do inside and outside of the classroom. Across both campuses you will find quiet places to study, group work areas and student relaxation lounges where you can kick back with friends between classes.

Where you will study depends on the course you choose. You may even study across both campuses. Check the course locations in the course table on pages 8-9.

Visit [qut.edu.au/campuses-and-facilities](http://qut.edu.au/campuses-and-facilities)

## See for yourself

Take a virtual tour of QUT's campuses and amazing learning facilities.

[qut.edu.au/virtual-tours](http://qut.edu.au/virtual-tours)

# World-class learning facilities

There isn't enough room here to tell you about all the inspiring learning facilities you'll find at QUT, but here's a snapshot of our favourites.

QUT Kelvin Grove is home to the **Education Precinct**. Here you'll find learning spaces, study pods and community areas you can use for independent study, group work or chill out zones. You'll also see the **Sphere**—a digital LED globe suspended over two floors with a changing menu of innovative visual content.

At the **QUT Health Clinics**, you can work with real patients under the supervision of experienced healthcare professionals to prepare you for real-world careers.

The **Creative Industries Precinct** is the most sophisticated and technically advanced creative space in Australia.

At QUT Gardens Point, you can experience the **Science and Engineering Centre**, which is home to **The Cube**—one of the world's largest and most advanced interactive learning and digital spaces.

The **Economics and Finance Bloomberg Lab** gives you access to real-time financial data from Bloomberg to conduct financial analysis.

# Shape your own student experience

**QUT is a diverse place. It's also very welcoming. Make the most of what university life has to offer.**

## **Put orientation on your to-do list**

Tour the uni, attend workshops, make new friends and soak up the university atmosphere. Orientation is an essential start to your uni experience. Join orientation sessions where you can hear tips from successful students and find out about support services, programs and resources available to help you succeed and develop a sense of belonging at QUT.

## **Play sport to improve your well-being**

Join a competitive or social sporting program across a range of activities including athletics, football, swimming,

netball, Esports, motorsports and so much more. You can even represent the university as a QUT Tiger. QUT Tigers participate at the National University Championships where universities across the country compete against each other in up to 29 different sporting events.

## **Find your people**

The QUT Guild hosts more than 150 clubs and student societies and there is a place for everybody. From politics, religion and special interest to sport, drama, languages and anime, you're bound to find your tribe. The QUT Guild is a student-led organisation dedicated to supporting you in all aspects of your QUT experience. Can't find a club or society that's right for you? Start your own club and connect your own network.

## **Learn and lead**

Get involved through volunteering to enhance your capacity for leadership and gain skills that will be crucial to your future career opportunities. Contribute to building a vibrant campus community and help new students settle in by becoming a QUT Connector. Or become a peer leader to over 30 leadership groups that focus on helping other students succeed in their studies.

Attend workshops and our annual student leadership conference to discover your place among a community of supportive learners.

# Thrive and succeed

We all have things we want to achieve. Some of those goals are academic, some are personal. Whatever you have your sights set on, we're here to help you get there.

## Academic support

Get feedback on assessment drafts, practice your presentation skills and learn how to manage your time with free academic support services and peer adviser sessions.

## Future vision

Get help with clarifying your vision of the future with one-on-one consultations and networking opportunities while you study.

## Managing your money

Managing your money while studying can be challenging. Chat with our welfare officers for guidance and advice and to find out about the financial support and assistance on offer.

## Student services team

Moving to a new city or country can be a big change. We have a dedicated Student Services team who can support you with pre-arrival and airport reception, orientation, accommodation, adjusting to life in Australia and so much more.

## Accommodation services

There is no shortage of accommodation options located near both campuses. You can choose from student apartment complexes, managed share-house accommodation or a standard rental property.

Our dedicated Accommodation Services teams can offer advice about tenancy and rental agreements, and help you find the right accommodation option for you.

We can also support under 18s in finding welfare arrangements and appropriate accommodation before starting their studies at QUT.

## Career advisers

Dreaming of your future career but not sure how to take the first step? Start your career preparations early with our dedicated career advisers who can support you with:

- online application and résumé services
- success coaching
- drop-in career sessions
- workshops and online modules for career planning
- work integrated learning placements
- networking skills and so much more.

Diploma in Engineering	420201	KG	60.00	Maths+++

## English language requirements

You must meet the minimum English language entry requirements: English, or Literature, or English and Literature, or English as an Additional Language (Units 3 & 4, C). The equivalent Australian Interstate senior English subjects or International Baccalaureate Diploma studies or the required grade in an accepted English language test may also meet the minimum English language requirement.

Visit [qut.edu.au/study/applying/international-year-12-students](http://qut.edu.au/study/applying/international-year-12-students)

## Assumed knowledge

For most courses, QUT has an assumed knowledge scheme. This means that we don't use specific school subjects as entry criteria, however, we assume you have this knowledge when you study with us.

