EXECUTIVE DEAN'S MESSAGE

Our students have been prepared to be professionals in the health sector who will thrive in a rapidly changing world, and today we recognise the diverse achievements of a select group of outstanding students from across the Faculty of Health's seven schools.

My sincerest congratulations to the award and prize recipients who have worked hard in their academic studies and their contributions to the people and communities they serve. We are proud to play a role in your continued development.

I also want to personally thank the sponsors and donors for your generous contributions. Your support makes possible these recognitions of academic excellence and future potential as leaders in healthcare.

A handwritten signature in black ink that reads "Yates".

Distinguished Professor Patsy Yates AM
Executive Dean, Faculty of Health

Simon Ashton's Family

The Cowled Foundation

The Lacaze Family

Professor Bruce Lawford and
Dr Susan Shadforth

Jason McLellan

Dr Susan Mahon's Family

The Taylor Family

Australasian Association for Clinical Biochemistry and Laboratory Medicine

The Australasian Association for Clinical Biochemistry and Laboratory Medicine (AACB) is the principal professional association dedicated to the advancement of Clinical Biochemistry and Laboratory Medicine in Australasia.

Australasian Association for Clinical Biochemistry Prize for Biochemistry, \$844 value

Awarded to the third-year Bachelor of Medical Laboratory Science student with the highest overall achievement in the units, Chemical Pathology and Diagnostic Endocrinology.

Michelle Seeto

Australian Institute of Medical and Clinical Scientists

The Australian Institute of Medical and Clinical Scientists (AIMS) is the peak professional body representing medical and clinical scientists working throughout Australia in all disciplines of laboratory medicine.

Australian Institute of Medical and Clinical Scientists Barbara Bain Prize for Haematology, \$580 value

Professor Barbara Bain is an eminent haematologist who grew up in Maryborough, Queensland. She is currently a Professor of Diagnostic Haematology at the Imperial College London Faculty of Medicine, and an Honorary Consultant Haematologist at St Mary’s Hospital, London. Professor Bain contributes to the World Health Organisation classification system on haematological malignancies and has long established connections with AIMS and the training and professional development of haematology scientists.

Awarded to the third-year Bachelor of Medical Laboratory Science student who achieved the highest aggregate percentage in the haematology units, Principles and Practice in Clinical Haematology and Applied Clinical Haematology.

Michelle Seeto

Australian Institute of Medical and Clinical Scientists JR Saal Prize for Outstanding Performance in Medical Laboratory Science, \$580 value

John R Saal was a lecturer in histopathology and established the medical science course at QUT. He was awarded a Churchill Fellowship in 1969. In 1970 he became Head of the Department of Paramedical Studies at QUT, and then in 1977 became Head of the School of Health Science. John held many offices within AIMS, including Branch and National President, and was National Registrar at the time of his death in 1979. Each year, there is a prestigious lecture named in his honour given at the AIMS National Scientific Meeting.

Awarded to a graduating Bachelor of Medical Laboratory Science student who achieved the highest overall academic achievement across the course.

Caitlin Devonport

Australian Institute of Medical and Clinical Scientists (Queensland Branch) Prize for Quality in Pathology Practice, \$580 value

Awarded to the third-year Bachelor of Medical Laboratory Science student who achieved the highest academic achievement in the quality assurance assessment items across the units, Chemical Pathology, Histopathology, and Transfusion and Transplantation Science.

Michelle Seeto

Australian Institute of Medical and Clinical Scientists S. Walsh Memorial Prize for Transfusion Science, \$580 value

Stan Walsh was a medical scientist based at the Mater Hospital, Brisbane. He was very well known in the medical science field and was one of the first medical scientists to progress through into management, firstly as laboratory manager at the Mater Hospital, then as hospital administrator. Stan was very supportive of medical scientists, a natural leader and was very involved in the development of AIMS.

Awarded to the third-year Bachelor of Medical Laboratory Science student who achieved the highest academic achievement in the unit, Transfusion and Transplantation Science.

Michelle Seeto

Australian Society of Cytology

The Australian Society of Cytology (ASC) is the sole national body whose activities are primarily directed at enhancing cytology. The objectives of ASC are to foster an interest in the training, status and conditions of employment of cytologists within the Commonwealth of Australia.

Australian Society of Cytology Prize for Cytopathology, \$500 value

Awarded to the third-year Bachelor of Medical Laboratory Science student who achieved the highest result in the unit, Diagnostic Cytopathology.

