Australian Postgraduate Awards (APA)
2016 Rules

1. BACKGROUND

APA scholarships are awarded to students of exceptional research potential undertaking a Higher Degree by Research (HDR). APAs are provided to assist with general living costs.

The following Rules are based on the Commonwealth Scholarships Guidelines (Research) 2012 (www.education.gov.au/australian-postgraduate-awards) and adapted to comply with QUT's Higher Degree research candidate policy (www.mopp.qut.edu.au/D/D_05_03.jsp).

2. STUDENT ELIGIBILITY REQUIREMENTS

2.1 Basic Eligibility Requirements

To be eligible for an APA, a student must:

(a) have completed a Bachelor Degree with First Class Honours, or be regarded by QUT as having an equivalent level of attainment in accordance with paragraph 2.2 of these Rules; and

(b) be undertaking a Higher Degree Research at QUT; and

(c) be enrolled as an full-time and internal student, unless QUT has approved a part-time APA for the student under paragraph 2.3 of these Rules; and

(d) be a domestic student as defined in the Higher Education Support Act 2003 (the Act), or an international student in receipt of an IPRS; and

(e) if undertaking:

(i) a Research Masters, not hold a Research Doctorate or a Research Masters or an equivalent research qualification; or

(ii) if undertaking a Research Doctorate, not hold a Research Doctorate or an equivalent research qualification; and

(f) not previously have held a Commonwealth-funded postgraduate research scholarship unless it was terminated within six months of the scholarship's payments commencing; and

(g) not be receiving an equivalent award, scholarship (excluding an IPRS) or salary providing a benefit greater than 75% of the APA stipend rate to undertake the HDR. Income from sources unrelated to the course of study is not to be taken into account.

2.2 Equivalent Attainment to a Bachelor Degree with First Class Honours

If a student does not hold a Bachelor degree with First Class Honours, then QUT may determine that the student has demonstrated an equivalent level of academic attainment. In determining an equivalent level of academic attainment, QUT may consider previous study, relevant work experience, research publications, referees' reports and other research experience.

QUT's list of criteria for determining First Class Honours is detailed in Appendix 1 of these Rules.

2.3 Approval of a Part-time APA

2.3.1 QUT may approve a part-time APA for a student only if the student is a domestic student and the student has exceptional circumstances.
2.3.2 For the purpose of paragraph 2.3.1, QUT must be satisfied that the exceptional circumstances relate to significant caring commitments or a medical condition which limits the student’s capacity to undertake full-time study.

2.3.3 Examples of caring commitments include, but are not limited to:
- Caring responsibilities for a pre-school child; or,
- Caring responsibilities for school-aged children as a sole parent with limited access to outside support; or,
- Caring responsibilities for an invalid or disabled spouse, child or parent.

A Statutory Declaration, Birth Certificate or other proof will be necessary to substantiate any of the conditions above.

2.3.4 In determining exceptional circumstances when approving a part-time APA, QUT will not determine that a student is in exceptional circumstances unless it is satisfied that the student’s personal or family circumstances are such that it would be unreasonable to expect the student to study on a full-time basis.

2.3.5 Part-time awards are not available to applicants seeking to undertake paid employment on a full-time or substantial part-time basis, and recipients are subject to the same restrictions on the amount of employment as full time APA recipients.

2.3.6 Part-time awardees are expected to progress at half the time of a full time award.

2.3.7 A student who has a part-time APA may revert to full-time study at any time with the permission of QUT.

3. APPLICATION, SELECTION AND OFFER PROCESSES AND POLICIES

QUT is responsible for the APA application, selection and offer processes and must make information about the processes, policies and conditions of scholarship readily and publicly available.

3.1 Applications
- 3.1.1 QUT conducts a competitive application process for awarding APAs.
- 3.1.2 Applications for APAs must be submitted in the form approved and by the date determined by QUT.
- 3.1.3 QUT will include the following statement on the application form, immediately prior to the applicant’s signature block: “Giving false or misleading information is a serious offence under the Criminal Code (Commonwealth)”.

3.2 Selection Policy

QUT maintains an APA selection policy which accords with these Rules and the fairness requirements in Subdivision 19-D of Part 2-1 of the Act. QUT selects students for an APA in accordance with the policy.