Visit [qut.edu.au/assumed-knowledge](http://qut.edu.au/assumed-knowledge)

## Entry requirements for double degrees

A double degree combines two bachelor's degrees into a single course of study. You can complete a double degree in a shorter time than two separate degrees, saving you time and money. Apply via QTAC, listing the double degree as one of your course preferences, the same as you would for any single degree. The ATAR requirement for a double degree is the same as the highest of the two degrees.

Visit [qut.edu.au/study/study-options/double-degrees](http://qut.edu.au/study/study-options/double-degrees)

All our course offerings can be viewed online at [qut.edu.au/international](http://qut.edu.au/international)

Area of study	QTAC code	Campus	2022 ATAR/ selection rank	Assumed knowledge and/or required subjects
<b>HEALTH</b>				Assumed Knowledge
Bachelor of Behavioural Science (Psychology)	425081	KG	77.00	
Bachelor of Biomedical Science	418401	GP	70.00	Maths++, Biology or Chemistry

Bachelor of Advanced Science (Honours) (Physics)	418072	GP	90.00	Maths++, Physics

#### Education entry requirements

- ~ Relevant score and personal statement addressing suitability criteria.
- \* You must have passed four semesters at Australian high school level or equivalent in English, or Literature, or English and Literature Extension, or English as an Additional Language and General Mathematics, Mathematical Methods, or Specialist Mathematics and at least one of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Marine Science, Physics, or Psychology.
- \*\* You must have passed four semesters at Australian high school level or equivalent in Mathematical Methods or Specialist Mathematics and at least one of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Marine Science or Physics (Units 3 & 4, B).

#### Notes

- ^^ Bachelor of Nursing requires evidence of English proficiency achieving IELTS score of 7 overall; speaking 7; listening 7; reading 7; writing 7 (or equivalent). Selection is based on additional entry requirements.
- ++ Mathematical Methods or Specialist Mathematics (Units 3 & 4, C).
- +++ General Mathematics, Mathematical Methods or Specialist Mathematics (Units 3 & 4, C).

Courses with additional entry requirements (audition/interview/portfolio) have an early QTAC closing date. Additional entry application fee is free for international students.

Visit [qut.edu.au/study/applying/creative-industries-additional-entry](http://qut.edu.au/study/applying/creative-industries-additional-entry)

Scan the QR code for up-to-date course requirements and score conversion tables (including IB scores) online.

# Pathways to QUT

Our diploma programs are designed to fast track you through your degree.

Successful completion of	Credit towards bachelor program (advanced standing)	Bachelor program	Duration remaining to complete bachelor
Diploma in Business	96 credit points (equivalent to 1 year; 8 units)	Bachelor of Business	2 years (4 semesters)
Diploma in Engineering	96 credit points (equivalent to 1 year; 8 units)	Bachelor of Engineering (Honours)	3 years (6 semesters)
Diploma in Information Technology	96 credit points (equivalent to 1 year; 8 units)	Bachelor of Information Technology Bachelor of Games and Interactive Environments	2 years (4 semesters)
Diploma in Creative Industries	96 credit points (equivalent to 1 year; 8 units)	Bachelor of Creative Industries Bachelor of Communication Bachelor of Design (selected majors) Bachelor of Fine Arts (selected majors)	2-3 years depending on the chosen degree
Diploma in Health Science (Nursing)	84 credit points (7 units)	Bachelor of Nursing	2.5 years (5 semesters) (February entry)
Diploma in Health Science (Health Studies)	Up to 48 credit points (equivalent to 1 semester; 4 units)	Pathway into a range of health bachelor programs	3-4 years depending on the chosen degree

QUT's diploma programs are a popular pathway option, with successful graduates guaranteed entry into the second year of the selected QUT bachelor degree. You will develop academic and English language skills to become more confident with your university studies, while

enjoying a complete university experience at QUT College.

After applying for your bachelor degree via QTAC and receiving a conditional offer you can request a pathway via the QUT Application Portal.

Alternatively, you will automatically receive a pathway offer if required after your results are released.

Visit [qut.edu.au/qutcollege](http://qut.edu.au/qutcollege)

## YEAR 1

Diploma program

- Business - Creative Industries
- Engineering - Health Science
- Information Technology

## YEAR 2

Bachelor degree

Up to one year of advanced standing\*

\*Advanced standing is credit granted for prior learning.

## YEARS 3-4

Continue your bachelor degree study

Take our online tour  
of QUT College  
to discover more.

# Scholarship opportunities

We're proud to offer a range of scholarships to recognise and support students in their journey to success. As an international student, you will automatically be considered for these scholarships. Be inspired by what's on offer. Visit [qut.edu.au/scholarships](http://qut.edu.au/scholarships)

## Scholarships for bachelor courses

If you have an outstanding academic or creative performance record, you may be considered for these scholarships:

### International Merit Scholarship

- Covers 25 per cent of tuition fees for the first two semesters (one year) of study at QUT.
- Available across all faculties.
- Ongoing scholarship of 25 per cent per semester\*.

### QUT Excellence Scholarships (Academic)

- Valued from AU\$10,000 up to AU\$30,000 each.
- Available across all courses.