Michelle Seeto

Bellberry Limited

Bellberry Limited is an Australian, independent, not-for-profit organisation providing quality, timely, and internationally accredited scientific and ethical review of research projects that hold participant wellbeing at its centre. We support the advancement of research knowledge through philanthropy and education. Bellberry aims to protect the welfare of human research participants, and improve the quality, efficiency and effectiveness of research.

Bellberry Biomedical Ethics Prize, \$1,000 value

Awarded to the first-year Bachelor of Biomedical Science or double degree student with the highest achievement in the unit, Introduction to Biomedical Science, assessment 2 and 3 – Communication and Biomedical Ethics.

Zoe Lee-Archer

Elsevier

Elsevier is a global information analytics business that helps institutions and professionals advance healthcare, open science and improve performance for the benefit of humanity.

Elsevier Encouragement Award, \$300 value

Awarded to a first-year Bachelor of Medical Laboratory Science student in recognition of their academic efforts and contributions to the QUT community.

Sara Pennisi

Histotechnology Group of Queensland

The Histotechnology Group of Queensland is a not-for-profit association that facilitates the promotion and advancement of the art and science of histotechnology and related interests.

Histotechnology Group of Queensland Prize, \$500 value

Awarded to the third-year Bachelor of Medical Laboratory Science student who achieved the highest academic results in the unit, Histopathology.

Kailan Bilney

Patheon

Thermo Fisher Scientific provides industry-leading contract pharma services solutions for drug development, clinical and commercial manufacturing of drug substance and finished dose forms as well as clinical trial support and logistics to customers through the Patheon brand.

Patheon 'Healthier World Delivered' Prize, \$500 value

Awarded to the final-year Bachelor of Biomedical Science or double degree student who delivered the best oral presentation pertaining to an innovative bio-technology based solution for rural Australians as part of the unit, Advances in Medical Biotechnology.

Isabella Smith

QIAGEN

QIAGEN's broad product portfolio encompasses consumables, instruments, and bioinformatics that allow our customers to unlock insights from these molecules and address molecular testing challenges from Sample to Insight.

QIAGEN Outstanding Student Prize for Genes, Genomes and Genetics, \$500 value

Awarded to the first-year Bachelor of Biomedical Science or Bachelor of Medical Laboratory Science student who achieved the highest academic results in the unit, Genes, Genomes and Genetics.

Kelly Tye

QUT School of Biomedical Sciences

QUT's School of Biomedical Sciences is internationally renowned for combining innovative research with high-quality teaching programs to address global health issues.

Dr Ron Epping was an inspirational teacher of biochemistry and biotechnology who esteemed the science of inquiry and investigation that underpin the processes of research and problem-solving that are encountered throughout careers. Dr Epping was ahead of his time when he established a student-led investigative subject that drew together the elements of many subjects that students had undertaken into a coherent capstone final subject. He felt rewarded and invigorated by the development of students over the course of their studies.

Dr Ron Epping Memorial Prize, \$500 value

Awarded to a final-year Bachelor of Biomedical Science student who demonstrated the greatest improvement in grade point average from first- to final-year. The Memorial Prize is kindly funded through staff giving in the School of Biomedical Sciences.

Thi My Ngoc Nguyen

School of Biomedical Sciences Excellence Award (in memory of Dr Ron Epping), \$2,000 value

Awarded to full-time Bachelor of Biomedical Science or double degree student/s who had a GPA of 5.5 or above, completed two years of study, and demonstrated a commitment to a career in the biomedical professions through participation in extra-curricular professional development activities and opportunities. The Excellence Award is kindly funded through a member of staff who wishes to remain anonymous.

Tejas Bhat

Siemens Healthineers

Siemens Healthineers is a leading medical technology company with more than 120 years of experience and 18500 patients globally. At Siemens Healthineers, their mission is to enable healthcare providers to increase value by empowering them on their journey towards expanding precision medicine, transforming care delivery and improving patient experience – all enabled by digitalising healthcare.

Siemens Healthineers Healthcare Encouragement Award, \$500 value

Awarded to a second-year Bachelor of Medical Laboratory Science student in recognition of their academic efforts and contributions to the QUT community.

Jamie Pingo

Australian College of Children and Young People's Nurses

The Australian College of Children and Young People's Nurses (ACCYPN) is the only national nursing professional organisation that has children and young people as its core focus. Through direct membership, ACCYPN forms an influential professional body acting on behalf of children, young people, families and the nurses who care for them.