3.3 Offer Process
- 3.3.1 QUT must offer as many APAs as it can support through its APA grant, taking into account any roll-over of grant amounts as provided for in section 46-35 of the Act and liabilities arising from additional scholarship offers, relocation and thesis allowances, paid leave provisions and extensions or suspensions of APAs approved by QUT. QUT is responsible for managing these liabilities.
3.3.2 QUT must only offer a student an APA as a result of:

- an application lodged as part of a competitive application process; or
- QUT agreeing to continue an APA for a student who is already in receipt of an APA and is transferring from another Higher Education Provider under paragraph 4.3 of these Rules.

3.3.3 QUT will offer an APA to a student in writing and advise the student in writing of the assistance to which they are entitled and the conditions of the APA.

3.4 Approval for Change to External Study Mode

3.4.1 QUT may approve a change to External study mode only if the student has exceptional circumstances.

3.4.2 For the purpose of paragraph 3.4.1 QUT must be satisfied that the exceptional circumstances relate to access to research related infrastructure or services where related arrangements would enhance the student’s capacity to undertake the proposed research.

3.5 Payments to Students

3.5.1 QUT must spend APA grant amounts only on the making of APA payments to students awarded an APA who are undertaking their HDR with QUT.

3.5.2 Each year, QUT must pay each student the full value of their APA stipend unless that student has commenced late or suspended their APA or the APA has been terminated. Where a student is not enrolled over the full period of the year, because of a late commencement or periods of suspension, QUT must pay at least the proportion of the annual stipend for the period in which study is undertaken for that year.

3.5.3 QUT must make fortnightly payments to students in respect of their annual stipend. Payments must be made directly to students. To avoid doubt, payment into an account in the student’s name with an Australian ADI (as defined in the Corporations Act 2001) is considered to be a payment directly to the student.

3.6 Value of Scholarships and Indexation Arrangements

3.6.1 The 2016 APA stipend rates are listed in Appendix 2.

3.6.2 The full-time APA stipend rate for any particular year may be the same as that for the preceding year, indexed in accordance with the method set out in Part 5-6 of the Act, or it may be a different amount, as determined by the Minister of Education.

3.7 Relocation Allowance

Students may be eligible for a relocation allowance in addition to the annual stipend for the cost of relocating themselves, their spouse and dependants to a new place of residence where this is necessary to enable the student to undertake the HDR. QUT must maintain and apply its relocation allowance policy. A claim for relocation allowance is assessed against QUT’s relocation allowance policy (see Appendix 3).

3.8 Thesis Allowance

Students may be eligible for a thesis allowance in addition to the annual stipend for the cost of producing a Research Masters thesis, Research Doctorate thesis. QUT must maintain and apply its thesis allowance policy. A claim for thesis allowance is assessed against QUT’s thesis allowance policy (see Appendix 4).

3.9 Duration of an APA

3.9.1 The duration of an APA is three years for a student undertaking full time Research Doctorate studies, and 6 years for a student undertaking part time Research Doctorate studies.
3.9.2 The duration of an APA for a student undertaking Research Masters studies is the standard duration of the Research Masters course (as presented in the relevant QUT study guide).

3.9.3 The duration of an APA will be reduced by any periods of study undertaken:

(a) towards the degree prior to the commencement of the APA; or

(b) towards the degree during suspension of the APA (unless the study was undertaken overseas as part of a Commonwealth Government financially supported international postgraduate research scholarship or award – see paragraph 2.1(g)); or

(c) previously while receiving an Australian postgraduate coursework award.

3.9.4 The duration of an APA will be increased by any periods of paid sick or maternity leave approved by QUT.

3.10 Extension of an APA

3.10.1 QUT may approve an extension to the duration of an APA for a Research Doctorate student of up to six months provided the student is making satisfactory progress and the grounds for the extension relate to the study and are beyond the control of the student.

3.10.2 QUT may approve an extension to the duration of an APA for a Research Masters student of up to six months provided the grounds for the extension relate to the study and are beyond the control of the student. QUT will not approve an extension to the duration of an APA for a Research Masters student beyond 2 years full time or 4 years part time.

3.10.3 An application to extend the period of tenure of the APA should be submitted using the appropriate QUT form within three months of the end of the APA. Any delays must be highlighted in the Annual Progress Reports. The student’s Faculty will fund 50% of any approved APA extension.

