FACULTY OF HEALTH

Course Structures

■ Master of Nursing (NS85)

Location: Gardens Point campus

Course Duration: 1.5 years full-time, 3 years part-time

Total Credit Points: 144

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Ms Karen Stolz

Entry Requirements

NORMAL ENTRY

Applicants shall hold a Bachelor of Applied Science (or equivalent) in the appropriate discipline for which they are seeking admission and shall normally have had at least one year of appropriate work experience in the discipline for which they are seeking admission.

Applicants may be required to attend an interview with the Head of School and/or Course Coordinator to establish suitability for entrance into the course.

Applicants must hold a qualification in nursing acceptable for registration by the Nurses Registration Board of Queensland.

SPECIAL ENTRY

Applicants who do not hold the specific tertiary qualification required of normal entrants may be admitted upon successful completion of a qualifying program prescribed by the Head of School.

Special Course Requirements

Students are required to negotiate with appropriate health organisations for additional clinical practice placement outside the formal contact hours in order to meet the course requirements.

Students must select one area of clinical specialisation and one area of advanced nursing practice and complete the three subjects in each area of study.

Clinical specialisation areas offered in 1992: Medical/Surgical Nursing, Primary Health Care Nursing, Psychiatric/Mental Health Nursing, Midwifery, Child and Adolescent Nursing and Gerontological Nursing.

Advanced Nursing areas offered in 1992: Management, Education and Clinical.

■ Master of Public Health (PU85)

QUT, Griffith University and The University of Queensland offer a joint Master of Public Health (MPH) degree, bringing together interdisciplinary knowledge and skills in public health across the three universities. Students enrol in and graduate from the university in which they undertake their specialist electives and which supervises their dissertation.

Location: Gardens Point campus

Course Duration: 1.5 years full-time, 3 years part-time

Total Credit Points: 144

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Mr Paul Hindson

Entry Requirements

The entry requirements for the MPH are identical for the three collaborating institutions, and are as follows:

- (1) A person may first enrol as a candidate for the degree only if that person:
 - (i) holds a bachelor degree from the university or a similar qualification from an approved institution in the health, behavioural, social or biological sciences:
 - (a) with first or second class honours;
 - (b) which required study for at least four years; or
 - (c) which required study for at least three years, if:
 - (A) a postgraduate diploma from the university or an approved institution is also held;
- or

(B) the research publications and written reports of that person satisfy the Faculty Academic Board that the applicant should be accepted as a candidate; and

(ii) has, since obtaining the qualifications required, had training or experience in a relevant field for a period of at least:

(a) three years, where the applicant seeks entry through paragraph (i) (c) (B);
or

(b) two years, otherwise.

(2) The Dean may allow a person to be admitted as a candidate, if of the opinion:

(i) that a person has obtained a basic professional qualification in the health, behavioural, social or biological sciences in that person's home country;

(ii) that person has subsequently had at least four years of relevant professional experience, which may include a post-basic diploma or other relevant training;
and

(iii) the qualifications and experience referred to above warrant admission.

(3) Notwithstanding subrules (1) and (2), a person may not be admitted without first satisfying the Dean, if necessary by passing an examination, that the person has both the level of scientific understanding and the level of proficiency in the English language to undertake the course successfully.

(4) For the purposes of subrule (1) an approved institution is one which, in the opinion of the Faculty Academic Board, maintains standards comparable to those of the university.

Application for Admission

Students enrol at the university in which they expect to undertake their specialist elective subjects and in which their dissertation will be supervised. Because this choice must be made before enrolment, a person seeking entry to the degree of Master of Public Health must, prior to application for admission, consult the Directorate of the MPH program (located at the Medical School in Herston).

Course of Study

(1) A candidate must:

(i) pursue the course (full-time) for not less than three nor more than six semesters;
and

(ii) obtain 144 credit points (48 per semester F/T, 24 P/T) comprising:

(a) credit for all subjects listed in Part A of the Schedule (core subjects)

(b) 36 credit points from subjects listed in Part B of the Schedule (electives);
and

(c) credit for PUN607 Dissertation (48 credit points)

(2) The Dean of Health may grant credit for a core subject if the Director considers the candidate has, while enrolled in this course, passed a subject or subjects at least its equivalent in content and standard at any of the three collaborating institutions.

Credit for a Subject

To obtain credit for a subject a candidate must:

(i) attend lectures, seminars, tutorials, practicals and other classes;

(ii) undertake laboratory and fieldwork;

(iii) complete assignments, project reports and theses;

(iv) pass examinations; and

- (v) fulfil any other requirement in the manner and to the extent prescribed by the Director concerned.

Dissertation

- (1) A candidate may not submit a dissertation for PUN607 without approval of the topic by the Director of the program after consultation with the supervisors.
- (2) The dissertation must be examined by two examiners appointed by the Director.
- (3) A candidate may, with the approval of the Director, submit further original work, whether published or not, for the consideration of the examiners.
- (4) The Director shall determine whether credit will be awarded for the dissertation after considering the reports of the examiners.