Australian College of Children and Young People's Nurses Lyn Frazer Postgraduate Nursing Award in Child and Adolescent Health, \$517 value

Lyn Frazer was a Queensland Nurse who commenced nursing in 1947 and worked in paediatrics from 1955 to 1996. As Director of Nursing at the Royal Children's Hospital Brisbane she modelled a strong commitment to nursing education and continual learning. The Australian College of Children and Young People's Nurses presents this award in Lyn's memory and in recognition of her contribution to paediatric and child health nursing.

Awarded to the Graduate Certificate in Nursing student who achieved outstanding clinical assessment and the highest grade in the clinical unit, Specialist Nursing Practice for Children and Families.

Megan Townsend

Australian College of Critical Care Nurses

The Australian College of Critical Care Nurses (ACCCN) is a not-for-profit membership-based organisation representing thousands of nurses both members and non-members nationally. ACCCN's members work across the critical care clinical spectrum, principally in the area of intensive care, in clinical, educational, management, and research roles.

Australian College of Critical Care Nurses (Queensland Branch) Prize, \$632 value

Awarded to the Graduate Certificate in Nursing student who achieved the highest academic achievement in the units, Contemporary Issues in Emergency and Intensive Care Nursing and Health Care Context and Service Provision.

Ruby Geddes

Australian College of Mental Health Nurses Incorporated

The Australian College of Mental Health Nurses (ACMHN) Incorporated is the peak professional mental health nursing organisation and the recognised credentialing body for Australia's mental health nurses.

Australian College of Mental Health Nurses Inc. Prize, \$440 value

Awarded to two second-year Bachelor of Nursing students who gained the highest achievement in the unit, Mental Health: Self and Others.

**Alison Ingham
Cassandra-Jayne Reiske**

Bolton Clarke

Bolton Clarke is Australia's largest independent not-for-profit aged care provider, offering at home support, retirement living and residential aged care. Everything we do is dedicated to enabling, celebrating and supporting older Australians. With RSL Care Queensland and the Royal District Nursing Service Victoria at the heart of our DNA, Bolton Clarke has been caring for Australians since 1885.

Bolton Clarke Aged Care Rural Clinical Nursing Placement Scholarship, \$5,000 value each

Awarded to up-to six full-time international final-year Bachelor of Nursing students or second-year Master of Nursing students with exceptional communication skills and knowledge of aged care, cultural health and safety issues in regional, rural, and remote populations, undertaking clinical placement in a regional or rural location.

**Namita Nathani
Vaneet Kaur
Xin Li**

Centaur Memorial Fund for Nurses

The Centaur Memorial Fund for Nurses was established in 1948 as a tribute to the Queensland nurses who practiced during and between two World Wars on the home and military fronts. The Fund's name memorialised the 268 personnel who died in the sinking of the 2/3 Australian Hospital Ship Centaur in May 1943 off the coast of South East Queensland. Eleven of the deceased were members of the Australian Army Nursing Service.

Joy Croker Centaur Silver Medal Award, \$400 value

This award is named in memory of long-serving Centaur Memorial Fund for Nurses President, Joy Croker, who passed away while in office in 2005.

Awarded to the graduating Bachelor of Nursing student with the highest grade point average in their final year of study.

Jessica Brown

Dr Joan Penridge Commemorative Committee

Dr Joan Penridge was a founding member of QUT's School of Nursing in 1978 and had an outstanding commitment to the School until her untimely death from cancer in 1994. Throughout her academic career, Joan made an enormous contribution to the development of nursing education in Queensland, particularly the transition of undergraduate nursing to the higher education sector. This prize honours Dr Penridge's dedication to nursing education.

Dr Joan Penridge Commemorative Award, \$3,000 value

Awarded to a final-year, full-time domestic Bachelor of Nursing student who has demonstrated a high level of academic and professional commitment.

Laura Synott

Elsevier

Elsevier is a global information analytics business that helps institutions and professionals advance healthcare, open science and improve performance for the benefit of humanity.

Elsevier Evidence-Based Practice Poster Prize, \$500 value

Awarded to a second-year Bachelor of Nursing or double degree student who achieved a high score in the evidence-based practice poster assessment and highest score for the clarity of recommendations, relevance and uniqueness as part of the unit, Inquiry in Clinical Practice.

Ella Rae Swindells

Hartmann

HARTMANN is a leader in healthcare solutions, working to improve outcomes for professionals, caregivers and consumers. Our focus is on solutions that support skin integrity outcomes. From continence management to skin care and wound care, HARTMANN accepts nothing less than excellence in the design of products and our services.

We have a simple promise—to help, care and protect.

Hartmann Clinical Prize for Excellence in Skin Integrity, \$1,000 value

Awarded to a final-year Bachelor of Nursing student in the Clinical Practice Capstone units for demonstrating clinical excellence in skin integrity.