3.10.4 If a part-time APA is converted to a full-time APA then the period of time that the student is regarded as having been in receipt of the part-time APA immediately prior to the conversion will be halved for the purpose of determining the duration the student is regarded as having been in receipt of a full-time APA immediately after conversion.

3.10.5 If a full-time APA is converted to a part-time APA then the period of time that the student is regarded as having been in receipt of the full-time APA immediately prior to the conversion will be doubled for the purpose of determining the duration the student is regarded as having been in receipt of a part-time APA immediately after conversion.

4. CONDITIONS OF SCHOLARSHIP

4.1 Ongoing Eligibility

4.1.1 QUT monitors students’ ongoing eligibility through the Annual Progress Reports and degree milestones to ensure that each student continues to meet the eligibility requirements set out in paragraph 2.1 of these Rules.

4.1.2 APA recipients are required to notify the Research Students Centre as soon as possible of any change in circumstances which may affect eligibility to continue to receive any Scholarship Entitlements.

4.2 Suspensions of an APA

4.2.1 Students may apply QUT for a suspension of their APA. The approval of a suspension will be at the discretion of QUT. (In respect of a scholarship, a suspension means a period of time during which a scholarship holder is not receiving scholarship payments.)

4.2.2 Any periods of study undertaken during a suspension will be deducted from the maximum period of tenure of the APA.
4.2.3 If prior approval of a suspension is not obtained, the student shall be deemed to be absent without permission and the APA shall terminate.

4.2.4 If the student does not resume study at the conclusion of a period of suspension, or does not make arrangements to extend that period of suspension, the award will terminate.

4.3 Transfer to another Higher Education Provider (HEP)

Students who transfer to another HEP may continue to receive their APA only if their new HEP agrees to its continuation and subject to the new HEP having sufficient APA grant amounts of its own available. QUT will (upon request) provide information to the new HEP on any APA payment the student has received and the duration of the APA already consumed.

4.4 Conversion of Degrees

4.4.1 Students may convert from a Research Masters degree to a Research Doctorate degree or from a Research Doctorate degree to a Research Masters degree, and continue to receive their APA.

4.4.2 A student who completes a Research Masters may continue to receive their APA for a Research Doctorate provided there is no interval between the completion of the Research Masters and the commencement of the Research Doctorate, or that such an interval is covered by suspension of the APA.

4.4.3 The maximum duration of a converted APA becomes that for the new research degree minus periods of study undertaken towards the related degree prior to the conversion.

4.5 Leave Entitlements

4.5.1 Students are entitled to receive up to 20 working days’ paid recreation leave and 10 working days’ paid sick leave for each year of the APA. These leave entitlements may be accrued over the life of the APA but will be forfeited when the APA is terminated. These leave entitlements can be taken at any time within the term of the award by agreement with the supervisor and do not require RDC approval or notification. Milestone dates will not be adjusted and satisfactory progress must be maintained.

4.5.2 Students are entitled to receive additional paid sick leave of up to a total of 12 weeks during the duration of the APA for periods of illness where the student has insufficient sick leave entitlements available under paragraph 4.5.1, provided that a medical certificate has been provided by the student to QUT.

4.5.3 Sick leave entitlements (including additional sick leave) may also be used to cover leave for students with family caring responsibilities, subject to the usual practice of QUT.

4.5.4 Students who have completed 12 months of their APA are entitled to a maximum of 12 weeks paid maternity leave during the duration of the APA. Subject to the usual practice of QUT, paid leave may also be approved if the student has adopted a child.

4.5.5 Students who are partners of women giving birth during an APA and who have completed 12 months of their APA may be entitled to a period of paid parenting leave (up to 10 working days) at the time of the birth or adoption, subject to the usual practice of QUT.

4.5.6 Leave of Absence, including any leave taken in consultation with your supervisor that is less than 20 days, will not be grounds for an extension of scholarship. All leave must be managed so that it has no adverse impact on the satisfactory completion of your research milestones. If this will not be the case, then please apply for unpaid leave of absence and suspension of your scholarship using the Leave of Absence form.

