3. A QUT Elite Athlete Selection Committee will convene to assess applications and determine the final list of athletes to be offered scholarships. The Committee will consist of the Sport Coordinator, Sport Officer (Performance), QUT Scholarship Coordinator and three independent selectors within Netball, Swimming & Water Polo.

**Application continued...**

4. The selection committee will use a ranking system to produce a final scholarship offer list. Ranking will be based on the athlete’s level of development and progression into open State and National selection within the next 24 months.
5. This scholarship cannot be deferred.

**RETAINING THE SCHOLARSHIPS**

6. To receive this scholarship students must accept a QUT course offer and be enrolled in units.
7. Students must join the QUT club within their respective sport upon commencement of semester and actively participate and contribute to a positive culture within club activities and events outside of academic commitments.
8. Recipients are required to represent QUT Sport at targeted sporting events (up to 2 per annum) which may occur either on or off campus (subject to athlete selection and availability).

**SCHOLARSHIP PAYMENT**

9. The QUT Aspiring Scholarship is paid in one installment after the HECS census date in semester 1, subject to students meeting the terms and conditions.
10. Students will receive direct scholarship payment by electronic transfer to a nominated bank account.
11. This scholarship is bound by the Scholarship Concurrency Policy that determines whether certain scholarship combinations can be held concurrently. This scholarship is considered a MERIT scholarship. QUT scholarship holders are only permitted to hold one merit scholarship at any one time. Please consider this condition in the event of an offer of more than one QUT merit scholarship as applicants will be eligible to receive only one. Refer to the table below.

*To determine if more than one scholarship can be held, locate Scholarship Type A on the X axis and Scholarship Type B on the Y axis then slide down and across simultaneously to reach the concurrency decision for that scholarship combination. The scholarship type can be confirmed in the respective terms and conditions of the scholarship in question.*