Laura Shepherd

Professor Bruce Lawford and Dr Susan Shadforth supporting the Garawa Nursing Scholarship

Through family connection and working in remote Aboriginal health centres we have identified an urgent need for Aboriginal and Torres Strait Islander nurses in these environments.

Cultural safety and cultural awareness issues often impede therapeutic relationships with First Nations peoples.

We seek to strongly encourage Indigenous nursing students to get back to country and make a real difference to health outcomes for mob in remote communities.

Garawa Nursing Scholarship, \$5,000 value each

Awarded to third-year Bachelor of Nursing students, or Master of Nursing—Entry to Practice students in their final year of study to undertake a placement in a rural or remote Aboriginal or Torres Strait Island community.

2022 recipients

Jennifer Clough
Tuscany Abala

2023 recipients

Genevieve Smith
Gwendolyn Gorogo

Rotary

Rotary, a network of 1.2 million members globally, seeks to provide practical answers to serious problems and challenges facing the world, especially in developing countries and in the rural/remote areas of more developed nations. The Feros Grants are a signature project of Rotary District 9620 and financed by contributions from the District and a dozen individual Clubs. The purpose of the Feros Grants is to assist with the logistical costs of a clinical placement in a rural/remote health service.

Rotary Feros Nursing Grant, \$1,650 value each

Awarded to five final-year, full-time, domestic Bachelor of Nursing students with exceptional communication skills and knowledge of cultural health and safety issues in rural, remote and Indigenous populations in the unit, Clinical Placement Capstone.

Semester 1

Amelia Lees
Annabelle Orrah
Emma Nash

Semester 2

Bronte Vuocolo
Caitlin MacPhail-Clarry
Francine Luboya

Simon Ashton's Family

In 2005 while studying nursing at QUT, Mr Simon Ashton tragically lost his life in unexpected circumstances. With a passion to become a nurse and an ongoing commitment to his studies, he had managed full-time employment while also studying full-time and maintaining a grade point average of 6.0. This prize commemorates Mr Ashton's dedication to nursing studies.

Simon Ashton Memorial Encouragement Award, \$500 value

Awarded to a high-achieving, second-year Bachelor of Nursing student who demonstrated exceptional application, determination and enterprise during their studies.

Jodie Eade

.....

The Argent Family

Brisbane education philanthropists, Shelley Argent OAM and Donald J Argent, adhere to the vision of education as key to overcoming barriers. The Argent Indigenous Nursing Scholarship is a welcome and strategic investment to provide transformative education to Indigenous Australian students. The Scholarship supports the mission that success and empowerment of Indigenous Australian students will have a long and lasting impact on the lives of the Scholarship recipients as well as on the communities they serve.

The Argent Indigenous Nursing Scholarship, \$10,000 value each

Awarded to two, eligible full-time, Aboriginal and/or Torres Strait Islander undergraduate Bachelor of Nursing students based on academic ability, their proposal to engage with QUT and the wider community, and financial need.

Aliesha Harding
Brittany Warner

The Cowled Foundation

The Cowled Foundation funds the Ron Macnamara Rural Nursing Scholarship and other gifts as a legacy to the lives and achievements of Laurie Cowled and her husband, Ron Macnamara. The Cowled Foundation aims to foster leadership and scholarship amongst young Australian regional and country women.

The Ron Macnamara Rural Nursing Scholarship, \$10,000 value

Awarded to eligible Master of Nurse Practitioner students with academic merit, and who are committed to working in rural or remote areas of Australia.

Leah Felstead

MEDICAL RADIATION SCIENCES

Australasian Sonographers Association

The Australasian Sonographers Association (ASA) is the professional organisation for Australasian sonographers who are the experts in ultrasound. With over 7 000 members, the ASA has a significant role in supporting and advising the profession on the highest standards to provide the best possible outcomes in ultrasound for patients.

Australasian Sonographers Association Best Case Report Prize, \$1,000 value

Awarded to the graduating Graduate Diploma in Medical Ultrasound student with the most outstanding clinical case report.

Michael Hobson

Australasian Sonographers Association Cardiac Ultrasound Clinical Excellence Award, \$1,000 value

Awarded to a final-year Graduate Diploma in Cardiac Ultrasound student who has demonstrated the highest standards in sonography scanning capability and patient care.

Rhett Webster

Australasian Sonographers Association Medical Ultrasound Clinical Excellence Award, \$1,000 value

Awarded to a final-year Graduate Diploma in Medical Ultrasound student who has demonstrated the highest standards in sonography scanning capability and patient care.