4.5.7 Students may apply to RDC for leave of absence from their degree and suspension of the APA for periods up to twelve months. Periods of leave greater than 20 days must be approved by the RDC.
4.5.8 APA recipients must apply for leave of absence before the leave of absence occurs to ensure scholarship payments are suspended in a timely manner or the correct paid leave entitlements are applied to the duration of the recipient’s leave.

4.6 Work

4.6.1 Domestic students may undertake work outside the HDR, subject to QUT’s approval. International students may undertake work consistent with the conditions of their student visa and subject to the approval of QUT prior to undertaking such work.

4.6.2 With the approval of the supervisory panel and Head of School in which the course of study is being undertaken (following the advice of the principal supervisor), the student may engage in a limited amount of part-time employment provided that such employment does not interfere with the course of study. Students, therefore, are allowed to undertake between 8 to 10 hours during the normal working week. Also refer to 4.6.4 below regarding income for part-time employment.

4.6.3 The supervisory panel will report on the amount of part-time employment during the normal working week in the Annual Progress Report.

4.6.4 There is no limit on how much income an award holder can receive from part-time work which is not related to the research topic (in line with the recommended hours of part-time employment in 4.6.2 above).

4.6.5 QUT reserves the right to terminate the award of any recipient whose progress, as a result of additional work undertaken, is not satisfactory.

4.6.6 QUT will not approve a student undertaking work unless it is satisfied that the work will not interfere with the student’s study for their HDR.

4.6.7 Work commitments cannot be accepted as grounds for an extension of the duration of the APA.

4.7 Termination of an APA

4.7.1 QUT must terminate an APA:

(a) if the student ceases to meet the eligibility criteria specified in paragraph 2.1 of these Rules, other than during a period in which the APA has been suspended or during a period of leave in accordance with paragraph 4.2 of these Rules; or

(b) when the student ceases to be a full-time student and approval has not been obtained from QUT to hold the APA on a part-time basis; or

(c) when the student completes the course of study, unless completing a Research Masters and undertaking a Research Doctorate studies under paragraph 4.4.2 of these Rules; or

(d) if QUT determines that:

i. the course of study is not being carried out with competence and diligence or in accordance with the offer of the APA; or

ii. the student has failed to maintain satisfactory academic progress; or

iii. the student has committed serious misconduct, including, but not limited to the provision of false or misleading information in terms of paragraph 4.8.

4.7.2 If an APA is terminated, it cannot be re-activated unless the termination occurred in error.
4.8 Provision of False or Misleading Information

If QUT knows or has reason to believe that a student in receipt of an APA has provided false or misleading information to QUT in relation to the APA, QUT must immediately:

- re-assess the student’s entitlement to the APA; and
- notify the Department of Education of the suspected offence and provide a copy of the student’s application and any other relevant information requested by the Department of Education.

5. MISCELLANEOUS

5.1 Supervision and Facilities

QUT must:

(a) ensure that adequate facilities and appropriate supervision are available for each student undertaking a HDR; and

(b) establish, make publicly available, and abide by, a code of supervisory practice for students undertaking a HDR.

5.2 Overpayment of a scholarship

If, in the opinion of QUT, a student has been overpaid any part of an APA entitlement (either through the failure of the student to comply with these Rules or for any other reason), the student will be required to repay the full amount of the overpayment, without deduction within thirty days of being requested to do so by QUT.

5.3 Appeals

Students have the right to appeal against decisions made by QUT in relation to their APA. In the event of a dispute arising, the student should first approach his or her supervisor who will then direct the student through the appropriate channels within QUT. The Research Degrees Committee has the authority to hear appeals from applicants who consider that their application has been incorrectly assessed. Appeals can only be heard against process issues and not against committee decisions or assessor ratings and comments.

Appendix 1: Guidelines for Determining H1 and H2A equivalence

**Guidelines for Determining H1 and H2A Equivalence**

The following table lists criteria approved to judge Honours 1 (H1 and H1E) for scholarships and Honours 2A (H2A and H2AE) for admission equivalency eligibility.