Power of the Faculty Board to Terminate Enrolment

The Faculty Academic Board may, at any time, terminate a candidate's enrolment if it is of the opinion that the candidate has supplied incomplete or inaccurate information with respect to application for enrolment.

Grant of Degree

The degree of the Master of Public Health may be conferred on a candidate who has fulfilled the requirements of these rules and complied with the provisions of all Statutes and other applicable rules.

Course structure

Full-time students in the program undertake a coursework component in their first two semesters (or four semesters part-time - two subjects per semester), followed by a dissertation component of one semester (or two semesters part-time). The coursework component comprises five core subjects and three advanced elective subjects.

PART A

Core Subjects

PUN602	Health Planning, Management & Evaluation	(QUT)
PUN603	Environmental & Occupational Health	(GU)
PUN604	Principles of Epidemiology	(UQ)
PUN605	Statistical Methods & Computing	(UQ)
PUN606	Social & Behavioural Sciences in Public Health	(GU)

PART B

Advanced elective subjects offered by QUT

		Credit Points	Contact Hrs/Wk
LWS006	Health, Ethics & the Law	12	3
PUN608	Economics & Health	12	3
PUN609	Health Care Finance	12	3
PUN610	Health Services Management	12	3
PUN611	Advanced Health Planning	12	3
PUN612	Advanced Health Evaluation	12	3

(Additional elective subjects are offered by other collaborating universities.)

PART C

Dissertation – the dissertation is equivalent to an honours dissertation in type and scope and is expected to be between 10000 and 20000 words in length.

■ Graduate Diploma in Advanced Nursing Practice (NS62)

Location: Gardens Point campus

Course Duration: 1 year full-time, 2 years part-time

Total Credit Points: 96

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Ms Karen Stolz

Entry Requirements

NORMAL ENTRY

Applicants for admission to the course shall hold a nursing qualification acceptable for registration by the Nurses Registration Board of Queensland; shall hold a degree or diploma in nursing; and shall normally have at least one year of appropriate post-registration clinical experience.

SPECIAL ENTRY

An applicant who does not meet the requirements for normal entry may present documentary evidence of qualifications, experience and other relevant information for special consideration by the Head of School. Such an applicant may be required to undertake appropriate bridging subjects to be determined at the discretion of the Head of School. The subjects would normally be selected from areas of study in the Bachelor of Nursing course.

Special Course Requirements

Students are required to negotiate with appropriate health organisations for additional clinical practice placement outside the formal contact hours in order to meet the course requirements.

Each student must select one area of specialisation and complete the three subjects in that area of study. Three areas of specialisation will be offered in 1992: Medical/Surgical Nursing, Primary Health Care Nursing and Psychiatric/Mental Health Nursing.

Students are required to undertake elective studies. All options may not be available in 1992.

■ Graduate Diploma in Health Science (Health Education) (PU68)

Location: Kelvin Grove campus

Course Duration: 2 years part-time internal and external

Total Credit Points: 96

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Dr Mary-Lou O'Connor

Entry Requirements

To be eligible for admission, an applicant must hold the following:

- (i) an approved degree/diploma, or General Nursing Certificate and two post-basic nursing certificates or equivalent; and
- (ii) at least one year's experience in the field of teaching or community health.

Special Course Requirements

There are three sections in the course – Core Studies, Professional Studies and Elective Studies. All Core Studies are compulsory; however, with the approval of the Course Coordinator PUP027 Independent Study (12 credit points) may be substituted for one of the Core Studies subjects. Subjects in Professional Studies are elective, and may be taken from one of the two strands, ie. School Health or Community Health. The scheduling of elective subjects is subject to staff availability and student demand.

■ Graduate Diploma in Nutrition and Dietetics (PU62)

Location: Gardens Point campus

Course Duration: 1.5 years full-time

Total Credit Points: 144

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Mrs Sandra Capra

Professional Recognition

Graduates are eligible for membership of the Dietitians Association of Australia. This is the only recognised course for dietitians in Queensland.

Entry Requirements

NORMAL ENTRY

To be eligible for registration in the course the applicant must have completed an acceptable degree which includes systematic physiology and metabolic biochemistry, both of which have been studied successfully at second level.

SPECIAL ENTRY

Applicants not completely satisfying the subject requirements may obtain registration upon completion of bridging courses prescribed by the Head of School.

Graduate Standing

Where an equivalent course of study or examination cannot be readily established, an applicant, at the discretion of the Dean of Faculty, may be permitted to undertake a qualifying examination, satisfactory completion of which will entitle such person to the status of graduate or diplomate for the purpose of admission.

Note

Applicants should contact the Head, School of Public Health, by letter when lodging the application for admission.

Special Course Requirements

Before entering the third semester of study, students shall have completed all subjects of the first and second semesters.

Field trips as detailed in Subject Synopses have an attendance requirement and shall be assessed.

■ Graduate Diploma in Occupational Health and Safety (PU65)

Location: Gardens Point campus

Course Duration: 2 years part-time

Total Credit Points: 96

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Mr Terry Farr

Entry Requirements

NORMAL ENTRY

The normal entry requirement for the course is a bachelors degree or equivalent in an appropriate discipline from a recognised tertiary institution. There is no assumption of prior knowledge in occupational health and safety.