Michael Hobson

Australian Society of Medical Imaging and Radiation Therapy

The Australian Society of Medical Imaging and Radiation Therapy (ASMIRT) is the peak body representing medical radiation practitioners in Australia. Their aims are to promote, encourage, cultivate and maintain the highest principles of practice and proficiency of medical radiation science, always mindful that the welfare of the patient should be at the centre of everything they do as they empower medical radiation practitioners for the health of all Australians.

Australian Society of Medical Imaging and Radiation Therapy Prize for Medical Imaging, \$500 value

Awarded to the final-year Bachelor of Medical Imaging (Honours) student with the highest academic achievement in the units, Transition to Professional Practice 2 and Advanced Imaging Practice 2.

Ashlyn McBurnie

Canon Medical Systems

Canon Medical Systems is a global diagnostic medical imaging solutions leader, engaging in the development of technology and products in the pursuit of offering the optimum healthcare solutions.

Canon Medical Systems Prize for Medical Ultrasound, \$500 value

Awarded to the first-year Graduate Diploma in Medical Ultrasound student with the highest academic achievement across all first-year units.

Emily Pilgrim

GE Healthcare

As a leading global medical technology, diagnostics and digital solutions innovator, GE Healthcare enables clinicians to make faster, more informed decisions through intelligent devices, data analytics, applications and services, supported by its Edison intelligence platform.

GE Healthcare Technologies Outstanding Sonographer Award, \$400 value

Awarded to the second-year Graduate Diploma in Cardiac Ultrasound student with the highest academic achievement across all second-year units.

Candice Todd

Philips

Philips is a leading health technology company focused on improving people’s health and enabling better outcomes across the health continuum – from healthy living and prevention to diagnosis, treatment and home care.

Philips Cardiac Ultrasound Prize, \$500 value

Awarded to the first-year Graduate Diploma in Cardiac Ultrasound student with the highest academic achievement.

Hannah Southcombe

Philips Medical Ultrasound Prize, \$500 value

Awarded to the graduating Graduate Diploma in Medical Ultrasound student who has shown academic excellence throughout the course.

Hayley Cook

Siemens Healthineers

Siemens Healthineers is a leading medical technology company with more than 120 years of experience and 18,500 patients globally. At Siemens Healthineers, their mission is to enable healthcare providers to increase value by empowering them on their journey towards expanding precision medicine, transforming care delivery and improving patient experience—all enabled by digitalising healthcare.

Siemens Healthineers Australia Medical Imaging Prize, \$760 value

Awarded to the final-year Bachelor of Medical Imaging (Honours) student with the highest achievement in the units, Computed Tomography Imaging and Magnetic Resonance Imaging.

Morgan Bloomfield

The Royal Australian and New Zealand College of Radiologists

The Royal Australian and New Zealand College of Radiologists (RANZCR) is a not-for-profit professional organisation for clinical radiologists and radiation oncologists in Australia, New Zealand and Singapore.

The Royal Australian and New Zealand College of Radiologists Hugo Flecker Memorial Prize for Medical Imaging Technology, \$500 value

Hugo Flecker (1884-1957) was one of Australia’s pioneer radiologists who was instrumental in the development of deep X-ray therapy treatment of cancer. Dr Flecker attempted to obtain his only supply of radioisotopes in 1923 by personally journeying by camel to Radium Hill, South Australia to search for radioactive ore with a gold-leaf electroscope. A decade later, Dr Flecker moved north and established himself as a radiologist and radiotherapist in Cairns, becoming one of the first specialists north of Brisbane. This prize commemorates Dr Flecker’s dedication to the field.

Awarded to the graduating Bachelor of Medical Imaging (Honours) student with the best academic record.

Jackson Armstrong

PARAMEDIC SCIENCE

Australasian College of Paramedicine

The Australasian College of Paramedicine (ACP) is the peak professional organisation supporting and representing over 10 000 paramedics and student paramedics from across Australia and New Zealand.

Malcolm McDonald OAM, now retired, was a foundation member of the Australian College of Ambulance Professionals (Queensland Branch) Inc., past president and state chair. Malcolm was a driving force for clinical change and clinical excellence and a prominent member of the professional association. Malcolm followed his father into the ambulance service and spent all of his working life in the service. He was awarded a Medal of Order of Australia in 1992 for service to the community, particularly the ambulance, fire and emergency services.

Australasian College of Paramedicine Malcolm McDonald OAM Prize for Paramedic Science, \$500 value

Awarded to the graduating Bachelor of Paramedic Science student who achieved the highest result in final-year studies.