**H1 or H1E for Scholarships**

- Eligibility for most QUT-funded scholarships (excluding the IPRA and WRE) requires First Class Honours (H1)

**H1 Actual:** A completed Australian Bachelor Honours Degree\(^1\) in the First Class (H1) **OR**

**H1E Actual (O/S):** A completed overseas qualification comparable to the educational level of an Australian Bachelor Degree\(^1\):

- with a duration of normally no less than 4 years (either as a four year award or a three year Bachelor followed by an end on Honours year) AND
- an overall GPA comparable to at least a 6.0 on a 7-point scale (where pass = 4) for a four year award or a 6.5 on a 7-point scale (where pass=4 for a 1 year end on honours AND
- containing a significant and major thesis, dissertation, design project or creative work that has been
  ⇒ successfully examined by at least two examiners\(^2\) **OR**
  - Awarded a grade of at least 6.0 on a 7-point scale (where pass =4)

**H1E (Completed Masters by Research):** A completed domestic or overseas qualification comparable to the educational level of an Australian Masters Degree (by Research)\(^1,3\) **OR**

**H1E (Completed Masters O/S):** A completed overseas qualification containing:

- a significant research component\(^4\) of at least 50%; AND
- awarded an overall grade of at least a Distinction and/or at least 75% **OR**

**H1E (Completed Coursework Masters):** A completed Australian Masters by Coursework or overseas qualification (comparable to the educational level of an Australian Masters by Coursework Degree) containing:

- a relevant research component\(^4\) of at least 25% AND
- documented relevant research experience\(^5\) AND
- awarded an overall grade of at least a Distinction and/or at least 75% **OR**

**H1E (Completed 4-year Bachelor):** A completed Australian or overseas qualification containing:

- a relevant research component\(^4\) AND
- at least three years of documented relevant research\(^5\) **OR**

**H1E (a current enrolment) with:**

- a timely Doctoral Confirmation of Candidature\(^6\); **OR**
- a timely Articulation\(^6\) (from a Masters Degree by Research)\(^1,3\)
H2A or H2AE for Admission

• Admission to the Doctor of Philosophy (PhD) requires a minimum equivalence level of Upper Second Class (H2A)

**H2A Actual:** A completed Australian Bachelor Honours Degree\(^1\) in the Upper Second Class (H2A) OR

**H2AE Argument:** A completed overseas qualification comparable to the educational level of an Australian Bachelor Degree\(^1\):

- with a duration of normally no less than 4 years AND
- an overall GPA comparable to between 5.0 and 5.9 on a 7-point scale (where pass = 4) AND
- containing a significant and major thesis, dissertation, design project or creative work that has been
  \[⇒ \text{examined by at least two examiners}\(^2\) OR\]
- has a grade comparable to between 5.0 and 5.9 on a 7-point scale (where pass = 4) OR

**H2AE (M by CW):** A completed Australian Masters Degree\(^1\), or a completed qualification comparable to the educational level of an Australian Masters Degree\(^1\),

- with greater than 25% research AND
- an overall GPA of at least 5.0 on a 7-point scale (where pass = 4) OR

**H2AE Argument:** A current doctoral enrolment with either:

- a non-timely Doctoral Confirmation of Candidature\(^6\) OR
- a non-timely\(^6\) Articulation from Masters Degree (Research) OR
- a completed Doctoral Stage 2 milestone

\(^1\) For the purpose of its admission and scholarship assessment process, QUT uses Australian Education International's National Office of Overseas Skills Recognition (NOOSR) and the National Recognition Information Centre for the United Kingdom (UK-NARIC) to assist in determining the comparability of an overseas qualification to an appropriate level of Australian qualification.

\(^2\) A copy of the research work and both examiners reports must be submitted. Examiners may not be part of the supervisory team. Where the examiners reports are written in a language other than English a complete, certified translation must be provided.

\(^3\) The Australian Qualification Framework's definition of a research degree requires it to contain a minimum of 2/3 (66.7%) research, research training and independent study.

\(^4\) Relevant\(^*\) Research component: Courses that encompass learning outcomes that establish research skills through course work content and assessment. For instance, undertaking an individually produced (and supervised) research project that includes a written report with a combined minimum course volume equivalent, or more than four units at QUT, as completed as part of a bachelors degree or coursework masters degree. Research carried out in groups should at least have been graded individually.