### QUT Excellence Scholarships (creative industries)

- Valued from AU\$10,000 up to AU\$30,000 each.
- Automatically awarded to students who are highest ranked in their audition or portfolio for acting, dance, music and visual arts degrees, as well as the corresponding double degrees with business or secondary education.

### Dean's Scholars Program (QUT Business School)

- Valued from AU\$12,000 over three years.
- A further AU\$8,000 over the honour's year.

## Scholarship for diploma courses

There's more than one pathway into university. Our QUT College offers financial support during your study so you can focus on transitioning into university life.

### QUT College Merit Scholarship

You will receive AU\$3,120 to cover the first semester tuition fee for your diploma program.

\* Conditions apply

# Make QUT your first preference

There's more to consider when choosing a university than just a course.

Your time at university will be life changing. Through the experiences you have and the connections you make, you will become a valuable, adaptable and unstoppable QUT graduate.

Ready to get started?

Scan to find out how to apply to QUT.

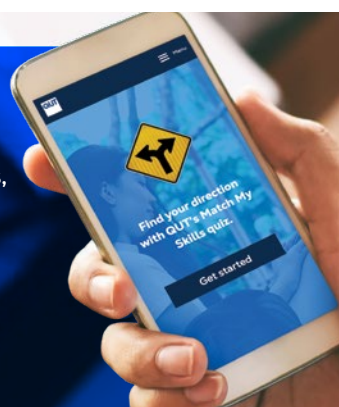

## Match My Skills quiz

Go online and answer a few questions about your strengths, interests and what you want to learn and we will deliver a personalised list of careers that may be perfect for you.

Take the quiz and find the course for you.

# Your roadmap to study at QUT

1

## Choose a QUT course

Explore your study options.  
Visit [qut.edu.au/study/international](http://qut.edu.au/study/international)  
and [qut.edu.au/assumed-knowledge](http://qut.edu.au/assumed-knowledge)  
for more information.

2

## Apply via QTAC

Submit your application  
through the Queensland  
Tertiary Admissions  
Centre (QTAC).  
Visit [qtac.edu.au](http://qtac.edu.au)

Sit tight while  
we review  
your application

3

## Receive a conditional offer

QUT will assess your application and  
provide you with a conditional offer  
letter for your highest nominated  
QUT course from late August.

Results  
released

Celebrate  
completing  
high school

4

## Change of course preference

It's okay to change your mind.  
If you wish to request an  
offer for a different course  
before or after your Year 12  
results are released, you can  
change your course via the QUT  
Application Portal for review.

**5**

## Check offer conditions

When your final Year 12 results are released, check you have met all the requirements for your offer. We will email you with further information after results are released.

Visit [qut.edu.au/assumed-knowledge](http://qut.edu.au/assumed-knowledge)

You may be eligible for selection rank adjustments, making you more competitive. The maximum possible adjustment is 10 selection ranks across all schemes. Adjustments may not apply to all courses.

Visit [qut.edu.au/adjustment-schemes-international](http://qut.edu.au/adjustment-schemes-international)

**6**

## Accept your offer

When the conditions on your offer have been met, it's time to accept.

- Log in to QUT application portal.
- Go to 'Respond to your offer' and select 'Accept'.
- Complete the Acceptance of offer form and details.

Visit [qut.edu.au/year-12-international-accept](http://qut.edu.au/year-12-international-accept)

Enjoy the  
summer break

**7**

## Enrol to study

- Activate your student account.
- Enrol in units.
- Register for classes.
- Attend orientation.
- Join a student club or society.

Visit [qut.edu.au/new-to-qut](http://qut.edu.au/new-to-qut)

Start your QUT  
adventure!

# Hear from our students

**Nhi Gia Lam** Vietnam

Bachelor of Behavioural Science (Psychology)/  
Bachelor of Business

Completed Year 12 at Mountain Creek State High School

I decided to study at QUT after visiting the campus and seeing how the students interacted with one another whilst studying. I really loved the look and feel of the university and knew it was where I wanted to study after finishing high school. QUT provides great support to international students so even though I don't have my family here with me I always feel that I am welcomed and have someone to turn to for support.

**Kirill Pletnev** Russia

Bachelor of Business/Bachelor of Engineering (Honours)

Completed Year 12 at Saint Stephen's College

QUT is passionate about connecting students and industry partners which helps create strong networks leading to employment. What we discuss during the classes are based on real-world examples—about real organisations and real problems. Connecting business interests and technological solutions is my passion and studying at QUT provides the best practical experiences to get there.

**Seohyun Yoon** South Korea

Bachelor of Engineering (Honours)

Completed Year 12 at John Paul College

QUT has been a perfect place for me academically, socially and culturally. I've had various opportunities including working as a QUT ambassador and volunteering at QUT events which helped me make a lot of new friends and be active in everyday life. I'm very happy that I chose QUT as I feel like I'm constantly developing my skills and knowledge and evolving my way of thinking—not only as a student, but also generally in personal growth.