Adrian Lockhart

Australasian College of Paramedicine Malcolm McDonald OAM Prize for Paramedic Science and Nursing, \$500 value each

Awarded to the graduating Bachelor of Paramedic Science/Bachelor of Nursing student who achieved the highest result in final-year studies.

Brooke Crawford

Erica Hamilton

Rotary

Rotary, a network of 1.2 million members globally, seeks to provide practical answers to serious problems and challenges facing the world, especially in developing countries and in the rural/remote areas of more developed nations. The Feros Grants are a signature project of Rotary District 9620 and financed by contributions from the district and a dozen individual clubs. The purpose of the Feros Grants is to assist with the logistical costs of a clinical placement in a rural/remote health service.

Rotary Feros Paramedic Science Grant, \$1,650 value each

Awarded to final-year, full-time, domestic Bachelor of Paramedicine Science students with exceptional communication skills and knowledge of cultural health and safety issues in rural, remote and Indigenous populations in the unit, Paramedic Clinical Practice 2.

Kailen Pettit

PHARMACY

Chemist Warehouse

Chemist Warehouse Group is the largest pharmacy group in Australia, operating more than 450 retail pharmacies across the country with 17 000+ staff. The group's mission is to provide affordable healthcare for all Australians.

Chemist Warehouse Prize, \$500 value

Awarded to a second-year Bachelor of Pharmacy (Honours) student for excellence in second-year patient-centred care in pharmacy.

Isabel Brandon

Good Price Pharmacy Warehouse

Good Price Pharmacy Warehouse has become one of Australia's leading retailers in health, beauty and medicinal products. At Good Price Pharmacy Warehouse, their mission is to provide patients with the best possible health solutions at everyday low prices. Their pharmacists aim to provide the highest level of patient care and professional practice.

Good Price Pharmacy Prize, \$500 value

Awarded to a third-year Bachelor of Pharmacy (Honours) student for excellence in semester one, patient-centred care in pharmacy.

Shahrzad Najafipour Haghighi

Guild Insurance

Be part of something bigger with Guild Insurance

Guild Insurance has worked with Australian professionals for over 60 years, helping to grow the network that's dedicated to protecting you and safeguarding the future of your profession.

Find out how you can be part of something bigger by visiting guildinsurance.com.au or calling 1800 810 213.

Guild Insurance Prize, \$500 value

Awarded to a final-year Bachelor of Pharmacy (Honours) student who has made a sustained contribution to the QUT Pharmacy student community.

Araniya Maharaj

MSI Taylor

MSI Taylor provides accounting, tax and advisory services. With extensive pharmacy expertise and a dedicated Pharmacy Services team, MSI Taylor is renowned in the industry for their knowledge and in being able to equip clients with the skills and tools required to successfully compete in an environment that requires increasing efficiency and innovation.

MSI Taylor Prize for Pharmacy Business Management, \$500 value

Awarded to the fourth-year Bachelor of Pharmacy student who achieved the highest academic achievement in the unit, Business of Healthcare.

Lauren Rogers

MSI Taylor Prize for Pharmacy Business Assessment, \$500 value

Awarded to the second-year Bachelor of Pharmacy student who achieved the highest academic achievement in the assessment, Evidence of a 'Manager' in Practice.

Goldie Bishop

Pharmaceutical Defence Limited

As Australia's first national pharmacy body, Pharmaceutical Defence Limited (PDL) was established in 1912 by pharmacists, for pharmacists. Now over 110 years on, PDL is still owned by its pharmacist members, providing Professional Indemnity (PI) insurance, 24/7 incident support and risk management advice to over 31,000 members across the profession.

Pharmaceutical Defence Limited Prize for Fourth-Year Clinical Practice, \$500 value

Awarded to a fourth-year Bachelor of Pharmacy (Honours) student for excellence in fourth-year clinical practice.

Thomas McKee

Pharmaceutical Defence Limited Prize for Fourth-Year Pharmacy Research, \$500 value

Awarded to a fourth-year Bachelor of Pharmacy (Honours) student for excellence in research skills and applied pharmacy research.

Jackson Grant

Pharmaceutical Society of Australia

The Pharmaceutical Society of Australia (PSA) is the peak national professional pharmacy organisation representing all of Australia's 36 000 pharmacists working in all sectors and across all locations.

Pharmaceutical Society of Australia (Queensland Branch) First-Year Prize, \$500 value

Awarded to the Bachelor of Pharmacy (Honours) student with the highest academic achievement in their first year of study.