SPECIAL ENTRY

Special entry will be considered for a person without a degree, in view of experience and responsibility in occupational health and safety. As the course is academically demanding and high standards of performance are expected, such candidates will require either an extensive background in the discipline or other suitable tertiary qualifications and appropriate experience to be offered a place.

In some instances, preliminary bridging studies in the physical sciences may be required.

Additional Requirements

All applications for entry will be judged on their individual merit, but considered against a background of the course quota and the benefit of having a diverse class cohort.

■ Bachelor of Applied Science (Environmental Health) (PU42)

Location: Gardens Point campus

Course Duration: 3 years full-time

Total Credit Points: 288

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Mr Bruce Fleming

Professional Recognition

Graduates are eligible for membership of the Australian Institute of Environmental Health and the Environmental Institute of Australia. This course is the only one available in Queensland from which graduates will be approved by the Director-General of Health to work as an environmental health officer or health surveyor within the State.

Special Course Requirements

A registered student may enrol only in a full-time program. Arrangements to complete the course through a 'sandwich' program can be discussed with the course coordinator. This method of attendance is relevant to students living outside the Brisbane region and those who are employed as trainee Environmental Health Officers. Trainee Environmental Health Officers are permitted a maximum of six years to complete the course.

Field trips as detailed in the Subject Synopses have an attendance requirement and will be assessed.

For students commencing the course prior to 1991

■ Bachelor of Applied Science (Optometry) (OP42)

Location: Gardens Point campus

Course Duration: 4 years full-time

Total Credit Points: 384

Standard Credit Points/Full-time Semester: 48

Course Coordinator: Associate Professor Peter Swann

Professional Recognition

In each state and territory of Australia, the practice of optometry is regulated by Boards of Optometrical Registration which are statutory bodies set up under Acts of States' Parliaments. Under these Acts, the practice of optometry is restricted to persons whose names appear on the Register. On completion of the degree course at QUT, the graduate will have satisfied the requirements of the Optometrists' Board of Queensland, and may apply for registration to practise as an optometrist in Queensland and all States and Territories of Australia.

Special Course Requirements

The degree may be awarded with Honours, First Class Honours, Second Class Honours Division A and Second Class Honours Division B. Candidates for the degree with Honours must fulfil the requirements for the pass degree and achieve such standard of proficiency in all the subjects of the course as may from time to time be determined by the Academic Board and approved by the Academic Committee.

Some items of ophthalmic equipment are required by students for clinical use from the beginning of the third year of the course. Academic staff provide advice regarding the purchase of these instruments.

■ Bachelor of Applied Science (Podiatry) (PU45)

Location: Gardens Point campus

Course Duration: 3 years full-time

Total Credit Points: 288

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Mr Alan Crawford

Professional Recognition

Graduates are eligible for State Registration throughout Australia. This qualification is also acceptable for registration in the United Kingdom, New Zealand and the EEC countries.

Graduates also become Members of the Australian Podiatry Association and are eligible to apply for membership of the Australian Sports Medicine Federation.

Special Course Requirement

Students are required to undertake 180 hours of clinical practice between semesters in the second and third years of the course.

■ Bachelor of Business (Health Administration) (PU48)

Location: Gardens Point campus

Course Duration: 3 years full-time, 6 years part-time

Total Credit Points: 288

Standard Credit Points/Full-Time Semester: 48

Professional Recognition

Students who complete the Bachelor of Business (Health Administration) degree are eligible for membership of the Australian College of Health Service Executives.

Students who complete the Health Information Management Major are eligible for membership of the Medical Record Association of Australia.

Health Administration and Health Information Management Electives

Electives may be chosen from any degree courses, subject to prerequisite requirements, availability of the subject in the timetable and approval of the Head of School.

Subject to sufficient student numbers, the following are offered as Health Administration electives:

PUB533	International Health Care Systems (First Semester)
PUB431	Health Care Economics 2 (Second Semester)
PUB528	Health Administration Project (First and Second Semesters)

■ Bachelor of Nursing (Postregistration) (NS48)

Location: Kelvin Grove campus

Course Duration: 1.5 years full-time, 3 years part-time

Total Credit Points: 144

Standard Credit Points/Full-Time Semester: 48

Course Coordinator: Ms Joan Penridge

Professional Recognition

This course is recognised by the Royal College of Nursing, Australia as satisfying the academic requirements for admission as a professional member.

Advanced Standing

Advanced standing of one year will be granted to graduates of the following courses conducted at QUT:

- Diploma of Applied Science – Nursing; and
- Post-registration Diploma of Applied Science courses, since (and including) 1982.

Advanced standing of six months will be granted to graduates of Diploma level nursing courses other than those conducted at QUT.

Electives

Students may select elective subjects (other than the identified nursing elective) either within or outside the School of Nursing. It will be necessary to seek approval from the appropriate School to enrol in elective subjects.