\(^5\) Relevant\(^*\) research experience must be evidenced. Relevant research experience demonstrates research ‘preparedness’ in that you have planned and executed research work and/or a body of research and scholarship with independence. Research preparedness can be demonstrated by providing evidence in at least one of the following ways:

- Scholarly papers involving a substantial contribution as an author, appearing in relevant quality\(^*\) academic journals or in volumes published by academic publishers (*list/scimago score provided by Faculty).
- Relevant research or technical reports prepared for industry, government or business, which adhere to the broad conventions of academic publishing (i.e. contain an up-to-date review of relevant literature, a description of relevant research methods and an evaluation of results, etc.) and which identify you as a significant contributor.
- A portfolio of relevant published creative work together with published critical discussion of some or all of that work, or of a comparable body of work by others, and which demonstrates your development of a scholarly approach to creative work as research investigation.
- Proven relevant industry or work experience, of at least two years, where you can demonstrate that you have planned and executed a research project, working with a high level of independence.

\(^6\) For the purpose of QUT’s admission and scholarship assessment process, a ‘timely’ doctoral confirmation of candidature and ‘timely’ articulation is one that is completed not more than 13 months FTE after commencement of the degree.
*If you do not hold one of the above qualifications, you will only be considered for a scholarship if you have significant relevant research experience in which case you may be referred to the Dean for consideration, based on Faculty advice.

^ The term ‘relevant’ in this context refers to the faculty or field of research the applicant is applying to enter.

### Responsible Officer:
Coordinator (Research Scholarships, Admission and Enrolment), Research Students Centre

1 For the purpose of its admission and scholarship assessment process, QUT uses Australian Education International’s National Office of Overseas Skills Recognition (NOOSR) and the National Recognition Information Centre for the United Kingdom (UK-NARIC) to assist in determining the comparability of an overseas qualification to an appropriate level of Australian qualification.

2 A copy of the research work and both examiners reports must be submitted. Examiners may not be part of the supervisory team. Where the examiners reports are written in a language other than English a complete, certified translation must be provided.

4 For the purpose of QUT’s admission and scholarship assessment process, a ‘timely’ doctoral confirmation of candidature and ‘timely’ articulation is one that is completed not more than 13 months FTE after commencement of the degree.

5 First author means sole first author and not joint first author. First author is a proxy for the student having been through an equivalent experience to an Honours 1 graduate. That is, conducting an independent research project, taking responsibility for all aspects of the research process under supervision, writing a thesis and having it examined by two independent examiners and having it rated and assessed at Honours 1 level.

Prior to 2013, the part-time APA stipend included a component to ensure that part-time HDR students received the equivalent of half a full-time stipend after tax. From the 2012-13 financial year the tax-free threshold (www.ato.gov.au/taxfreethreshold) increased to $18,200. As a result, the part-time stipend rate is half of the full-time rate.

Appendix 3: Relocation Allowance

A relocation allowance is available to domestic students who must move from another Australian city to Brisbane to take up the award. The maximum level of reimbursement for the sum of both travel and removal expenses is $1,520.

Allowable items include:

- One-way economy airfare from another Australian city to Brisbane for the student, spouse and/or dependants. Boarding passes must be provided.
- Where a student elects to travel by car, a per kilometre allowance up to the equivalent (economy) airfare costs.
- Removal expenses of up to $505 per adult and $255 per child.

Applicants who relocate to Brisbane prior to being offered an APA with QUT will not be eligible to receive the relocation allowance.

Reimbursement claims must be made within two (2) years of termination of the award and within twelve (12) months of submission of the thesis. Original receipts and a Supplier Maintenance Form (www.frp.qut.edu.au/forms/supplier_maintenance.doc) must be provided to the Research Students Centre.

Appendix 4: Thesis Allowance

(Note: Effective 1 January 2013, QUT no longer requires a hard bound thesis to be provided as part of the examination process. Any copies made would be for Faculty, School, Supervisor, Student or other key stakeholders consistent with any faculty based requirements and/or identified student need.)

A thesis allowance can be claimed after submission of the thesis and on production of original receipts:

- up to $420 for Research Master theses
- up to $840 for Research Doctorate theses

Claims are allowed for costs associated with the production of the thesis and not for goods which will endure past the production stage such as hardware and/or software.

Claims must be made within two (2) years of termination of the award and within twelve (12) months of submission of the thesis. Original receipts and a Supplier Maintenance Form (www.frp.qut.edu.au/forms/supplier_maintenance.doc) must be provided to the Research Students Centre.