Emily Rintala

Pharmaceutical Society of Australia (Queensland Branch) Second-Year Prize, \$500 value

Awarded to the Bachelor of Pharmacy (Honours) student with the highest academic achievement in their second year of study.

Isabel Brandon

Pharmaceutical Society of Australia (Queensland Branch) Third-Year Prize, \$500 value

Awarded to the Bachelor of Pharmacy (Honours) student with the highest academic achievement in their third year of study.

Crystal Dutt

Pharmaceutical Society of Australia (Queensland Branch) Fourth-Year Prize, \$500 value

Awarded to the Bachelor of Pharmacy (Honours) student with the highest academic achievement in their fourth year of study.

Lauren Rogers

Pharmacy Guild of Australia

The Pharmacy Guild of Australia is a national organisation providing advocacy and clinical governance for the pharmacy profession including support services, education and training to the pharmacy industry, while also being a representative body to promote the needs of community pharmacy in Australia.

Chris Owen Leadership Prize for Pharmacy Students, \$500 value

Awarded to a Bachelor of Pharmacy (Honours) student who has achieved outstanding engagement with industry, community, the School of Clinical Sciences and fellow students.

Lily Smith

Pharmacy Guild of Australia (Queensland Branch) Prize, \$500 value

Awarded to a graduating Bachelor of Pharmacy (Honours) student for sustained excellence in pharmacy practice throughout the course.

Maisy Garde

Society of Hospital Pharmacists of Australia

The Society of Hospital Pharmacists of Australia (SHPA) is the national professional organisation for more than 5,200 pharmacists, pharmacist interns, students, technicians and associates working across Australia's health system. SHPA is the only professional pharmacy organisation with a strong base of members practising in public and private hospitals and other health services.

The Society of Hospital Pharmacists of Australia (Queensland Branch) Prize, \$577 value

Awarded to a fourth-year Bachelor of Pharmacy (Honours) student for excellence in their hospital placement.

Chloe Bancroft

TerryWhite Chemmart

TerryWhite Chemmart is the leading community pharmacy brand, and we want you to work for us. Visit our website and apply today.

TerryWhite Chemmart Prize, \$500 value

Awarded to a second-year Bachelor of Pharmacy (Honours) student for excellence in Pharmacy Foundations.

Merran MacKinnon

TerryWhite Chemmart Prize for Excellence, \$500 value

Awarded to a third-year Bachelor of Pharmacy (Honours) student for excellence across patient-centred care.

Alicia-Maree Pyke

PODIATRY

Australian Podiatry Association

Australian Podiatry Association (APodA) is the largest and oldest peak body representing podiatry and promotion foot health in Australia.

Australian Podiatry Association Charles W. Graves Prize, \$500 value

The late Charles W. Graves was a founding member of the Queensland Branch of the Australian Podiatry Association and a part-time lecturer in Podiatry at QUT's predecessor, Queensland Institute of Technology. This prize commemorates the services Mr Graves gave to the podiatry profession.

Awarded to a third-year Bachelor of Podiatry student who demonstrated excellence in orthotics.

Joshua Amos Taylor

Australian Podiatry Association Leonard K. Claxton Prize for Clinical Studies, \$500 value

The late Leonard K. Claxton was a founding member of the Podiatrists' State Registration Board and President of the Queensland branch of the Australian Podiatry Association for more than 20 years. This award commemorates Mr Claxton's dedication and service to podiatry.

Awarded to a fourth-year Bachelor of Podiatry student who demonstrated the highest proficiency in Podiatric Medicine.

Caitlin Swalwell

Australian Podiatry Association Phillip R. Perlman Prize, \$500 value

Phillip R. Perlman DPM was a revered lecturer in podiatry who spent his early career in the United States before commencing at QUT in 1991. With clinical and research interests in podiatric radiology and podiatry surgery, along with a memorable teaching style, Dr Perlman was a valuable contributor to the podiatry profession for many years. This prize commemorates the wide-reaching impact Dr Perlman's work had on his students and on the field.

Awarded to the second-year Bachelor of Podiatry student who achieved the highest result in the unit, Radiographic Image Interpretation.

Eunice Yang Eun Hwa

Footmotion Podiatry

Footmotion Podiatry provides diagnosis & management of foot and lower limb problems, utilising the latest gait analysis technologies and integrating footwear solutions

Footmotion Podiatry Laura Rose Memorial Award, \$750 value

Laura was an outstanding team member at Footmotion since its beginnings in 2015. Laura's academic achievement was recognised through a QUT university medal and Laura was a valued part-time academic at QUT for many years. Laura was highly respected by her colleagues, patients and former students. She was always determined to give her best to help others, even when facing adversity in her cancer journey which concluded in 2019.

Awarded to the Bachelor of Podiatry or Bachelor of Podiatry (Honours) student who demonstrated exceptional application and determination in their studies.

Manisha Kapadia

Jason McLellan

Jason McLellan is Queensland's first Certified Paediatric Podiatrist, as awarded by the Australasian Podiatry Council in 2016. Jason is also the Principal Podiatrist at Little Big Feet Paediatric & Adolescent Podiatry, with more than twenty years of experience in the Paediatric field. In addition to his professional career in private practice, he has spent the last 20 years contributing to the education of upcoming professionals at QUT as a Clinical Fellow of the Faculty of Health.

Jason McLellan Award for Paediatric Podiatry, \$500 value

Awarded to the third-year Bachelor of Podiatry or Bachelor of Podiatry (Honours) student who demonstrated the highest proficiency in paediatrics.

Joshua Amos Taylor

Mr FootDr

My FootDr is Australia's leading and largest podiatry services group, operating 90+ podiatry clinics and striving for excellence in the field of podiatry and custom foot orthotic manufacturing, along with great customer service and patient outcomes. Co-founded by QUT alumnus, Greg Dower and business partner Darren Stewart, My FootDr's value extends beyond the organisation to make a positive impact on local communities.

My FootDr Second-Year Podiatry Prize, \$1,000 value

Awarded to the second-year Bachelor of Podiatry student who has achieved the best academic record and demonstrated a strong commitment to the profession.

Eunice Yang Eun Hwa

My FootDr The Greg Dower Applied Biomechanics Award, \$1,000 value

Greg Dower is Chief Business Development Officer at Healthia. Greg's special interest in complex biomechanical cases has seen him work alongside some of Australia's leading sports teams. This award acknowledges the important contribution of podiatric biomechanics to the profession.

Awarded to the third-year Bachelor of Podiatry student with the highest proficiency in lower limb biomechanical assessment.

Joshua Amos Taylor

Texas Peak: Brooks

Brooks Running produce high-performance running shoes, clothing, and accessories. At Brooks their purpose is to inspire everyone to run and be active. Their products are a reflection of this philosophy and over 100 years of experience in creating the best running gear possible. Aliyah Dean

The Royal Australian and New Zealand College of Radiologists

The Royal Australian and New Zealand College of Radiologists (RANZCR) is a not-for-profit professional organisation for clinical radiologists and radiation oncologists in Australia, New Zealand and Singapore.

The Royal Australian and New Zealand College of Radiologists Hugo Flecker Memorial Prize for Radiotherapy Technology, \$500 value

Hugo Flecker (1884-1957) was one of Australia's pioneer radiologists who was instrumental in the development of deep X-ray therapy treatment of cancer. Dr Flecker attempted to obtain his only supply of radioisotopes in 1923 by personally journeying by camel to Radium Hill, South Australia to search for radioactive ore with a gold-leaf electroscope. A decade later, Dr Flecker moved north and established himself as a radiologist and radiotherapist in Cairns, becoming one of the first specialists north of Brisbane. This prize commemorates Dr Flecker's dedication to the field.

Awarded to the graduating Bachelor of Radiation Therapy (Honours) student with the best academic record.

Hannah Hering

ViewRay

ViewRay leads the world in MR guided radiation therapy, our commitment is to improving how cancer treatment is delivered, making it safer and more effective, with fewer toxic effects for patients. We work together, pushing the boundaries of what is possible for a Visibly Better future.

- Cassandra Rumler**
- Kirra Purcell**

The Lacaze Family

Michael Edward Lacaze (1956-1993) was a beloved son and brother. Growing up, he excelled as a metropolitan swimming champion, was an outstanding board rider and demonstrated distinctive artistic abilities. He completed grade 12 and was accepted into university. From here, Michael led a turbulent life. He became a drug user at a time when there was no medical or psychological support for drug users. His personality and criminal behaviours shaped his interactions with the criminal justice system. Without accurate assessment and specific interventions, recidivism was inevitable. Michael was just one of many Australians for whom the benefits of applied forensic and clinical evidence-based psychology would come too late. This prize highlights the importance of research and improved practice to better assist people like Michael in successfully reshaping their lives.

Michael Lacaze Memorial Prize for Forensic Psychology, \$500 value

Awarded to the second- or third-year Bachelor of Behavioural Science (Honours Psychology) student for excellence in the unit, Forensic Psychology and the Law.

Kate McLean
